5113.303-6 Review procedures.

(b) In addition to the review procedures in FAR 13.303-6, Contracting officers who authorize individuals to place calls under BPAs shall -

- (i) Ensure that individuals equitably distribute calls among suppliers with BPAs;
- (ii) Ensure that individuals do not split requirements to evade monetary limitations;
- (iii) Require that individuals refer all cases where prices are not considered to be reasonable to the Contracting officer for consideration; and
- (iv) Maintain continuing surveillance over individuals to ensure compliance with acquisition regulations.
