(a) Under 10 U.S.C. 2465, the DoD is prohibited from entering into contracts for the performance of firefighting or security-guard functions at any military installation or facility unless—

(2) The contract will be carried out on a Government-owned but privately operated installation;

(3) The contract (or renewal of a contract) is for the performance of a function under contract on September 24, 1983; or

(4) The contract—

(i) Is for the performance of firefighting functions;

(ii) Is for a period of 1 year or less; and

(ii) The agency has determined that—

(A) Recruiting and training standards for the personnel who are to perform the security-guard functions are comparable to the recruiting and training standards for DoD personnel who perform the same security-guard functions;

(B) Contractor personnel performing such functions will be effectively supervised, reviewed, and evaluated; and

(C) Performance of such functions will not result in a reduction in the security of the installation or facility;

(iii) Contract performance will not extend beyond September 30, 2012; and

(iv) The total number of personnel employed to perform security-guard functions under all contracts entered into pursuant to this authority does not exceed the following limitations:
