

2909.405-1 Continuation of current contracts.

(a) At the time an option is being exercised, contracting officers must review the List of Parties Excluded from Federal Procurement and Nonprocurement Programs. If a contractor or significant subcontractor is identified in the listing, the contracting officer must make a written determination either to proceed or to terminate the contract, and must explain the rationale for the decision. In accordance with FAR 9.405-1, contracting officers may continue contracts or subcontracts in existence at the time a contractor is suspended or debarred, unless it is determined that termination of the contract is in the best interest of the Government. The contracting officer must make such determination in writing, after consulting with the contracting officer's technical representative and legal counsel. The determination must be approved by the HCA.

(b) Contracting activities must not renew or otherwise extend the duration of current contracts, or consent to subcontracts, with contractors debarred, suspended, or proposed for debarment, unless the HCA states, in writing, the compelling reasons for renewal or extension and the Assistant Secretary for Administration and Management approves such action.
