

522.406-8 Investigations.

(a) If a compliance check uncovers information of possible violations, the contracting officer shall consult with OGC and, if warranted, submit a request to the appropriate Office of the Inspector General Field Office under FAR 22.406-8(a).

(b) The contracting officer shall review [502.101](#), to determine who the agency head is for purposes of FAR 22.406-8(d).
