## **PGI 243.204-71 Certification of requests for equitable adjustment.**

(b) For example, a request for equitable adjustment that involves both an increase of \$100,000 and a decrease of \$105,000 has an absolute value of \$205,000 (\$100,000 + \$105,000, regardless of whether the amounts are plus or minus), which exceeds the simplified acquisition threshold.
