

239.7102-2 Compromising emanations—TEMPEST or other standard.

For acquisitions requiring information assurance against compromising emanations, the requiring activity is responsible for providing to the contracting officer—

- (a) The required protections, i.e., an established National TEMPEST standard (e.g., NSTISSAM TEMPEST 1-92) or a standard used by other authority;
- (b) The required identification markings to include markings for TEMPEST or other standard, certified equipment (especially if to be reused);
- (c) Inspection and acceptance requirements addressing the validation of compliance with TEMPEST or other standards; and
- (d) A date through which the accreditation is considered current for purposes of the proposed contract.
