52.225-10 Notice of Buy American Requirement-Construction Materials.

As prescribed in 25.1102(b)(1), insert the following provision:

Notice of Buy American Requirement-Construction Materials (May 2014)

- (a) Definitions. "Commercially available off-the-shelf (COTS) item," "construction material," "domestic construction material," and "foreign construction material," as used in this provision, are defined in the clause of this solicitation entitled "Buy American-Construction Materials" (Federal Acquisition Regulation (FAR) clause 52.225-9).
- (b) Requests for determinations of inapplicability. An offeror requesting a determination regarding the inapplicability of the Buy American statute should submit the request to the Contracting Officer in time to allow a determination before submission of offers. The offeror shall include the information and applicable supporting data required by paragraphs (c) and (d) of the clause at FAR 52.225-9 in the request. If an offeror has not requested a determination regarding the inapplicability of the Buy American statute before submitting its offer, or has not received a response to a previous request, the offeror shall include the information and supporting data in the offer.
- (c) Evaluation of offers.
- (1) The Government will evaluate an *offer* requesting exception to the requirements of the Buy American statute, based on claimed unreasonable cost of domestic *construction* material, by adding to the offered price the appropriate percentage of the cost of such foreign *construction* material, as specified in paragraph (b)(3)(i) of the clause at FAR 52.225-9.
- (2) If evaluation results in a tie between an *offeror* that requested the substitution of foreign *construction* material based on unreasonable cost and an *offeror* that did not request an exception, the *Contracting Officer* will award to the *offeror* that did not request an exception based on unreasonable cost.
- (d) Alternate offers.
- (1) When an *offer* includes foreign *construction* material not listed by the Government in this *solicitation* in paragraph (b)(2) of the clause at FAR <u>52.225-9</u>, the *offeror* also *may* submit an *alternate offer* based on use of equivalent domestic *construction* material.
- (2) If an *alternate offer* is submitted, the *offeror shall* submit a separate <u>Standard Form 1442</u> for the *alternate offer*, and a separate price comparison table prepared in accordance with paragraphs (c) and (d) of the clause at FAR <u>52.225-9</u> for the *offer* that is based on the use of any foreign *construction* material for which the Government has not yet determined an exception applies.
- (3) If the Government determines that a particular exception requested in accordance with paragraph (c) of the clause at FAR 52.225-9 does not apply, the Government will evaluate only those offers based on use of the equivalent domestic construction material, and the offeror shall be

required to furnish such domestic *construction* material. An *offer* based on use of the foreign *construction* material for which an exception was requested-

- (i) Will be rejected as nonresponsive if this acquisition is conducted by sealed bidding; or
- (ii) May be accepted if revised during negotiations.
