## 38.201 Coordination requirements.

- (a) Subject to interagency agreements, contracting officers having responsibility for awarding Federal Supply Schedule contracts shall coordinate and obtain approval of the General Services Administration's Federal Supply Service (FSS) before-
- (1) Establishing new schedules;
- (2) Discontinuing existing schedules;
- (3) Changing the scope of agency or geographical coverage of existing schedules; or
- (4) Adding or deleting special item numbers, national stock numbers, or revising their description.
- (b) Requests should be forwarded to the:

General Services Administration Federal Supply Service Office of Acquisition (FC) Washington, DC 20406.
