(1) Any vessel used under a time charter contract for the transportation of supplies under this section shall have the following work performed in the United States or its outlying areas:

(i) Reflagging or repair work, if the reflagging or repair work is performed—

(A) On a vessel for which the contractor submitted an offer in response to the solicitation for the contract; and

(B) Prior to acceptance of the vessel by the Government.

(ii) Prior to acceptance of the vessel by the Government.
