As prescribed in 43.205(a)(1), insert the following clause. The 30-day period *may* be varied according to agency procedures.

Changes-Fixed Price (Aug 1987)

(a) The *Contracting Officer* may at any time, by written order, and without notice to the *sureties*, if any, make changes within the general scope of this contract in any one or more of the following:

(1) Drawings, designs, or specifications when the *supplies* to be furnished are to be specially manufactured for the Government in accordance with the drawings, designs, or specifications.

(2) Method of *shipment* or packing.

(3) Place of delivery.

(b) If any such change causes an increase or decrease in the cost of, or the time required for, performance of any part of the work under this contract, whether or not changed by the order, the *Contracting Officer* shall make an equitable adjustment in the contract price, the delivery schedule, or both, and shall modify the contract.

(c) The Contractor *must* assert its right to an adjustment under this clause within 30 days from the date of receipt of the written order. However, if the *Contracting Officer* decides that the facts justify it, the *Contracting Officer* may receive and act upon a proposal submitted before final payment of the contract.

(d) If the Contractor's proposal includes the cost of property made obsolete or excess by the change, the *Contracting Officer* shall have the right to prescribe the manner of the disposition of the property.

(e) Failure to agree to any adjustment *shall* be a dispute under the Disputes clause. However, nothing in this clause *shall* excuse the Contractor from proceeding with the contract as changed.
