The samples will be evaluated for form, fit, and function with subassembly, assembly, or equipment with which the items are to be used. End items furnished under any contract award to the offeror

furnishing the samples can include the returned samples, and all acceptable end items will have a configuration identical to the samples. If specific tests of the samples' performance are made by the Government, the offeror will be furnished the results of such tests prior to a contract being entered into. In addition to any other inspection examinations and tests required by the contract, the performance of the end items will be required to be as good as that of the samples submitted.

In the event of award, the contractor will be responsible for providing material that is in full compliance with all requirements in the contract or order. The surplus material to be furnished must meet the requirements of the current contract or order, whether or not the material met Government requirements in existence at the time the material was initially manufactured or sold to the Government. If higher-level contract quality requirements apply to the material being acquired, those requirements do not apply to surplus material furnished under this contract.

(b)(1) All offers for unused former Government surplus property will be evaluated and a \$200 evaluation factor shall be applied. Solicitations shall include procurement note M05 unless there is a documented restriction for unused former Government surplus property. The procurement note is automatically included in automated solicitations.

M05 Evaluation Factor for Unused Former Government Surplus Property (SEP 2016)

(1) All offers for unused former Government surplus property shall have a \$200 evaluation factor.

(2) All offers for CSI require evaluation by the ESA(s). An evaluation factor of \$600 shall be applied for coordination with each ESA.

(3) If the contracting officer cannot determine acceptability and coordinates with the ESA(s) on other than CSI, an evaluation factor of \$600 shall be applied for each ESA.

(2) The contracting officer shall evaluate offers for unused former Government surplus property. If additional information is required to make a determination of acceptability, the contracting officer shall allow the offeror 24 hours to submit the additional documentation. If the offeror fails to respond in a 24-hour period, the offer will be deemed unacceptable and evaluation will proceed to the next in line offer, unless it is the only offer. If the contracting officer requires technical assistance or the item is a CSI, they shall send a pre-award referral to the product specialist.
