5349.7001 Congressional Notification on Significant Contract Terminations

The contracting officer must submit the proposed Congressional notification through the SCO to $\underline{\text{cognizant HCA workflow}}$ at least five workdays before the proposed termination date. The cognizant HCA action officer will forward the information to $\underline{\text{SAF/LLW}}$. The contracting officer must not release the termination notice until Congress has been notified (see $\underline{\text{MP5349.7001 Congressional}}$ $\underline{\text{Notification on Significant Contract Terminations}}$).
