

Subpart 5605.2 - SYNOPSES OF PROPOSED CONTRACT ACTIONS

Parent topic: Part 5605 - PUBLICIZING CONTRACT ACTIONS

5605.207 Preparation and Transmittal of Synopses.

(a)

(i) Contracting offices must use the Government Point of Entry (GPE) at beta.SAM to submit synopses to the maximum extent possible.

(ii) When release of government controlled technical data is required in a solicitation, the synopsis will include a statement for potential offerors to identify whether or not they are foreign owned, controlled, or influenced companies.
