(B) May result in unplanned support burdens being placed on the Government in a theater of operations;

(C) May result in contractor personnel conflicting with theater operations or performing in violation of a theater commander's directives or host country laws; or

(D) May cause contractor personnel to be wrongly subjected to host country laws;

(ii) Comply with any theater business clearance and contract administration delegation requirements set forth in the memorandum

(<https://www.acq.osd.mil/dpap/policy/policyvault/USA004346-12-DPAP.pdf>) entitled Theater Business Clearance/Contract Administration Delegation Update—Integration of TBC with the Joint Contingency Contracting System Platform, which must be consistent with the combat support agency's established functions and responsibilities, and set forth by the geographic combatant commander during declared contingency operations for all solicitations and contracts that relate to the delivery of supplies and services to the designated area(s) of operation. The memorandum is available at <https://www.acq.osd.mil/dpap/policy/policyvault/USA004346-12-DPAP.pdf>

(A) Theater business clearance ensures—

(1) Contracted effort to be accomplished in designated area(s) of operations, along with any associated contractor personnel, is visible to the combatant commander;

(4) Contracted effort will be properly overseen in designated area(s) of operation;

(5) Any Government-furnished support requirements associated with contractor personnel are properly addressed in the contract terms and conditions.

(B) Contract administration delegation—

to, designated area(s) of operation.

(2) Allows the combatant commander to exercise oversight to ensure the contractor's compliance with combatant commander and subordinate task force commander policies, directives, and terms and conditions;

(iii) Refer to the website at <https://www.acq.osd.mil/asda/dpc/cp/cc/index.html> , which contains required procedures and applicable guidance and information;

(iv) Follow specific guidance for the combatant command in whose area the contractor will be performing services or delivering supplies. This guidance is contained on the respective combatant commander's operational contract support webpage, which is linked to the procedures at <https://www.acq.osd.mil/asda/dpc/cp/cc/aor.html> , at the web-link for the combatant command for the area in which the contractor will be performing services or delivering items. These pages list prevailing regulations, policies, requirements, host nation laws, orders/fragmentary orders, combatant commander's directives, unique clauses, and other considerations necessary for soliciting and awarding a contract for performance in, or delivery of items to, that combatant commander's area of responsibility;

(v) To determine the appropriate point(s) of contact for contracting matters within the combatant commander's area of responsibility, contact the overseas contracting office by accessing the link for the combatant command in whose area of responsibility the contractor will be performing services or delivering items. From the combatant command website, link to the contracting office supporting the combatant command to identify the appropriate point of contact; and
