5322.101-1 General

Contracting officers must involve the Regional Labor Advisors in all labor relation actions outlined in <u>FAR Part 22</u>, as required. <u>DAFI 64-106</u>, *Contractor Labor Relations Activities*, identifies the Regional Labor Advisors and their assigned geographical areas.

(e) See $\underline{MP5301.601(a)(i)}$ regarding authority to designate contracts requiring contractors to report actual or potential labor disputes to the contracting activity in addition to the following:

(i) Construction contracts in excess of the simplified acquisition threshold (SAT);

(ii) Service contracts in excess of the SAT; and,

(iii) Any contract that contains the clause at <u>FAR 52.222-1</u>, *Notice to the Government of Labor Disputes*, (e.g., mission critical services).
