

752.204-2 Security requirements.

Link to an amendment published at 89 FR 4209, Jan. 23, 2024.

As prescribed in (48 CFR) AIDAR 704.404(a), when the clause in (48 CFR) FAR 52.204-2 is used in USAID contracts, paragraph (a) of the clause is revised as follows:

Security Requirements (FEB 1999)

Pursuant to the Foreign Affairs Manual, 12 FAM 540

(<http://www.state.gov/documents/organization/88404.pdf>), USAID applies the safeguards applicable to “Confidential” information to administratively controlled information designated as “Sensitive But Unclassified”. Therefore, when the clause in (48 CFR) FAR 52.204-2 is used in USAID contracts, pursuant to 704.404(a), paragraph (a) of the clause is revised as follows:

(a) This clause applies to the extent that this contract involves access to classified (‘Confidential’, ‘Secret’, or ‘Top Secret’), or administratively controlled (‘Sensitive But Unclassified’) information.
