

52.227-15 Representation of Limited Rights Data and Restricted Computer Software.

As prescribed in 27.409(c), insert the following provision:

Representation of Limited Rights Data and Restricted *Computer Software* (Dec 2007)

(a) This *solicitation* sets forth the Government's known delivery requirements for data (as defined in the clause at 52.227-14, Rights in Data-General). Any resulting contract *may* also provide the Government the *option* to order additional data under the Additional Data Requirements clause at 52.227-16, if included in the contract. Any data delivered under the resulting contract will be subject to the Rights in Data-General clause at 52.227-14 included in this contract. Under the latter clause, a Contractor *may* withhold from delivery data that qualify as limited rights data or restricted *computer software*, and deliver form, fit, and function data instead. The latter clause also *may* be used with its *Alternates* II and/or III to obtain delivery of limited rights data or restricted *computer software*, marked with limited rights or restricted rights notices, as appropriate. In addition, use of *Alternate V* with this latter clause provides the Government the right to inspect such data at the Contractor's facility.

(b) By completing the remainder of this paragraph, the *offeror* represents that it has reviewed the requirements for the delivery of *technical data* or *computer software* and states [*offeror check appropriate block*]-

None of the data proposed for fulfilling the data delivery requirements qualifies as limited rights data or restricted *computer software*; or

Data proposed for fulfilling the data delivery requirements qualify as limited rights data or restricted *computer software* and are identified as follows:

(c) Any identification of limited rights data or restricted *computer software* in the *offeror's* response is not determinative of the status of the data *should* a contract be awarded to the *offeror*.
