209.570-3 Procedures.

(a) In making a responsibility determination before awarding a contract for the acquisition of a major system, the contracting officer shall—

- (1) Determine whether the prospective contractor meets the definition of “lead system integrator”;
- (2) Consider all information regarding the prospective contractor’s direct financial interests in view of the prohibition at [209.570-2](#) (a); and
- (3) Follow the procedures at PGI [209.570-3](#) .

(b) A determination to use a contractor to perform lead system integrator functions in accordance with [209.570-2](#) (c)(2)—

- (1) Shall specify the reasons why it would not be practicable to carry out the acquisition without continuing to use a contractor to perform lead system integrator functions, including a discussion of alternatives, such as use of the DoD workforce or a system engineering and technical assistance contractor;
- (2) Shall include a plan for phasing out the use of contracted lead system integrator functions over the shortest period of time consistent with the interest of the national defense; and
- (3) Shall be provided to the Committees on Armed Services of the Senate and the House of Representatives at least 45 days before the award of a contract pursuant to the determination.
