

47.207-10 Discrepancies incident to shipments.

Discrepancies incident to shipment include overage, shortage, loss, damage, and other discrepancies between the quantity and/or condition of supplies received from commercial carrier and the quantity and/or condition of these supplies as shown on the covering bill of lading or other transportation document. Regulations and procedures for reporting and adjusting discrepancies in Government shipments are in 41 CFR parts 102-117 and 118. (For the Department of Defense (DoD), see DoD 4500.9-R, Defense Transportation Regulation, Part II, Chapter 210).
