

## 12.102 Applicability.

(a) This part shall be used for the *acquisition of supplies* or services that meet the definitions of “*commercial product*” or “*commercial service*” at 2.101.

(b) *Contracting officers shall* use the policies in this part in conjunction with the policies and procedures for *solicitation*, evaluation and award prescribed in part 13, *Simplified Acquisition Procedures*; part 14, *Sealed Bidding*; or part 15, *Contracting by Negotiation*, as appropriate for the particular *acquisition*.

(c) Contracts for the *acquisition of commercial products* or *commercial services* are subject to the policies in other parts of the FAR. When a policy in another part of the FAR is inconsistent with a policy in this part, this part 12 shall take precedence for the *acquisition of commercial products* or *commercial services*.

(d) The definition of *commercial product* uses the phrase “purposes other than governmental purposes”. These purposes are those that are not unique to a government.

(e) This part shall not apply to the *acquisition of commercial products* or *commercial services*—

(1) At or below the *micro-purchase threshold*;

(2) Using the Standard Form 44 (see 13.306);

(3) Using the imprest fund (see 13.305);

(4) Using the Governmentwide commercial purchase card as a method of purchase rather than only as a method of payment; or

(5) Directly from another *Federal agency*.

(f)

(1) *Contracting officers may* treat any *acquisition of supplies* or services that, as determined by the *head of the agency*, are to be used to facilitate defense against or recovery from cyber, nuclear, biological, chemical, or radiological attack, as an *acquisition of commercial products* or *commercial services*.

(2) A contract in an amount greater than \$20 million that is awarded on a sole source basis for a product or service treated as a *commercial product* or *commercial service* under paragraph (f)(1) of this section but does not meet the definition of a *commercial product* or *commercial service* as defined at FAR 2.101 shall not be exempt from—

(i) Cost accounting standards (see subpart 30.2); or

(ii) *Certified cost or pricing data* requirements (see 15.403).
