22.804-2 Construction.

- (a) Construction contractors that hold a nonexempt (see $\underline{22.807}$) Government construction contract are required to meet-
- (1) The contract terms and conditions citing affirmative action requirements applicable to covered geographical areas or projects; and
- (2) Applicable requirements of 41 CFR60-1 and 60-4.
- (b) Each agency *shall* maintain a listing of covered geographical areas that are subject to affirmative action requirements that specify goals for minorities and women in covered *construction* trades. Information concerning, and additions to, this listing will be provided to the principally affected *contracting officers* in accordance with agency procedures. Any *contracting officer* contemplating a *construction* project in excess of \$10,000 within a geographic area not known to be covered by specific affirmative action goals *shall* request instructions on the most current information from the OFCCP regional office, or as otherwise specified in agency regulations, before issuing the *solicitation*.
- (c) Contracting officers shall give written notice to the OFCCP regional office within 10 working days of award of a construction contract subject to these affirmative action requirements. The notification shall include the name, address, and telephone number of the contractor; employer identification number; dollar amount of the contract; estimated starting and completion dates of the contract; the contract number; and the geographical area in which the contract is to be performed. When requested by the OFCCP regional office, the contracting officer shall arrange a conference among contractor, contracting activity, and compliance personnel to discuss the contractor's compliance responsibilities.
