## 52.247-10 Net Weight-General Freight.

As prescribed in 47.207-4(a)(2), insert the following clause in *solicitations* and contracts for transportation or for transportation-related services when the weight of *shipments of freight* other than household goods or office furniture is not known at the time of *shipment* and the contractor is responsible for determining the net weight of the *shipments*:

Net Weight-General *Freight* (Apr 1984)

(a) The net weight of the *shipment shall* be determined by deducting the tare weight of the vehicle (determined by having the empty vehicle with a full tank of fuel weighed by a certified weighmaster on a certified scale) from the gross weight of the vehicle (determined by having the loaded vehicle with a full tank of fuel weighed by a certified weighmaster on a certified scale).

(b) The Contractor *shall* attach the original copies of the empty and loaded weight certificates to the *invoice* for services.
