

# **Subpart 847.3 - Transportation in Supply Contracts**

Source: 83 FR 48261, Sept. 24, 2018, unless otherwise noted.

**Parent topic:** [PART 847 - TRANSPORTATION](#)

## **847.302 Place of delivery - f.o.b. point.**

The contracting officer shall insert clause 852.247-71, Delivery Location, or a clause substantially the same as the clause at 852.247-71, Delivery Location, in supply contracts when it is necessary to specify delivery locations. If appropriate, the clause may reference an attachment which lists various delivery locations and other delivery details (*e.g.*, quantities to be delivered to each location, etc.).

## **847.305 Solicitation provisions, contract clauses, and transportation factors.**

### **847.305-10 Packing, marking, and consignment instructions.**

(a) The contracting officer shall insert clause 852.247-72, Marking Deliverables, or a clause substantially the same as 852.247-72 in solicitations and contracts if special marking on deliverables are required.

(b) The contracting officer shall insert the clause at 852.247-73, Packing for Domestic Shipment, in contracts when item(s) will be delivered for immediate use to a destination in the continental United States; when the material specification or purchase description does not provide preservation, packaging, packing, and/or marking requirements; and/or when the requiring activity has not cited a specific specification for packaging.

### **847.305-70 Potential destinations known but quantities unknown.**

When the contracting officer contracts with multiple bidders to provide items directly to VA field installations, on an f.o.b. origin basis, the evaluation of bids must follow specific procedures. In these instances, the contracting officer shall insert clause 852.247-70, Determining Transportation Costs for Evaluation of Offers, or a clause substantially the same as clause 852.247-70. By inserting this clause, each bid is placed on an equal basis, even though specific quantities required by each facility cannot be predetermined. The contracting officer must use an anticipated demand factor in proportion to the number of hospital beds or patient workload.

## **847.305-71 VA contract clauses.**

(a) The contracting officer shall insert clause 852.247-74, Advance Notice of Shipment, or a clause substantially the same as 852.247-74, in solicitations and contracts when the f.o.b. point is destination, and special Government assistance is required in the delivery or receipt of the items.

(b) The contracting officer shall insert clause 852.247-75, Bills of Lading, or a clause substantially the same as clause at 852.247-75, in f.o.b. origin solicitations and contracts.

## **847.306 Transportation factors in the evaluation of offers.**

### **847.306-70 Records of claims.**

When contracting for transportation, and consistent with FAR 15.304, contracting officers should consider using offerors' record of claims involving loss or damage as an evaluation factor or subfactor.
