

Chapter 1 - The Government Purchase Card Program

Parent topic: APPENDIX - EE DEPARTMENT OF THE ARMY GOVERNMENT PURCHASE CARD OPERATING PROCEDURES

1-1. Overview

- a. The Army Federal Acquisition Regulation Supplement (AFARS) Appendix EE provides policy guidance and procedures for the management of the Army Government Purchase Card (GPC) program. It implements and supplements sections of the Department of Defense (DoD) Government Charge Card Guidebook for Establishing and Managing Purchase, Travel, and Fuel Card Programs (hereinafter referred to as the DoD Charge Card Guidebook). If information is not discussed in this document or if this document is in conflict with the DoD GPC Policy, the DoD GPC Policy should be followed. This document applies to all purchases utilizing Army-issued GPCs.
- b. Refer recommended changes and questions about the AFARS Appendix EE to the Office of the Deputy Assistant Secretary of the Army (Procurement) (ODASA(P)). Submit requests for waivers through the chain of command. Compliance with the AFARS Appendix EE is mandatory.
- c. The GPC program provides Army and supported organizations a simplified, streamlined method of purchasing and paying for supplies, services, construction projects, and contract payments. The program complies with Federal, DoD, and Army statutory and regulatory guidance, as well as the terms and conditions specified in the most current General Services Administration (GSA) SmartPay® 3 Master Contract. The primary benefit of the GPC Program is that the card-issuing banks provide a commercial purchase and payment service that replaces the paper-based, time-consuming purchase order process; reduces procurement lead time; provides transaction cost savings; reduces procurement office workload; provides refunds; and facilitates payment to include reductions in interest payments.
- d. The AFARS Appendix EE provides the procedures to use within the Army, including Army National Guard (ARNG) and Air National Guard (ANG), to establish and manage the Army GPC program. Army activities may supplement (i.e., adopt more stringent internal control requirements than the requirements cited herein), but not change this policy. However, as these are risk-managed programs, activities should maintain a proper balance between the control environment and ease of use to ensure that the benefits of the card continue to accrue. These procedures establish Army-wide standards designed to provide all Army activities with a foundation upon which to build specific standard operating procedures governing their programs.
- e. Nonappropriated Fund (NAF) activities implement policies and procedures governing the Army's Morale, Welfare, and Recreation programs and regulations for Nonappropriated Fund Instrumentalities (NAFI). Chaplaincy activities implement policies and procedures governing Army Chaplain Corps activities. Army NAFIs/entities must operate within the parameters of these procedures to include Public Health Command (PHC) NAFIs, Department of Defense Education Activities (DoDEA) NAFIs, and Army National Guard NAFIs. NAF activities will comply with the Department of Defense Policies and Procedures Governing Non-Appropriated Funds SmartPay® 3 Government-wide Commercial Purchase Card Use - SP3 Transition Memorandum #11.

1-2. GPC Uses

The purchase card can be used in three ways, depending on the value of the transaction and the authority of the cardholder (CH). See Federal Acquisition Regulation (FAR) 13.301. Table 1-1 summarizes the three methods and provides descriptions and examples.

Table 1-1: GPC Methods and Uses

| GPC Method | Description | Examples |
|------------------------------|--|--|
| Procurement Mechanism | To acquire and pay for goods and services by means other than the use of an existing contract. | Micro-purchases. See paragraphs a. and b. below. |
| Ordering Mechanism | To order and pay for goods and services under an existing contract only if authorized in the contract. | Orders placed against existing contracts. See paragraph c. below. |
| Payment Mechanism | To pay for goods and services when the Contractor agrees to accept contract payment(s) using the GPC card. | Contract invoice payments. Standard Form (SF) 182 training payments. See paragraphs d. and e. below. |

The GPC is the preferred method of payment for the following:

- a. **Micro-purchases (Card/Cardless).** The GPC may be used to purchase fixed-price commercial supplies and services that do not require the CH to agree to any terms and conditions other than price and delivery. These purchases are limited to the applicable micro-purchase threshold (MPT).
- b. **Micro-purchases (Convenience Check).** Convenience checks may be used and set up under a separate billing official (BO) account to buy commercially available, fixed-price supplies and services to fulfill mission-essential requirements. All check purchases must be within the applicable convenience check MPT. A separate account must be issued for each convenience check account.
- c. **Orders Against Pre-Existing Contract Vehicles.** The GPC may be used to place task or delivery orders against pre-priced contract vehicles and agreements if authorized in the basic contract, basic ordering agreement, or blanket purchase agreement. (Appropriated fund CHs cannot purchase against nonappropriated fund contracts).
- d. **Contract Payments.** The GPC may be used to make contract payments against fully funded contracts found to be advantageous to the Government when compared to other methods of payment, and the contractor accepts payment by the GPC. The contract should include the third-party payment clause identified in FAR 32.1108, Payment by Governmentwide Commercial Purchase Card; however, GPC contract payments may be made if the contractor agrees to accept the GPC as a method of payment.

e. **Payment of Training Requirements on SF 182s.** The GPC may be used as the method of payment for commercial training requests using the SF 182, valued at or below \$25,000, in lieu of an employee reimbursement by miscellaneous payment in accordance with the procedures to directly pay the provider in DoD Financial Management Regulation (FMR) Volume 10, Chapter 12, Section 120323, and DoD Instruction (DoDI) 1400.25, Volume 410.

1-3. Information and Waiver Process

a. Cardholders should direct GPC-related questions to their billing official. If the BO cannot resolve the issue, they should direct the issue to their Agency/Organization Program Coordinator (A/OPC) (Level 4 A/OPC). If the A/OPC cannot resolve an issue, the A/OPC should direct the question to the Oversight Agency/Organization Program Coordinator (OA/OPC) (Level 3 A/OPC). If the OA/OPC cannot resolve the issue, the OA/OPC should consult the Component Program Manager (CPM) (Level 2 A/OPC) for guidance.

b. All waivers, exceptions, and deviations to the guidance provided in AFARS Appendix EE must be in writing and routed to the ODASA(P) CPM for approval. Requests to waive, take exception to, or deviate from the rules, regulations, processes or procedures will be reviewed on a case-by-case basis. Requests for waivers should be submitted through the GPC chain of command. The CPM will retain copies of all approved waiver packages. In times of emergencies, a waiver approval may be obtained either through email or telephone call from the CPM with a follow up waiver request letter from the requesting command/activity. The letter must detail the reasons for the request and what adverse mission impact would occur if the waiver was not granted.

1-4. Task Order and Period of Performance

The Office of the Under Secretary of Defense (OUSD) for Acquisition and Sustainment, Defense Pricing and Contracting (DPC), United States (U.S.) Army, U.S. Department of the Air Force, and Defense agencies and activities awarded a Tailored Task Order #47QRAC18F0003 to U.S. Bank under GSA SmartPay® 3 Master Contract GS-36F-GA001. The period of performance began 30 November 2018 and runs through 29 November 2031 if all contract options are exercised. The total duration of the contract period of performance, including the base period and exercise of all three options and extension, is not to exceed 13 years and six months.

1-5. GPC Authority

a. GPC programs require procurement authority to operate and cannot be established or maintained unless procurement authority is granted in accordance with governing laws and regulations and delegated through a contracting activity identified in Defense Federal Acquisition Regulation Supplement (DFARS) Procedures, Guidance, and Information (PGI) 202.101 and the DoD Charge Card Guidebook. Contracting authority flows from authorities granted in Titles 10 and 41, United States Code (10 and 41 USC) from DoD to the Secretary of the Army to the Heads of Contracting Activities (HCAs). The HCA re-delegates contracting authority to local procurement offices. The Senior Contracting Official (SCO) or Chief of Contracting Office (CCO) may re-delegate their GPC procurement authority listed in Table 1-3 to OA/OPCs or A/OPCs for OA/OPCs and A/OPCs to appoint

cardholders and convenience check account holders through the Delegation of Contracting Authority Letter produced in the Joint Appointment Module (JAM) within the [Procurement Integrated Enterprise Environment \(PIEE\)](#). See sections 1-8 and 5-1 for more information. Cardholders must countersign to acknowledge this responsibility.

b. The Joint Appointment Module (JAM), an application within PIEE, is the mandatory enterprise tool for appointing and delegating authority to GPC personnel.

c. Orientation and training are prerequisites to receiving GPC delegated authority via an appointment in JAM. Training requirements are listed in Chapter 4.

d. Generally, only a Government employee can be a cardholder or billing official. National Guard traditional members and State employees should not be CHs or BOs. The following exceptions apply:

1) Foreign nationals may be appointed as CHs only if they are direct hires working for the U.S. Government. However, commanders/directors should consider the potential consequences of appointing foreign nationals as CHs in countries where Status of Forces Agreements (SOFAs) or local laws do not subject the foreign national employee to the same pecuniary or general financial liability or disciplinary actions for charge card violation as U.S. citizens.

2) Junior Reserve Officer Training Corps (JROTC) instructors are members of the Armed Forces in accordance with USACC Regulation 145-2, section 4-2, and may be designated micro-purchase procurement authority as GPC cardholders. See FAR 1.603-3(b).

1-6. Applicability

These procedures apply to all GPC purchases with cards and convenience checks issued by the Army.

a. Non-Army tenant organizations issued Army GPCs or convenience checks by an Army contracting office are also subject to these procedures. All BOs, CHs, A/OPCs, Resource Managers (RMs), Logisticians, and other stakeholders participating in the Army GPC program are subject to these procedures, including any non-Army tenant organizations where the Army has contracting authority and oversight responsibilities (such as ANG units).

b. The ODASA(P) has overall responsibility for the Army GPC program. Each Army command, organization, or activity utilizing Army GPCs has the responsibility for the following actions:

1) Provide adequate resources and effective internal controls to ensure the appropriate management, operation, training, and oversight is in place to operate a local GPC program effectively and efficiently in compliance with Army policies and procedures.

2) Establish and maintain a command climate to prevent Army personnel or others from exercising undue influence over the actions of an A/OPC, BO or CH.

3) Take appropriate informal and formal disciplinary actions in the event of noncompliance, fraud, misuse and/or abuse. Disciplinary actions should be based on the severity and frequency of the infraction and can range from informal actions such as written or verbal counseling, to demotion, removal, loss of security clearance, or potential criminal prosecution.

1-7. Micro-purchase Thresholds (MPT)

The definition and current dollar values of the MPT are located at [FAR 2.101\(b\)](#) and summarized in Table 1-2.

1-8. GPC Delegations of Authority and Appointment Letters

The different types of delegation of authority appointments identified in this section and Table 1-3 are available to CHs as needed. Each authority has unique policies, procedures, training, and oversight requirements. CHs must have the appropriate designation in their JAM appointment in order to use the corresponding purchasing authority. These appointments can only be granted to individuals who have completed training commensurate with their delegated authority.

Notes:

1. Dollar values are subject to change. See DoD Charge Card Guidebook for most current guidance.
2. MPT changes are based on the National Defense Authorization Act (NDAA).
3. GPC Delegation of Authority and Appointment Letter is equivalent to appointment on an SF 1402, Certificate of Appointment (i.e., Contracting Officer Warrant).
4. CHs who have previously been issued an SF 1402 may be authorized to place orders using the GPC up to their delegated authority.

a. **Micro-Purchase Cardholder.** This authority allows CHs to use the GPC to buy commercially available, fixed-price supplies and services to fulfill mission-essential requirements. The maximum single transaction dollar limit for stand-alone purchases is the MPT as defined at FAR 2.101.

b. **Micro-Purchase Convenience Check Writer.** This authority allows CHs to use a GPC convenience check to buy commercially available, fixed-price supplies and services to fulfill mission-essential requirements. Since convenience checks expose the Government to greater risk, CHs must make every effort to use a GPC card before writing a check. CHs may only use this authority when use of the GPC is not possible. All check purchases must be within the applicable convenience check MPT. DoD FMR Volume 10, Chapter 23 establishes the financial management policy for convenience check accounts.

c. **Micro-Purchase Emergency-Type Operations (ETO) CH and/or Check Writer.** This authority allows CHs to buy commercially available, fixed-price supplies and services to fulfill mission-essential requirements in direct support of a declared contingency or emergency event. See 41 USC 1903. Emergency-type Operations include the following:

- 1) Contingency operations as defined in FAR 2.101.
- 2) Operations to facilitate the defense against or recovery from cyber, nuclear, biological, chemical,

or radiological attack against the U.S. as addressed in FAR 18.001.

3) Operations in support of a request from the Secretary of State or the Administrator of the United States Agency for International Development to facilitate the provision of international disaster assistance as addressed in FAR 18.001.

4) Operations to support response to an emergency or major disaster as defined in section 102 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 USC 5121 et seq, implemented in FAR 26.2).

5) Humanitarian or peacekeeping operation (as defined at 10 USC 2302(8) and FAR 2.101).

CHs must enter the applicable value from Table 1-4 in the ETO field in the bank's EAS for each transaction. If unsure, CHs should consult their A/OPC. If your Component HCA has authorized emergency acquisition authorities to support COVID or Ukraine for purchases made after 9/30/2022, then CHs will need to manually enter just the description of "Ukraine" or "COVID" in the "Contingency Operations" field.

Table 1-4: Emergency-Type Operations

| Value | When to Use |
|--|---|
| Not in support of ETO | Transaction is not in support of an ETO. |
| Applicable Code not in this List | Transaction is in support of an ETO, but the assigned National Interest Action (NIA) code is not yet in this ETO drop down list or when Army policy mandates entry of a specific code in the purchase log to associate a transaction with a particular event. When this value is selected, the CH must enter applicable code in the "ADD'L Code or Event Info" field. |
| O14S Operations in Iraq or Syria | Transaction is in support of NIA Code O14S - Operations in Iraq and Syria. |
| O15F Operation Freedom's Sentinel | Transaction is in support of NIA Code O15F - Operation Freedom's Sentinel (OFS) 2015. |
| H20L Hurricane Laura 2020 | Transaction is in support of NIA Code H20L - Hurricane Laura 2020. |
| O21R Operations Allied Refuge Welcome | Transaction is in support of NIA Code O21R - Operations Allies Refuge/Welcome. |
| H21I Hurricane IDA 2021 | Transaction is in support of NIA Code H21I - Hurricane Ida 2021. |

CH must complete when "Applicable code not in list" is selected from the drop-down list. Entry must include either the applicable NIA that is not yet available in the ETO list along with a short description, or the code specified in Army policy along with a short description.

d. **Warranted Overseas ETO Cardholder.** This authority allows CHs to use the GPC in conjunction with their separately issued SF 1402 Certificate of Appointment to purchase supplies and services as prescribed in DFARS 213.301(3). Contracting officers may use this authority to make purchases up to the applicable simplified acquisition threshold in support of declared contingency or emergency events.

e. **Contract Ordering Official.** This authority allows CHs with the appropriate training to issue fixed-price orders against existing contracts (e.g., GSA FSS, BPAs, FedMall contracts, CHESSE contracts) to fulfill mission-essential requirements for supplies and services valued up to the Contract Ordering Official single purchase limit and to use the GPC to pay for these orders/purchases. When using this authority, CHs must 1) ensure they are authorized to place orders by the contract terms and conditions, 2) ensure the order will comply with all the contracts terms and conditions, and 3) follow all applicable ordering procedures. When ordering above the MPT, CH should obtain pricing from small business when small business can meet the requirements. The CH should obtain quotes from at least three sources. If restricting competition to fewer than three sources, the CH should document the circumstances in the purchase file. CHs with this designation will be referred to as "Ordering Officials" throughout this document.

f. **Overseas Simplified Acquisition.** This authority allows CHs to make authorized GPC purchases up to a single purchase limit of \$25,000 when the CH is outside the U.S. for items/services to be used outside the U.S., and that comply with the requirements of DFARS 213.301(2). When ordering above the MPT, the CH should obtain quotes from at least three sources. If restricting consideration to fewer than three, document the circumstances in the purchase file.

g. **Contract Payment Official.** This authority allows CHs to use the GPC to make payments against contracts that have been signed by a Contracting Officer when the GPC is named as the payment method. The GPC may provide a streamlined way of paying for contracts when a contracting officer determines the use of the GPC is in the best interest of the Government (AFARS 5113.202-90(d)).

h. **Miscellaneous Payments Official (SF 182 Training Payments).** This authority allows CHs to make payments for commercial training requests using the SF 182, valued at or below \$25,000 in accordance with the procedures to directly pay the provider in DoD FMR Volume 10, Chapter 12, Section 120323, and DoDI 1400.25, Volume 410a. The SF 182 or equivalent must be completed prior to the training. When provided by a non-Government source, the training must consist of a regularly scheduled, commercial-off-the-shelf (COTS) course, training conference, or instructional service that is available to the general public and priced the same for everyone in the same category, e.g., price per student, course, program, service, or training space.

i. **Inter/Intra-Governmental Payment Official.** This authority allows CHs to make payments to other Federal Government agencies in lieu of using a MIPR or Inter-Governmental Payment and Collection (IPAC) up to \$10,000. This authority includes, but is not limited to, payments to the Commissary, DLA Document Services, GSA Global Supply, and requisitioning NSNs on FedMall.

Purchases from the following sources are **not** considered inter/intra-governmental payments: state and local governments, AbilityOne, GSA Advantage, and CHES.
