

15-7. Purchase Card Receiving Report (PCRR) Process

a. Wide Area Workflow must be utilized when making contract payments with the GPC per DFARS 232.7002, 232.7003, and 252.232-7003. The contractor must use WAWF to create the purchase card receiving report (PCRR) when the GPC is used as a method of payment. The CH provides the following information to the contractor to submit PCRR into WAWF:

1) Vendor Identifier: Vendor/Company Name

2) Payment Office: CRCARD

3) Ship to:

4) Inspect by:

5) Accept by:

6) Card Issuing Bank ID: 556862

b. The contractor then uses WAWF to create and submit the PCRR. Upon notification that the goods have been received, the Government acceptor accepts the PCRR in WAWF. The CH verifies that acceptance has occurred in PIII/WAWF and that the contracting officer has approved the invoice. The CH submits the invoice, receiving report, copy of the contract and modifications, and a current obligation/disbursement sheet to the BO for approval. After acceptance of the property in WAWF, data will flow to the Defense Manpower Data Center (DMDC) based on the Pay DoDAAC. Indicating "CRCARD" as the payment office prevents double obligation and data from entering the payment process.
