## 225.7019-3 Waiver.

- (a) *Request and approval of waiver*. The requiring activity may submit to the contracting activity a request for waiver of the prohibition in <u>225.7019-2 Prohibition</u>. for a specific contract for the acquisition of furnished energy for a covered military installation. The head of the contracting activity, without power of redelegation, may approve the waiver, upon certification to the congressional defense committees that—
- (1) The waiver of section 2821 is necessary to ensure an adequate supply of furnished energy for the covered military installation; and
- (2) National security requirements have been balanced against the potential risk associated with reliance upon the Russian Federation for furnished energy.
- (b) *Submission of waiver notice*. (1) Not later than 14 days before the execution of any energy contract for which a waiver is granted under paragraph (a) of this section, the head of the contracting activity shall submit to the congressional defense committees a notice of the waiver. See PGI 225.7019-3 for waiver procedures.
- (2) The waiver notice shall include the following:
- (i) The rationale for the waiver, including the basis for the certifications required by paragraph (a) of this section.
- (ii) An assessment of how the waiver may impact DoD's European energy resilience strategy.
- (iii) An explanation of the measures DoD is taking to mitigate the risk of using Russian Federation furnished energy.
