Evaluation of Strategic Controls

For strategic questions, the reviewer should examine the contract file documentation, and other available evidence, and mark a number (1-5) to indicate the extent to which the reviewer agrees that the standard established by the referenced internal control(s) has been met. The reviewer should explain the rationale for the selected numerical response and describe lessons learned or best practices, if any, that informed the reviewer's decision.

OPERATIONAL OBJECTIVES

<u>Cost</u>: Obtain best value in terms of the price/cost of the delivered product or service (FAR 1.102(b)(1)).

Ouestion:

1. The contracting officer obtained the necessary cost or price data (but not more data than necessary) to adequately analyze the proposed price, and effectively negotiated and sufficiently documented a fair and reasonable contract price.
