

Subpart 5652.2 - [RESERVED]

Parent topic: [Part 5652 - SOLICITATION PROVISIONS AND CONTRACT CLAUSES](#)

5652.204-9003 Disclosure of Unclassified Information (2023) Section H

(Added July 2023)

As prescribed in [5604.403\(b\)](#), insert the following clause,

(a) The protection of sensitive but unclassified data reflecting Special Operations technologies, personnel, plans, and business associations requires due diligence on the part of those in possession of such information. The application of appropriate security measures to ensure the safekeeping of USSOCOM and company proprietary data, intellectual property, and personnel data is the responsibility of all parties who have access to such information. On September 21, 2001, the Department of Defense designated Headquarters US Special Operations Command (USSOCOM) a sensitive unit, as defined by Title 10 United States Code (USC) Section 130b (10 USC 130b). See [DoD Manual 5400.07, Freedom of Information Act Program](#), dated 25 January 2017 paragraph 5.2 c. (2)(a), In keeping with this designation, unclassified information related to USSOCOM military technology acquisitions managed by USSOCOM or any of its component commands, will be designated Controlled Unclassified Information (CUI). As such, the contractor hereby unequivocally agrees that it shall not release to anyone outside the Contractor's organization any unclassified information, regardless of medium (e.g., film, tape, document, contractor's external website, newspaper, magazine, journal, corporate annual report, email, text, conversation, social media, etc.), pertaining to any part of this contract or any program related to this contract, unless the Contracting Officer has given prior written approval. Furthermore, any release of information which associates USSOCOM, Special Operation Forces (SOF), or any component command with an acquisition program, contractor, or this contract is prohibited unless specifically authorized by the Contracting Officer.

(b) That contractor shall submit a written request for approval and shall identify the specific information to be released, the medium to be used, and the purpose for the release. The contractor shall submit the request to the Contracting Officer at least 60 days before the proposed date for release for approval. No release of any restricted information shall be made without specific written authorization by the Contracting Officer.

The Contractor shall include a similar requirement to this clause in each subcontract under this contract to affect this requirement at each level of subcontracting. Subcontractors shall submit request for authorization to release through the prime contractor to the Contracting Officer.

(c) The Contractor further understands that Title 18 USC Section 701 specifically prohibits the use of the USSOCOM emblem or logo in any manner or medium (e.g., corporate website, marketing brochure, newspaper, magazine, etc.) unless authorized in writing by the Contracting Officer. A written request for use of the USSOCOM emblem or logo shall be submitted to Contracting Officer at least 60 days before proposed use. Forward any request to use the USSOCOM emblem or logo through the Contracting Officer.

5652.204-9004 Foreign Persons (2006) Section K

As prescribed in [5604.404-80](#), insert the following clause,

In accordance with restrictions required by Executive Order 12470, the Arms Export Control Act (Title 22, USC) (Sec 275), the International Traffic in Arms Regulation (ITAR), or DoD Directive 5230.25, Withholding of Unclassified Technical Data from Public Disclosure, no foreign persons will be permitted to work on a contract without notifying the Contracting Officer. Provide the following information for all foreign persons who will be working on the contract (or "X" here if there are no such individuals: ____):

- (1) Full Name:
- (2) Date of Birth:
- (3) Place of Birth:
- (4) Nationality:

5652.209-9002 Use of Contractor Support/Advisory Personnel for Review of Proposals (2015) Section L

(Revised August 2015)

As prescribed in [5609.507-1](#), insert the following provision,

The offeror's attention is directed to the fact that contractor personnel may review and provide support during proposal evaluations. When appropriate, the following contractor personnel may have access to offeror's proposals and may be utilized to objectively review a proposal in a particular functional area and provide comments and recommendations to the Government's decision makers. They may not establish final assessments of risk, rate or rank offerors' proposals. All advisors shall comply with procurement Integrity Laws and shall sign Non-Disclosure and Rules of Conduct/Conflict of Interest statements. The Government shall take into consideration requirements for avoiding conflicts of interest and ensure advisors comply with safeguarding source selection and proprietary data. Submission of proposal in response to the solicitation constitutes approval to release the proposal to Government Support Contractors.

List applicable vendors involved in the source selection.

5652.209-9003 Use of Contractor Support/Advisory Personnel (2015) Section H

(Revised August 2015)

As prescribed in 5609.507-2, insert the following clause,

The contractor's attention is directed to the fact that USSOCOM contracts for various IT, business, acquisition, technical, and staff support services, some of which require support contractor access to proprietary information submitted by other contractors during administration of this contract. Execution of this contract constitutes approval to release the contract, contractor proposals, other contractor information, or proprietary data obtained during contract administration to Government Support Contractors who require access and have signed Non-Disclosure and Rules of Conduct/Conflict of Interest Statements.

5652.214-9002 Notice of Prebid Conference (2003) Section L

(Revised June 2020)

As prescribed in 5616.506(b), insert the following clause, *Editable and Fill-ins*

(a) All multiple award contractors shall be considered for each order over \$3,500, unless the Contracting Officer determines that:

(1) The agency need for such supplies or services is of such urgency that providing such opportunity would result in unacceptable delays;

(2) Only one such contractor is capable of providing such supplies or services required at the level of quality required because the supplies or services ordered are unique or highly specialized;

(3) The order should be issued on a sole source basis in the interest of economy and efficiency as a logical follow-on to an order already issued under the contract.

(4) It is necessary to place an order to satisfy a minimum amount guarantee.

(b) Unless the exceptions in paragraphs (a) above apply, the following procedures will be utilized in providing contract awardees with a fair opportunity to be considered for each order:

(For task order service contracts)

(1) The Government will request each contractor to submit a technical and/or managerial approach, if necessary, and cost/price estimate in response to a Government work statement.

(2) The responses may be presented to the Government either orally or in writing as required by the Contracting Officer.

(3) The Government will make an integrated assessment based on technical and/or managerial approach, estimated total cost/price, past performance in making awards under this paragraph. The Contracting Officer will issue the Task Order to the contractor who will provide the best value to the Government.

(For supplies/equipment contracts)

(1) The Government will request each contractor to submit a proposed delivery schedule and cost/price estimate in response to a Government request for quotations.

(2) The responses may be presented to the Government either orally or in writing as required by the Contracting Officer. Electronic submission is encouraged.

(3) The Contracting Officer will issue the Delivery Order to the contractor who will provide the best value to the Government.

(c) Under the provisions of the Federal Acquisition Streamlining Act of 1994, as modified by the National Defense Authorization Act of Fiscal Year 2017, protests are not authorized in connection with the issuance or proposed issuance of a task/delivery order except for a protest on the grounds that the order increases the scope, period, or maximum value of the contract or, a protest of an order valued in excess of \$10 million. Protests of orders in excess of \$25 million. Protests of orders in excess of \$25 million may only be filed with the Government Accountability Office, in accordance with the procedures at FAR 33.104.

(d) Task and Delivery Order Ombudsman. The Task and Delivery Order Ombudsman is responsible for reviewing complaints regarding this contract. The Ombudsman shall review complaints from the contractors and ensure all contractors are afforded a fair opportunity to be considered, consistent with the procedures of the contract.

5652.216-9004 , Procedures for Issuing Task/Delivery Orders under Single Award, Indefinite DeliveryIndefinite Quantity Contracts (2003) Section H

As prescribed in [5616.506\(c\)](#) , insert the following clause, *Editable and Fill-ins*

(a) Soliciting *Task/Delivery* Order Proposals: When the Government has a requirement for *services/supplies* to be *performed/delivered* under this contract, the Contracting Officer will issue a request for *task/delivery* order proposal either *in writing/by telephone/ electronic* transmission. 5652.216-9005 , Government Down Time for Various Reasons (2005) Section I

In accordance with 5616.307(l) , and as prescribed in 5616.601-90 , insert the following clause,

From time to time Government installations may be closed in response to an unforeseen emergency or similar occurrence, or by order of the President, Secretary of Defense, or installation commander. Designated emergencies include, but are not limited to, adverse weather such as snow or flood, an act of God such as a tornado or earthquake, acts of war or terrorism, computer failures, or a base disaster such as a natural gas leak or fire.

(1) Under such designated emergencies or other ordered base closures, contractor personnel will not be allowed on the Government installation unless specifically approved by the Contracting Officer in accordance with installation policies and procedures. If an emergency requiring installation closure occurs while contractor personnel are on the installation, contractor personnel shall promptly secure all government furnished property appropriately and evacuate in an expedient but safe manner unless otherwise directed by the Contracting Officer.

(2) If the installation closure causes a delay in the work required by the contract, the Government may:

(i) grant a time extension in each task order delayed by the closure equal to the time of the closure, subject to the availability of funds.

(ii) terminate the work or a portion of the work.

(iii) reschedule the work on any day satisfactory to both parties.

(iv) permit the contractor to perform at an off-site location during the period of installation closure if meaningful work can be accomplished. Contractor shall certify to the government by letter within 5 business days of returning to work the nature and scope of the work completed off-site. There shall be no adjustment to the contract labor rates for work performed off the installation.

(v) require that the Contractor continue on-site performance during the installation closure period in accordance with installation procedures.

(Revised November 2018)

As prescribed in 5633.106, insert the following clause,

In accordance with FAR 33.103(d)(4), interested parties may request an independent review at one level above the contracting officer. The independent review is available as an appeal of the contracting officer's decision on an agency protest. Requests for an independent review shall be submitted to the Contracting Officer for coordination.

5652.237-9001 Key Personnel Requirements (2003) Section I

As prescribed in 5637.110(b), insert the following clause, *Fill-ins*

(a) Certain experienced professional and/or technical personnel are essential for successful accomplishment of the work to be performed under this contract. Such personnel are defined as "Key Personnel" and are those persons whose resumes were submitted for evaluation of the proposal. The contractor agrees that such personnel shall not be removed from the contract work or replaced without compliance with the following:

(1) If one or more of the key personnel, for any reason, becomes or is expected to become unavailable for work under this contract for a continuous period exceeding 30 work days, or is expected to devote substantially less effort to the work than indicated in the proposal or initially anticipated, the contractor shall, subject to the concurrence of the Contracting Officer or an authorized representative, promptly replace personnel with personnel of equal ability and qualifications.

(2) All requests for approval of substitutions hereunder must be in writing and provide a detailed explanation of the circumstances necessitating the proposed substitutions. The request must contain a resume for the proposed substitute, and any other information requested by the Contracting Officer. The Contracting Officer shall promptly notify the contractor of approval or disapproval in writing.

(b) If the Contracting Officer determines that suitable and timely replacement of Key Personnel who have been reassigned, terminated or have otherwise become unavailable for the contract work is not reasonably forthcoming or that the resultant reduction of productive effort would be so substantial as to impair successful completion of the contract, the Contracting Officer may terminate the contract for default or for the convenience of the Government, as appropriate, or make an equitable adjustment to the contract to compensate the Government for any resultant delay, loss or damage.

(c) The follow positions are identified as Key Personnel:

(Insert Key Personnel Positions)
