## 5301.404 Class Deviations

(b)(i) USD(A&S)/DPCAP is the approval authority for any class deviation described in  $\underline{DFARS}$   $\underline{201.402(1)}$ , class deviations from  $\underline{DFARS}$   $\underline{215.3}$ , and class deviations that meet the criteria in  $\underline{DFARS}$   $\underline{201.404(b)(ii)(A-D)}$ .

- (ii) The cognizant HCA is the approval authority for class deviations from  $\underline{FAR\ 15.3}$ ,  $\underline{DAFFARS}\ 5315.3$ , and  $\underline{MP5315.3}$ . Requests must be submitted through the SCO to the  $\underline{cognizant\ HCA}\ \underline{workflow}$  for approval.
- (iii) SCOs are authorized to approve class deviations except as restricted by paragraphs (i) and (ii) above or DPCAP directed data system requirements. Class deviation approval authority is not further delegable.
