## Subpart 12.6 - Streamlined Procedures for Evaluation and Solicitation for Commercial Products and Commercial Services

Parent topic: Part 12 - Acquisition of Commercial Products and Commercial Services

## 12.601 General.

- (a)This subpart provides optional procedures for—
- (1)Streamlined evaluation of offers for commercial products or commercial services; and
- (2) Streamlined *solicitation* of *offers* for *commercial products* or *commercial services* for use where appropriate.
- (b) These procedures are intended to simplify the process of preparing and issuing *solicitations* and evaluating *offers* for *commercial products* or *commercial services* consistent with customary commercial practices.

## 12.602 Streamlined evaluation of offers.

- (a) When evaluation factors are used, the *contracting officer may* insert a provision substantially the same as the provision at 52.212-2, Evaluation-Commercial Products and Commercial Services, in solicitations for commercial products or commercial services or comply with the procedures in 13.106 if the acquisition is being made using simplified acquisition procedures. When the provision at 52.212-2 is used, paragraph (a) of the provision shall be tailored to the specific acquisition to describe the evaluation factors and relative importance of those factors. However, when using the simplified acquisition procedures in part 13, contracting officers are not required to describe the relative importance of evaluation factors.
- (b) Offers shall be evaluated in accordance with the criteria contained in the solicitation. For many commercial products or commercial services, the criteria need not be more detailed than technical (capability of the item offered to meet the agency need), price, and past performance. Technical capability may be evaluated by how well the proposed products or services meet the Government requirement instead of predetermined subfactors. Solicitations for commercial products or commercial services do not have to contain subfactors for technical capability when the solicitation adequately describes the intended use of the commercial product or commercial service. A technical evaluation would normally include examination of such things as product or service literature, product samples (if requested), technical features, and warranty provisions. Past performance shall be evaluated in accordance with the procedures in section 13.106 or subpart 15.3, as applicable. The contracting officer shall ensure the instructions provided in the provision at 52.212-1, Instructions to Offerors—Commercial Products and Commercial Services, and the evaluation criteria provided in the provision at 52.212-2, Evaluation—Commercial Products and Commercial Services, are in agreement.
- (c) Select the offer that is most advantageous to the Government based on the factors contained in

the *solicitation*. Fully document the rationale for selection of the successful *offeror* including discussion of any trade-offs considered.

## 12.603 Streamlined solicitation for commercial products or commercial services.

- (a) When a written *solicitation* will be issued, the *contracting officer may* use the following procedure to reduce the time required to solicit and award contracts for the *acquisition* of *commercial products* or *commercial services*. This procedure combines the synopsis required by 5.203 and the issuance of the *solicitation* into a single document.
- (b) When using the combined synopsis/solicitation procedure, the <u>SF1449</u> is not used for issuing the solicitation.
- (c) To use these procedures, the contracting officer shall-
- (1) Prepare the synopsis as described at 5.207.
- (2) In the Description, include the following additional information:
- (i) The following statement:

This is a combined synopsis/solicitation for commercial products or commercial services prepared in accordance with the format in <u>subpart 12.6</u>, as supplemented with additional information included in this notice. This announcement constitutes the only *solicitation*; proposals are being requested and a written *solicitation* will not be issued.

- (ii) The *solicitation* number and a statement that the *solicitation* is issued as an invitation to bid (IFB), request for quotation (RFQ) or request for proposal (RFP).
- (iii) A statement that the *solicitation* document and incorporated provisions and clauses are those in effect through Federal *Acquisition* Circular \_\_\_\_\_.
- (iv) A notice regarding any set-aside and the associated NAICS code and small business size standard.
- (v) A list of *line item number*(s) and items, quantities, and units of measure (including *option*(s), if applicable).
- (vi) Description of requirements for the items to be acquired.
- (vii) Date(s) and place(s) of delivery and acceptance and FOB point.
- (viii) A statement that the provision at 52.212-1, Instructions to *Offerors-Commercial Products* and *Commercial Services*, applies to this *acquisition* and a statement regarding any addenda to the provision.
- (ix) A statement regarding the applicability of the provision at <u>52.212-2</u>, Evaluation-*Commercial Products* and *Commercial Services*, if used, and the specific evaluation criteria to be included in paragraph (a) of that provision. If this provision is not used, describe the evaluation procedures to be used.

- (x) A statement advising *offerors* to include a completed copy of the provision at <u>52.212-3</u>, *Offeror* Representations and Certifications-Commercial Products and Commercial Services, with its offer.
- (xi) A statement that the clause at  $\underline{52.212-4}$ , Contract Terms and Conditions-Commercial Products and Commercial Services, applies to this acquisition and a statement regarding any addenda to the clause.
- (xii) A statement that the clause at <u>52.212-5</u>, Contract Terms and Conditions Required To Implement Statutes or Executive Orders-*Commercial Products* and *Commercial Services*, applies to this *acquisition* and a statement regarding which, if any, of the additional FAR clauses cited in the clause are applicable to the *acquisition*.
- (xiii) A statement regarding any additional contract requirement(s) or terms and conditions (such as contract financing arrangements or *warranty* requirements) determined by the *contracting officer* to be necessary for this *acquisition* and consistent with customary commercial practices.
- (xiv) A statement regarding the Defense Priorities and Allocations System (DPAS) and assigned rating, if applicable.
- (xv) The date, time and place offers are due.
- (xvi) The name and telephone number of the individual to contact for information regarding the *solicitation*.
- (3) Allow response time for receipt of *offers* as follows:
- (i) Because the synopsis and *solicitation* are contained in a single document, it is not necessary to publicize a separate synopsis 15 days before the issuance of the *solicitation*.
- (ii) When using the combined synopsis and *solicitation*, *contracting officers must* establish a response time in accordance with 5.203(b) (but see 5.203(h)).
- (4) Publicize amendments to *solicitations* in the same manner as the initial synopsis and *solicitation*.
