5606.302-1 Only One Responsible Source

(Revised June 2023)

(a) A RFI or sources sought is separate from the presolicitation notice required by FAR [Subpart 5.2](#). The request for information (RFI) or sources sought notice must be accomplished during market research and documented in the J&A. See DCG for J&A template.

(b) Contracting Officers must reply in writing to each company who responded to a RFI or sources sought with a technical evaluation. Email(s) or letter(s) will be documented in the contract file and summarized in any resultant J&A. A letter template is available in the DCG.
