

Subpart 5215.3 - SOURCE SELECTION

Parent topic: [Part 5215 - CONTRACTING BY NEGOTIATION](#)

5215.300 Scope of subpart.

Submit request for waivers of DPC mandated source selection requirements in paragraph 1.2 of the DOD Source Selection Procedures Guide (DFARS PGI Subpart 215.3) to DASN(P) by email at usn.pentagon.asstsecnavrdadc.mbx.pabt@us.navy.mil with the subject “[Activity Name] DFARS PGI 215.3 “Source Selection Procedures Waiver.” DPC is the approval authority for acquisitions \$1B or greater. DASN(P) is the approval authority for acquisitions below \$1B. See Annex 4 for STRL deviations applicable hereto.

5215.303 Responsibilities.

(a) When it is appropriate to have someone other than the contracting officer act as Source Selection Authority (SSA) for reasons of high dollar value, mission importance or political visibility, the HCA (or PEO, for PEO-assigned efforts) may designate an alternate individual to be

the SSA.

(S-90) The SSA policies below apply only to competitively negotiated acquisitions covering the selection of one or more prime development and or production contractors (including materiel solution analysis or the initiation of preliminary, contract, or detailed design for ship development and acquisition programs) as described in SECNAVINST 5000.2 series; and, to other competitively negotiated acquisitions approved in advance by the assigned PEO, SYSCOM commander, or DRPM; or the head of the contracting activity.

(a) ASN(RDA) for assigned ACAT IA programs, and PEOs, SYSCOM commanders, and DRPMs for their assigned ACAT I, IA, and II programs, shall be the SSA, unless otherwise specified by the USD(AT&L), DON CIO for ACAT IA programs, SECNAV, or ASN(RDA). The ACAT I SSA responsibility may not be further delegated. The ACAT IA SSA responsibility may be delegated. The ACAT II SSA responsibility may be delegated to an individual who:

(1) If a member of the armed forces, is a flag or general officer; or

(2) If a civilian, is a member of the SES (or in a comparable or higher position under another schedule).

(b) PEOs, SYSCOM commanders, and DRPMs for their assigned ACAT III, IV, and AAPs, and ASN(RDA) or designee for IT ACAT III, IVT, and AAPs not assigned to PEOs, SYSCOM commanders, and DRPMs, shall designate the SSA at the time approval is granted to use formal source selection procedures.

(c) The SSA for other competitively negotiated acquisitions shall be as prescribed by the FAR, DFARS, or NMCARS, unless otherwise directed by ASN(RDA).

5215.304 Evaluation factors and significant subfactors.

(c) In accordance with SECNAVINST 4101.3A, all acquisition programs with an energy-consuming end item shall ensure that the acquisition team considers energy in making tradeoff decisions and develops an evaluation factor (not sub-factor) for use in source selection.

5215.305 Proposal evaluation.

(a)(1) *Cost or price evaluation.* Methods of evaluation which assign a point score to cost or price and combine it with point scores for other evaluation factors generally should not be used. Point scores can be helpful in summarizing subjective evaluation of technical and other factors but are not needed in evaluating cost or price and tend to obscure the tradeoff between cost/price and other factors, rather than clarifying it. If point scoring of cost/price is utilized, it should be demonstrated that the value of a cost/price point is comparable, in value to the Government, to the value of a non-cost/price point. When a cost realism analysis is performed, the resulting realistic cost estimate should be used in the evaluation of cost, except when using a firm-fixed-price or fixed-price with economic price adjustment type of contract.

(4) *Cost information.* The sharing of cost information with the technical evaluation team, and any limitations on the timing and extent of such sharing, should be addressed during the planning for the source selection. HCAs may establish specific procedural requirements for approving, documenting and/or varying from plans related to such sharing.

(S-90) Approval for use of contractor personnel as evaluators is addressed in FAR Subpart 37.2 and 5237.204. Such contractor personnel shall not rank or recommend one proposal over another, assign any ratings or numerical scores, or otherwise act in a decision-making capacity. Whenever advisory contractor personnel are to be used, a written release shall be obtained from each offeror.

5215.308 Source selection decision.

Advisory bodies, such as Source Selection Advisory Councils, must make a recommendation to the SSA and the recommendation shall be in writing.
