

Appendix D to Chapter 7—Direct USAID Contracts With a U.S. Citizen or a U.S. Resident Alien for Personal Services Abroad

1. *General.* (a) *Purpose.* This appendix sets forth the authority, policy, and procedures under which USAID contracts with a U.S. citizen or U.S. resident alien for personal services abroad.

(b) *Definitions.*

(1) *Personal services contract (PSC)* means a contract that, by its express terms or as administered, make the contractor personnel appear, in effect, Government employees (see FAR 37.104).

(2) *Employer-employee relationship* means an employment relationship under a service contract with an individual which occurs when, as a result of the contract's terms or the manner of its administration during performance, the contractor is subject to the relatively continuous supervision and control of a Government officer or employee.

(3) *Non-person services contract* means a contract under which the personnel rendering the services are not subject either by the contract's terms or by the manner of its administration, to the supervision and control usually prevailing in relationships between the Government and its employees.

(4) *Independent contractor relationship* means a contract relationship in which the contractor is not subject to the supervision and control prevailing in relationships between the Government and its employees. Under this relationship, the Government does not normally supervise the performance of the work, control the days of the week or hours of the day in which it is to be performed, or the location of performance.

(5) *Resident hire* means a U.S. citizen who, at the time of hire as a PSC, resides in the cooperating country as a spouse or dependent of a U.S. citizen employed by a U.S. government agency or under any U.S. government-financed contract or agreement, or for reasons other than for employment with a U.S. government agency or under any U.S. government-financed contract or agreement. A U.S. citizen for purposes of this definition also includes persons who at the time of contracting are lawfully admitted permanent residents of the United States.

(6) *U.S. resident alien* means a non-U.S. citizen lawfully admitted for permanent residence in the United States.

(7) *Abroad* means outside the United States and its territories and possessions.

(8) *USAID direct-hire employees* means civilian employees appointed under USAID Handbook 25 procedures or superseding Automated Directive System (ADS) Chapters.

2. *Legal Basis.* (a) Section 635(b) of the Foreign Assistance Act of 1961, as amended (hereinafter referred to as the "FAA") provides the Agency's contracting authority.

(b) Section 636(a)(3) of the FAA (22 U.S.C. 2396(a)(3)) authorizes the Agency to enter into personal

services contracts with individuals for personal services abroad and provides further that such individuals “* * * shall not be regarded as employees of the U.S. Government for the purpose of any law administered by the Civil Service Commission.”¹

¹ The Civil Service Commission is now the Federal Office of Personnel Management.

3. *Applicability.* (a) This appendix applies to all personal services contracts with U.S. citizens or U.S. resident aliens to provide assistance abroad under Section 636(a)(3) of the FAA.

(b) This appendix does not apply to:

(1) Nonpersonal services contracts with U.S. citizens or U.S. resident aliens; such contracts are covered by the basic text of the FAR (48 CFR Chapter 1) and the AIDAR (48 CFR chapter 7).

(2) Personal services contracts with individual Cooperating Country Nationals (CCNs) or Third Country Nationals (TCNs). Such contracts are covered by Appendix J of this chapter.

(3) Other personal services arrangements covered by USAID Handbook 25—Employment and Promotion or superseding ADS Chapters.

(4) Interagency agreements (e.g., PASAs and RSSAs covered by ADS 306—Interagency Agreements.

4. *Policy.* (a) *General.* USAID may finance, with either program or operating expense (OE) funds, the cost of personal services contracts as part of the Agency's program of foreign assistance by entering into a direct contract with an individual U.S. citizen or U.S. resident alien for personal services abroad.

(1) *Program funds.* Under the authority of Section 635(h) of the FAA, program funds may be obligated for periods up to five years where necessary and appropriate to the accomplishment of the tasks involved.

(2) *Operating Expense Funds.* Pursuant to USAID budget policy, OE funded salaries and other recurrent cost items may be forward funded for a period of up to three (3) months beyond the fiscal year in which these funds were obligated. Non-recurring cost items may be forward funded for periods not to exceed twenty-four (24) months where necessary and appropriate to accomplishment of the work.²

² If there is a need, these contracts may be written for 5 years also but funded only as outlined in paragraph 4(a) of this appendix.

(b) *Limitations on Personal Services Contracts.*

(1) Personal services contracts may only be used when adequate supervision is available.

(2) Personal services contracts may be used for commercial activities. Commercial activities provide a product or service which could be obtained from a commercial source. See Attachment A of OMB Circular A-76 for a representative list of such activities.

(3) Notwithstanding any other provision of USAID directives, regulations or delegations, U.S. citizen personal services contractors (USPSCs) may be delegated or assigned any authority, duty or responsibility delegable to U.S. citizen direct-hire employees (USDH employees) except that:

- a. They may not supervise U.S. direct-hire employees of USAID or other U.S. Government agencies. They may supervise USPSCs and non-U.S. citizen employees.
- b. They may not be delegated authority to sign obligating or subobligating documents except when specifically designated as a contracting officer or an agreement officer in accordance with FAR subpart 1.6 and the Agency's applicable warrant program.
- c. They may represent the agency, except that communications that reflect a final policy, planning or budget decision of the agency must be cleared by a USDH employee.
- d. They may participate in personnel selection matters, but may not be delegated authority to make a final decision on personnel selection.
- e. Exceptions to the limitations in this paragraph (b)(3) must be approved by the Assistant Administrator for Management (AA/M).

(4) *Exceptions.* The Assistant Administrator, Bureau for Management (AA/M) must approve exceptions to the limitations in (b)(3). Approval of an exception by the AA/M is not required when the Director, Bureau for Management, Office of Acquisition and Assistance (M/OAA Director) designates a USPSC as a contracting officer or an agreement officer.

(c) Withholdings and Fringe Benefits.

(1) Personal services contractors (PSCs) are Government employees for purposes of the Internal Revenue Code (Title 26 of the United States Code) and are, therefore, subject to social security (FICA) and Federal income tax (FIT) withholdings. As employees, they are ineligible for the "foreign earned income" exclusion under the Internal Revenue Service (IRS) regulations (see 26 CFR 1.911-3(c)(3)).

(2) Personal services contractors are treated on par with other Government employees, except for programs based on any law administered by the Federal Office of Personnel Management (e.g., incentive awards, life insurance, health insurance, and retirement programs covered by 5 CFR Parts 530, 531, 831, 870, 871, and 890). While PSCs are ineligible to participate in any of these programs, the following fringe benefits are provided as a matter of policy:

- (i) The employer's FICA contribution for retirement purposes.
- (ii) A contribution against the actual cost of the PSC's annual health and life insurance costs. Proof of health and life insurance coverage and its actual cost to the PSC shall be submitted to the Contracting Officer before any contribution is made. (See also paragraph 4(c)(3) of this appendix.)

(A) The contribution for health insurance shall not exceed 50% of the actual cost to the PSC for his/her annual health insurance, or the maximum U.S. Government contribution for a direct-hire employee, as announced annually by the Office of Personnel Management, whichever is less. If the PSC is covered under a spouse's health insurance plan, where the spouse's employer pays some or all of the health insurance costs, the cost to the PSC for annual health insurance shall be considered to be zero.

(B) The contribution for life insurance shall be up to 50% of the actual annual costs to the PSC for life insurance, not to exceed \$500.00 per year.

- (iii) PSCs shall receive the same percentage pay comparability adjustment as U.S. Government employees subject to the availability of funds.

(iv) PSCs shall receive a 3% annual salary increase subject to satisfactory performance documented in their annual written evaluation. Such increase may not exceed 3% without a deviation. This 3% limitation also applies to extensions of the same service or negotiations for a new contract for the same or similar services unless a deviation has been approved.

(v) PSCs shall receive the following allowances and differentials provided in the State Department's Standardized Regulations (Government Civilians Foreign Areas) on the same basis as U.S. Government employees (except for U.S. resident hires, see paragraph 4(d) and Section 12, General Provisions, Clause 22, "U.S. Resident Hire Personal Services Contractors"):

(A) Temporary lodging allowance (Section 120), ³

³ Mission Directors may authorize per diem in lieu of these allowances.

(B) Living quarters allowance (Section 130), ³

(C) Post allowance (Section 220), ³

(D) Supplemental post allowance (Section 230), ³

(E) Separate maintenance allowance (Section 260), ⁴

⁴ These allowances are not authorized for short tours (i.e., less than a year).

(F) Education allowance (Section 270), ⁴

(G) Educational travel (Section 280), ⁴

(H) Post differential (Section 500),

(I) Payments during evacuation/authorized departure (Section 600), and

(J) Danger pay (Section 650).

(vi) Any allowance or differential that is not expressly stated in paragraph 4(c)(2)(v) is not authorized for any PSC unless a deviation is approved. The only exception is a consumables allowance if authorized for the post under Handbook 22 or superseding ADS Chapter.

(vii) Health room services may be provided in accordance with the clause of this contract entitled "Physical Fitness and Health Room Privileges."

(viii) PSCs are eligible to receive benefits for injury, disability, or death under the Federal Employees' Compensation Act since the law is administered by the Department of Labor not the Office of Personnel Management.

(ix) PSCs are eligible to earn four hours of annual leave and four hours of sick leave for each two week period. However, PSCs with previous service are eligible to earn annual leave in accordance with the "Leave and Holidays" General Provision contract clause in section 12 of this appendix.

(3) A PSC who is a spouse of a current or retired Civil Service, Foreign Service, or Military Service member and who is covered by their spouse's Government health or life insurance policy is ineligible for the contribution under paragraph 4(c)(2)(ii) of this appendix.

(4) Retired U.S. Government employees shall not be paid additional contributions for health or life

insurance under their contract (since the Government will normally have already paid its contribution for the retiree) unless the employee can prove to the satisfaction of the Contracting Officer that his/her health and life insurance does not provide or specifically excludes coverage overseas. If coverage overseas is excluded, then eligibility as cited in paragraph 4(c)(3) applies.

(5) Retired U.S. Government employees may be awarded Personal Services Contracts without any reduction in or offset against their Government annuity.

(d) *U.S. Resident Hire Personal Services Contractors.* U.S. resident-hire PSCs are not eligible for any fringe benefits (except contributions for FICA, health insurance, and life insurance), including differentials and allowances unless such individuals can demonstrate to the satisfaction of the Contracting Officer that they have received similar benefits and allowances from their immediately previous employer in the cooperating country, or the Mission Director may determine that payment of such benefits would be consistent with the Mission's policy and practice and would be in the best interests of the U.S. Government.

(e) *Determining salary for personal services contractors.*

(1) There are two separate and distinct methods of establishing a salary for personal services contractors. Use of method number 1 is required unless justified and approved as provided for in paragraph (e)(1)(ii).

(i) *Method 1:* Salaries for Personal Services Contractors shall be established based on the market value in the United States of the position being recruited for. This requires the Contracting Officer in coordination with the Technical Officer to determine the correct market value (a salary range) of the position to be filled. This method is required in establishing salary for all PSCs unless method 2 is authorized as provided for in paragraph (e)(1)(ii). Contract Information Bulletin (CIB) 96-8 dated February 23, 1996 provides a guide which contains information concerning Preparation of Scopes of Work, Determination of Salary Class Grade, Salary Class Bench Marks and Salary Class Review. The market value of the position then becomes the basis along with the applicants' certified salary history on the SF 171, "Personal Qualifications Statement" for salary negotiations by the Contracting Officer. The SF 171 must be retained in the permanent contract file. Any position which is determined to be above the GS-13 equivalent and exceeds six months in duration must be classified by M/HR/POD. The crucial point is the establishment of a realistic and reasonable market value for a job. The final determination regarding the reasonableness of a salary level rests with the Contracting Officer. Paying salaries using this method avoids "rank in person" salaries which are in excess of the value of the job being contracted for.

(ii) *Method 2:* If approved in writing by the Mission Director or the cognizant Assistant Administrator, based on written justification, salary may be negotiated based on the applicant's current earnings adjusted in accordance with the factors set out in paragraphs (e)(1)(ii)

(A) through (C). This approval requirement cannot be redelegated. Current earnings must be certified by the contractor on the SF 171, (see paragraph 6(b)(3) of this appendix). This is guidance for establishing initial salaries, not subsequent increases, for the same contractor performing the same function.

(A) As a rule, up to a 3 percent increase above current earnings may be given. However, a 3 percent increase is awarded only to a PSC whose earnings are based on a period of twelve months or more; 2 percent for established earnings of less than twelve months but not less than four months; or 1 percent for established earnings during the past four months.

(B) Additional percentages may be given for the following factors. If a PSC has worked in a developing country for more than two years, an additional 1 percent may be awarded. Education related to the area of specialization and above the minimum qualification required may warrant an additional 1 percent, and those specialties for which there is keen competition in the employment market or a serious shortage category nationwide may be awarded an additional 2 percent. In addition, related technical experience over 5 years may increase the percentage by 1 and over ten years by 3.

(C) All requests for an initial rate of pay above 10 percent over current earnings must be approved in writing by the appropriate Assistant Administrator or Mission Director. Current earnings are actual earnings for work reasonably related to the position for which the applicant is being considered. Paragraphs 4(e)(1)(ii) (A) through (C) apply only to salary setting method number 2 in paragraph 4 (e)(1)(ii).

(2) When an applicant has no current earnings history (e.g., a person returning to the workforce after an absence of a number of years) or when an applicant's current earnings history doesn't accurately reflect the applicant's job market worth (e.g., a Peace Corps volunteer), every effort should be made to establish a market value for the position as a basis for negotiation, notwithstanding the lack of a current earnings history, provided that the applicant has the full qualifications for the job and could command a similar salary in the open job market.

(3) This appendix applies the "USAID Contractor Salary Threshold (USAID CST)" policy in Automated Directives System (ADS) Chapter 302.3.6.8 to salaries for U.S. PSCs. Salaries in excess of the USAID CST, which is equivalent to the maximum rate for Federal agencies without a certified SES performance appraisal system, must be approved by the M/OAA Director in accordance with the approval procedures in ADS 302.3.6.8(e). This approval cannot be re-delegated.

(f) *Incentive awards.* U.S. personal services contractors are not eligible to participate in, or be funded under, the incentive-awards program administered by the Office of Personnel Management (OPM) for USAID U.S. direct-hire employees in accordance with section 636(a) of the Foreign Assistance Act of 1961, as amended. U.S. personal services contractors are eligible to receive certain monetary and non-monetary incentive awards as authorized under this section. All nominations for incentive awards must be approved by a U.S. direct-hire employee, who is either the contractor's supervisor or is at the next higher level within the Mission/Bureau/Independent Office (M/B/IO). The list of incentive awards and detailed eligibility, nomination, and approval processes are specified in internal Agency policies in Chapter 309 of Automated Directive System (ADS), available on the USAID website. These awards will be funded from the authorizations used to fund the specific contract.

(g) *Annual salary increase.* PSC contracts written for more than one year should provide for a 3% annual increase based on satisfactory performance documented in their annual written evaluations.

(h) *Pay comparability adjustment.* PSCs shall receive the same percentage pay comparability adjustment as that received by U.S. Government employees subject to the availability of funds.

(i) *Subcontracting.* PSCs are U.S. Government employees and may not be called upon (or permitted) to subcontract out any part of their work. Funds for subcontracting have no place in the budget of a personal services contract. Support services, equipment, and supplies (e.g., typing and report preparation, paper, pens, computers, and furniture) should be furnished to PSCs just as they would be to direct-hire employees. To the extent that direct-hire personnel may be authorized to purchase supporting services or supplies under a travel authorization, so may PSCs; otherwise, contracts for personal services should not contain any funds for procurement.

5. *Soliciting for Personal Services Contracts.* (a) *Technical Officer's responsibilities.* The Technical Officer will prepare a written detailed statement of duties and a statement of minimum qualifications to cover the position being recruited for. The statement shall be included in the procurement request (the Acquisition & Assistance Request Document) e.g., the request shall also include the following additional information as a minimum:

- (1) The specific foreign location(s) where the work is to be performed, including any travel requirements (with an estimate of frequency);
- (2) The length of the contract, with beginning and ending dates, plus any options for renewal or extension;
- (3) The basic education, training, experience, and skills required for the position;
- (4) An estimate of what a comparable GS/FS equivalent position should cost, including basic salary, allowances, and differentials, if appropriate; and
- (5) A list of Government or host country furnished items (e.g., housing).

(b) *Contracting Officer's responsibilities.*

(1) The Contracting Officer will prepare the solicitation for personal services which shall contain:

- (i) Three sets of SF 171s and SF 171As. (Upon receipt, one copy of each SF 171 and SF 171A shall be forwarded to the Project Officer.)
- (ii) A detailed statement of duties or a completed position description for the position being recruited for.
- (iii) A copy of the prescribed contract Cover Page, Contract Schedule, General Provisions as appropriate, as well as the FAR Clauses to be incorporated in full text and by reference.
- (iv) A copy of the USAID General Notice entitled "Employee Review of the New Standards of Conduct".

(2) The Contracting Officer shall comply with the requirements of (48 CFR) AIDAR 706.302-70(c) as detailed in paragraph 5(c) except those recruited from the U.S.

(c) *Competition.*

(1) Under (48 CFR) AIDAR 706.302-70(b)(1), Personal Services Contracts (except those recruited from the U.S.) are exempt from the requirements for full and open competition with two limitations that must be observed by Contracting Officers:

- (i) Offers are to be requested from as many potential offerors as is practicable under the circumstances, and
- (ii) A justification supporting less than full and open competition must be prepared in accordance with FAR 6.303.

(2) *PSCs with Untied States citizens or resident aliens recruited from outside the cooperating country.* Solicitations for PSCs recruited outside the cooperating country must be publicized via the Agency's External Home Page on the Internet under the caption "Business & Procurement, USAID

Procurements.” Instructions regarding how to access the External Internet and the information to be provided have been approved and included in a CIB. A justification under FAR 6.303 is not required when this procedure is followed.

(3) A class justification was approved by the USAID Procurement Executive to satisfy the requirements of (48 CFR) AIDAR 706.302-70(c)(2) for a justification in accordance with FAR 6.303. This class justification for Personal Services Contracts with U.S. Citizens may only be used for those who are recruited locally subject to the following conditions:

(i) The position was publicized locally in accordance with established Mission policy or procedure, or the procedures in paragraph 5(c)(ii) was followed;

(ii) As an alternative to the procedures in paragraphs 5(c) (i) and (ii), at least 3 individuals were considered by consulting source lists (e.g., applications or resumes on hand) or conducting other informal solicitation.

(iii) Extensions or renewals with the same individual for continuing services do not need to be publicized.

(iv) A copy of the class justification (which was distributed to all USAID Contracting Officers via Contract Information Bulletin) must be included in the contract file, together with a written statement, signed by the Contracting Officer, that the contract is being awarded pursuant to (48 CFR) AIDAR 706.302-70(b)(1); that the conditions for use of this class justification have been met; and that the cost of the contract is fair and reasonable.

(4) If the appropriate competitive procedure in paragraph 5(3) is not followed, the Contracting Officer must prepare a separate justification as required under (48 CFR) AIDAR 706.302-70(c)(2).

(5) Since the award of a Personal Services Contract is based on technical qualifications, not price, and since the SF 171, “Personal Qualifications Statement”, and SF 171A, “Continuation Sheet for Standard Form 171”, are used to solicit for such contracts, FAR subparts 15.4 and 15.5 and FAR parts 52 and 53 are inappropriate and shall not be used. Instead, the solicitation and selection procedures outlined in this Appendix shall govern.

6. *Negotiating a Personal Services Contract.* Negotiating a Personal Services Contract is significantly different from negotiating a nonpersonal services contract because it establishes an employer-employee relationship; therefore, the selection procedures are more akin to the personnel selection procedures.

(a) *Technical Officer's responsibilities.* The Technical Officer shall be responsible for reviewing and evaluating the applications (i.e., SF 171s) received in response to the solicitation issued by the Contracting Officer. If deemed appropriate, interviews may be conducted with the applicants before the final selection is submitted to the Contracting Officer.

(b) *Contracting Officer's responsibilities.*

(1) The Contracting Officer shall forward a copy of each SF 171 received under the solicitation to the Project Officer for evaluation.

(2) On receipt of the Technical Officer's recommendation, the Contracting Officer shall conduct negotiations with the recommended applicant. Normally, the Contracting Officer shall negotiate only the salary (see the salary setting coverage in paragraph 4(e) of this Appendix). The terms and conditions of the contract, including differentials and allowances, are not negotiable or waivable

without a properly approved deviation (see (48 CFR) AIDAR 701.470). If the Contracting Officer can negotiate a salary that is fair and reasonable, then the award shall be made.

(3) The Contracting Officer shall use the certified salary history on the SF 171 as the basis for salary negotiations, along with the market value of the position being recruited for (unless approval not to use market value has been granted under paragraph 4(e)(1)(ii)), and the Technical Officer's cost estimate.

(4) The Contracting Officer will obtain two copies of IRS Form W-4, "Employee's Withholding Allowance Certificate", from the successful applicant. (Upon receipt, the Contracting Officer will forward one copy of the W-4 to the Office of the Controller.)

(5) Security clearance is required for all U.S. citizens entering into USAID PSCs. The Contracting Officer will obtain four sets of SF 86, "Security Investigation Data for Sensitive Position", from the successful applicant and forward them to the Office of Security. PSCs may receive a preliminary clearance and be placed under contract prior to receipt of clearance provided the appropriate paper work has been completed, reviewed by IG/SEC/PSI and acknowledged as a "no objection" to the appropriate Mission. See General Provision 24 in section 12 of this appendix.

7. Executing a Personal Services Contract. Contracting Officers or Heads of Contracting Activities, whether USAID/W or Mission, may execute Personal Services Contracts, provided that the amount of the contract does not exceed the contracting authority that has been redelegated to them. In executing a Personal Services Contract, the Contracting Officer is responsible for insuring that:

(a) The proposed contract is within his/her delegated authority;

(b) A Request Number covering the proposed contract has been received;

(c) The position has been classified by either the Mission or M/HR/POD (see CIB 96-8) and the classification is in the contract file;

(d) The proposed Statement of Duties is contractible, contains a statement of minimum qualifications from the technical office requesting the services, and is suitable to the use of a Personal Services Contract in that:

(1) Performance of the proposed work requires or is best suited for an employer-employee relationship, and is thus not suited to the use of a non-personal services contract;

(2) The Statement of Duties does not require performance of any function normally reserved for Federal employees (see paragraph 4(b) of this Appendix); and

(3) There is no apparent conflict of interest involved (if the Contracting Officer believes that a conflict of interest may exist, the question should be referred to the cognizant legal counsel);

(e) Selection of the contractor is documented and justified. (48 CFR) AIDAR 706.302-70(b)

(1) provides an exception to the requirement for full and open competition for Personal Services Contracts abroad (see paragraph 5(c) of this appendix);

(f) The standard contract format prescribed for Personal Services Contracts (Sections 10, 11, 12 and 13 to this appendix) is used; or that any necessary deviations are processed as required by (48 CFR) AIDAR 701.470.

(Note: The prescribed contract format is designed for use with contractors who are residing in the U.S. when hired. If the contract is with a U.S. citizen residing in the cooperating country when hired, contract provisions governing physical fitness and travel/transportation expenses, and home leave, allowances, and orientation should be suitably modified (see paragraph 4(d) of this appendix)).

These modifications are not considered deviations subject to (48 CFR) AIDAR 701.470. (Justification and explanation of these modifications is to be included in the contract file);

(g) Orientation is arranged in accordance with General Provision 23 in section 12 of this appendix;

(h) The contractor has submitted the names, addresses, and telephone numbers of at least two persons who may be notified in the event of an emergency (this information is to be retained in the contract file);

(i) The contract is complete and correct and all information required on the contract Cover Page (USAID Form 1420-36A) has been entered;

(j) The contract has been signed by the Contracting Office and the contractor, and fully executed copies are properly distributed;

(k) The following clearances, approvals and forms have been obtained, properly completed, and placed in the contract file before the contract is signed by both parties;

(1) Evidence of job classification in the file by the Mission except for grade equivalents above GS-13. For those positions with grade equivalent above GS-13, evidence of job classification done by M/HR/POD;

(2) Security clearance, including the completed SF 86, to the extent required by USAID Handbook 6, Security or superseding ADS Chapter, (see General Provisions 14 and 24 in section 12 of this appendix);

(3) Mission, host country, Human Resources Office, and technical office clearance, as appropriate;

(4) Medical examinations and certifications as required by the contract general provision entitled "Physical Fitness and Health Room Privileges";

(5) One original executed IRS Form W-4 entitled "Employee's Withholding Allowance Certificate", and one copy, shall be obtained. The original shall be sent to the Controller of the paying office and one shall be placed in the contract file;

(6) Evidence of DAA/HR clearance that the position may be filled by PSC.

(7) The approval for any salary in excess of the "USAID Contractor Salary Threshold (USAID CST)", which is equivalent to the maximum rate for Federal agencies without a certified SES performance appraisal system, in accordance with approval procedures in ADS 302.3.6.8(e) as required in Section 4.(e)(3);

(8) A copy of the class justification or other appropriate explanation and support required by (48 CFR) AIDAR 706.302-70, if applicable;

(9) Any deviation to the policy or procedures of this appendix, processed and approved under (48 CFR) AIDAR 701.470;

(10) A fully executed SF 171, and a copy of the position classification, and approved deviation, if appropriate;

(11) The Memorandum of Negotiation; and

(12) The Contracting Officer's signed certification that competition requirements have been satisfied as described in paragraph 5(c) of the policy text of this Appendix. The certification shall be a part of the Memorandum of Negotiations.

(l) Funds for the contract are properly obligated to preclude violation of the Anti-Deficiency Act, 31 U.S.C. 1341 (the Contracting Officer ensures that the contract has been properly recorded by the appropriate accounting office prior to its release for the signature of the selected contractor);

(m) The contractor receives and understands the USAID General Notice entitled "Employee Review of the New Standards of Conduct" and a copy is attached to each contract as provided for in paragraph (c) of General Provision 1, section 12;

(n) Agency conflict of interest requirements as set out in the General Notice "Employee Review of the New Standards of Conduct" are met by the contractor prior to his/her reporting for duty;

(o) A copy of a Checklist for Personal Services contractors which may be in the format set out in this section or another format convenient for the Contracting Officer, provided that a memorandum containing all of the information described in this section 7 shall be prepared for each PSC and placed in the contract file;

(p) The contractor understands that he/she is an employee of the United States for purposes of the Foreign Assistance Act of 1961, as amended, and the Internal Revenue Code (Title 26 of the United States Code). This subjects the employee to withholding for both FICA and Federal Income Tax and precludes the employee from receiving the Federal Earned Income Tax exclusion of 26 U.S.C. Section 911. See Special Note on the Cover Page of USAID Form 1420-36.

(q) The contractor also understands that he/she may commence work prior to the completion of the security clearance. However, until such time as clearance is received, the contractor may not have access to classified or administratively controlled materials. Failure to obtain clearances will constitute cause for termination.

8. *Post Audit.* The Inspector General, or his/her designee, audits the Personal Services Contracts of all contracting activities for the purpose of ensuring conformance to applicable policy and regulations.

9. *Contracting Format.* The prescribed Contract Cover Page, Contract Schedule, General Provisions, and appropriate Federal Acquisition Regulations (FAR) clauses for Personal Services Contracts covered by this appendix are included as follows:

10. *Form USAID 1420-36, "Cover Page" and "Schedule".*

11. *Optional Schedule With a U.S. Citizen or U.S. Resident Alien.*

12. *General Provisions.*

13. *FAR Clauses to be Incorporated in Full Text in Personal Services Contracts.*

14. *FAR Clauses to be incorporated by reference in Personal Services Contracts.*

10. Form USAID 1420-36, "Cover Page" and "Schedule".

Further, the adjusted compensation may not exceed the annual "USAID Contractor Salary Threshold (USAID CST)", which is equivalent to the maximum rate for agencies without a certified SES performance appraisal system (or the equivalent hourly rate).

5. Leave and Holidays

[Insert the following clause in all USPSC contracts.]

Leave and Holidays (NOV 2020)

(a) *Annual Leave.*

(1) The contractor may accrue annual leave at the rate specified in paragraph (a)(2) of this clause as follows:

(i) If the contract period of performance is ninety (90) calendar days or more, and the contractor's performance is continuous for the contract period of performance, the contractor is entitled to

accrue annual leave as of the start date of the contract.

(ii) If the contract period of performance is ninety (90) calendar days or more, and the contractor's performance is not continuous during the contract period of performance, the contractor is entitled to accrue annual leave only for each instance of continuous performance of ninety (90) calendar days or more.

(iii) If the contract period of performance is less than ninety (90) calendar days, the contractor is not entitled to accrue annual leave.

(2) The rate at which the contractor will accrue annual leave is based on the contractor's time in service according to the table of this paragraph (a)(2). The accrual rates are based on a full-time, 40-hour workweek, which will be prorated if the contract provides for a shorter workweek:

Time in service	Annual leave (AL) accrual rate
0 to 3 years	4 hours of leave for each 2-week period.
over 3, and up to 15 years	6 hours of AL for each 2-week period (including 10 hours AL for the final pay period of a calendar year).
over 15 years	8 hours of AL for each 2-week period.

(i) USAID will calculate the time in service based on all the previous service performed by the contractor as—:

(A) An individual personal services contractor with USAID for any duration covered by Sec. 636(a)(3) of the FAA or other statutory authority applicable to USAID; and/or

(B) A former U.S. Government (USG) direct-hire civilian employee; and/or

(C) An honorable active duty member of the uniformed services based on the definition in 5 U.S.C. 2101(3).

(ii) In addition to the information certified by the contractor in their Offeror Information form, the contracting officer may require the contractor to furnish copies of previously executed contracts, and/or other evidence of previous service (*e.g.*, SF 50, DD Form 214 or 215) to conduct the due diligence necessary to verify creditable previous service.

(3) Annual Leave is provided under this contract primarily for the purposes of providing the contractor necessary rest and recreation during the period of performance. The contractor, in consultation with the Supervisor, must develop an annual leave schedule early in the period of performance, taking into consideration the requirements of the position, the contractor's preference, and other factors. The maximum amount of annual leave that the contractor can carry over from one leave year to the next is limited to 240 hours. The contractor's unused annual leave balance in excess of the 240 hour maximum at the end of the last pay period of each leave year will be forfeited, unless the requirements of the position precluded the contractor from taking such leave. The contractor may be authorized to restore annual leave for exceptional circumstances beyond the control of the contractor. The restoration of annual leave may be approved only by the USAID

Administrator, cognizant Assistant Administrator or Head of an Independent Office reporting directly to the USAID Administrator, and cannot be delegated further. Annual leave restored must be scheduled and used no later than the earlier of either—

(i) The end of the leave year two years after the date fixed by the approving official as the termination date of the exceptional circumstances beyond the contractor's control, which resulted in the forfeiture; or

(ii) The end of the contract.

(4) The contractor must use all accrued annual leave during the period of performance. At the end of the contract, the contractor will forfeit any unused annual leave except where the requirements of the position precluded the contractor from taking annual leave. In this case, the contracting officer may authorize the following:

(i) The contractor to take annual leave during the concluding weeks of the contract, not to exceed the period of performance; or

(ii) Payment of a lump-sum for annual leave not taken based on a signed, written determination and findings (D&F) from the contractor's supervisor. The D&F must set out the facts and circumstances that prevented the contractor from taking annual leave, and the contracting officer must find that the contractor did not cause, or have the ability to control, such facts and circumstances. This lump-sum payment must not exceed the number of days the contractor could have accrued during a twelve (12)-month period based on the contractor's accrual rate.

(5) The contractor may be granted advanced annual leave by the contracting officer when circumstances warrant. Advanced leave must be approved by the Mission Director, cognizant Assistant Administrator, or Head of an Independent Office reporting directly to the Administrator, as appropriate. In no case may the contracting officer grant advanced annual leave in excess of the amount the contractor can accrue in a twelve (12)-month period or over the life of the contract, whichever is less. At the end of the period of performance or at termination, the contractor must reimburse USAID for any outstanding balance of advanced annual leave provided to the contractor under the contract.

(b) *Sick Leave*. The contractor may use sick leave on the same basis and for the same purposes as USAID direct-hire employees. The contractor will accrue sick leave at a rate not to exceed four (4) hours every two (2) weeks for a maximum of thirteen (13) work-days per year based on a full-time, 40-hour workweek, and the rate of accrual will be prorated if the contract provides for a shorter workweek. The contractor may carry over unused sick leave from year to year under the same contract, and to a new follow-on contract for the same work at the same place of performance. The contractor is not authorized to carry over sick leave to a new contract for a different position or at a different location. The contractor will not be compensated for unused sick leave at the completion of this contract.

(c) *Home Leave*.

(1) The contractor may be granted home leave to be taken only in the U.S., its commonwealth, possessions, or territories, in one continuous period, under the following conditions:

(i) The contractor must complete twenty-four (24) continuous months of service abroad under this contract, and must not have taken more than thirty (30) workdays leave (annual, sick, or LWOP) in the U.S., its commonwealths, possessions, or territories. The required service abroad will include the actual days in orientation in the U.S. (excluding any language training), travel time by the most

direct route, and actual days abroad beginning on the date of arrival in the cooperating country. Any annual and sick leave taken abroad, excluding leave without pay (LWOP), will count toward the period of service abroad. Any days of annual and sick leave taken in the U.S., its commonwealths, possessions, or territories will not be counted toward the required twenty-four (24) months of service abroad.

(ii) The contractor must agree to return immediately after completing home leave to continue performance for an additional—

(A) Two (2) years, or

(B) Not less than one

(1) year, if approved in writing by the Mission Director before the contractor departs on home leave.

(iii) If the contractor agrees to meet the conditions in paragraph (c)(1)(ii) of this clause above by returning to the same USAID Mission under this contract or a new contract, the contractor may be granted thirty (30) workdays of home leave.

(iv) If the contractor agrees to meet the continued performance conditions of paragraph (c)(1)(ii) of this clause and will be relocating to a different USAID Mission under a new USAID personal services contract immediately following the completion of home leave, the contractor may be granted twenty (20) workdays of home leave. USAID will provide the contractor these twenty days of home leave under this contract, not under the new contract.

(v) If home leave eligibility is based on paragraph (c)(1)(iv) of this clause, prior to departure on home leave, the contractor must submit to the contracting officer at the current Mission, a copy of the new contract with a special award condition in the contract Schedule indicating the contractor's obligation to fulfill the commitment for continued performance in accordance with paragraph (c)(1)(ii) of this clause.

(2) Notwithstanding the requirements in paragraph (c)(1) of this clause, the contractor may be granted advanced home leave subject to all of the following conditions:

(i) Granting of advanced home leave would serve in each case to advance the attainment of the objectives of this contract; and

(ii) The contractor has served at least eighteen (18) months abroad, as defined in paragraph (c)(4) of this clause, at the same USAID Mission under this contract, and has not taken more than 30 work days leave (annual, sick or LWOP) in the U.S.; and

(iii) The contractor agrees to return immediately to the same Mission to complete the time remaining to meet the twenty-four (24) month period of service required for home leave, which begins after the contractor returns from home leave, plus an additional—

(A) Two (2) years, or

(B) Not less than one

(1) year, if approved by the Mission Director, under the current contract, or under a new contract for the same or similar services at the same Mission, before the contractor departs on home leave.

(3)

(i) Home leave must be taken only in the U.S., its commonwealths, possessions, or territories. Any days spent in any other location will be charged to annual leave, or if the contractor does not have accrued annual leave to cover these days, the contractor will be placed on LWOP.

(ii) Travel time by the most direct route is authorized in addition to the home leave authorized under this "Leave and Holidays" clause. Salary during travel to and from the U.S. for home leave will be limited to the time required for travel by the most direct and expeditious route. Additional home leave travel requirements are included in the "Travel and Transportation Expenses" clause of this contract.

(iii) Except for reasons beyond the contractor's control as determined by the contracting officer, the contractor must return abroad immediately after home leave to fulfill the additional required continued performance of services for any home leave provided under this contract, or else the contractor must reimburse USAID for the salary and benefits costs of home leave, travel and transportation, and any other payments related to home leave.

(iv) Unused home leave is not reimbursable under this contract.

(4) The contracting officer may authorize the contractor to spend no more than five (5) days in work status for consultation at USAID/Washington while on home leave in the U.S., before returning abroad. Consultation in excess of five (5) days or at locations other than USAID/Washington must be approved in advance by the Mission Director or the contracting officer.

(d) *Home Leave for Qualifying Posts.*

(1) If the contractor ordinarily qualifies for home leave and has completed a 12-month period at one of the USAID qualifying Missions, as announced by the Department of State or USAID, the contractor is entitled to ten (10) workdays of home leave in addition to the home leave the contractor is normally entitled to in accordance with paragraph (c) of this "Leave and Holidays" clause.

(2) There is no requirement that an eligible contractor take this additional home leave for qualifying Missions; it is for use at the contractor's option. If the contractor is eligible and elects to take such home leave, the contractor must take all ten (10) workdays at one time in the U.S. under the conditions described in paragraphs (c)(3) and (c)(4) of this clause. If the contractor is returning to the U.S. and not returning abroad to the same or different USAID Mission, the contractor is not eligible for home leave for qualifying Missions, and this paragraph (d) will not apply.

(e) *Holidays and Administrative Leave.* The contractor is entitled to all holidays and administrative leave granted by USAID to U.S. direct-hire employees as announced by the Agency or Mission.

(f) *Military Leave.* Military leave of not more than fifteen (15) calendar days in any calendar year may be granted to the contractor who is a reservist of the U.S. Armed Forces, provided that the military leave has been approved, in advance, by the contracting officer or the Mission Director. A copy of the contractor's official orders and the contracting officer or Mission Director approval will be part of the contract file.

(g) *Leave Without Pay (LWOP).* The contractor may be granted LWOP only with the written approval of the contracting officer or Mission Director, unless a such leave is requested for family and medical leave purposes under paragraph (i) of this clause.

(h) *Compensatory Time.* USAID may grant compensatory time off only with the written approval of the contracting officer or Mission Director in rare instances when it has been determined absolutely

essential and under the policies that apply to USAID U.S. direct-hire employees. The contractor may use earned compensatory time off in accordance with policies that apply to USAID direct-hire employees

(i) *Family and Medical Leave.* (1) USAID provides family and medical leave for eligible USPSCs working within the U.S., or any territories or possession of the U.S., in accordance with Title I of the Family and Medical Leave Act of 1993, as amended (FMLA), and as administered by the Department of Labor under 29 CFR 825. USAID also provides family and medical leave to eligible USPSCs working outside the U.S., or any territories or possession of the U.S., in accordance with this paragraph

(i) outside the provisions of Title I of the FMLA as a matter of policy discretion.

(2) Family and medical leave only applies to USPSCs, not any other type of PSC.

(3) In accordance with 29 CFR 825.110, to be eligible for family and medical leave, the contractor must have performed services for —

(i) At least twelve (12) months with USAID; and

(ii) At least 1,250 hours with USAID during the previous 12-month period.

(4) In accordance with 29 CFR 825.200(a), and USAID's internal policies available in Automated Directive System Chapter 309 (ADS 309), an eligible contractor may take up to twelve (12) workweeks of leave under FMLA, Title I, in any 12-month period for the reasons specified in 29 CFR 825.112.

(5) In accordance with 29 CFR 825.207, the contractor may take LWOP for family and medical leave purposes. However, the contractor may choose to substitute LWOP with accrued annual or sick leave earned under the terms of this contract. If the contractor does not choose to substitute accrued paid leave, the contracting officer, in consultation with the contractor's supervisor, may require the contractor to substitute accrued paid leave for LWOP. The CO must obtain the required certifications for approval of family medical leave in accordance with USAID policy. The contractor must notify the contractor's Supervisor of the intent to substitute paid leave for LWOP prior to the date such paid leave commences. After having invoked the entitlement to family and medical leave and taking LWOP for that purpose, the contractor cannot retroactively substitute paid leave for the LWOP already taken under family and medical leave.

(6) Family medical leave is not authorized for any period beyond the completion date of this contract.

(7) When requesting family medical leave, the contractor must submit the relevant leave request in writing, including certifications and other supporting documents required by 29 CFR 825 and USAID policy in ADS 309.

(8) The U.S. Department of Labor's (DOL's) Wage and Hour Division (WHD) Publication 1420 explains the FMLA's provisions and provides information concerning procedures for filing complaints for violations of the Act.

(j) *Leave Records.* The contractor must maintain their current leave records and make them available as requested by the Mission Director or the contracting officer.

6. Differentials and Allowances (NOV 2020)

(a) The following differential and allowances will be granted to the contractor and his/her authorized dependents to the same extent and on the same basis as they are granted to U.S. citizen direct-hire employees at the Mission by the Standardized Regulations (Government Civilians, Foreign Areas), as from time to time amended, except as noted to the contrary below:

Applicable Reference to Standardized Regulations

(1) Post Differential	Chapter 500 and Tables in Chapter 900.
(2) Living Quarters Allowance	Section 130.
(3) Temporary Lodging Allowance	Section 120.
(4) Post Allowance	Section 220.
(5) Supplemental Post Allowance	Section 230.
(6) Payments During Evacuation	Section 600.
(7) Education Allowance	Section 270.
(8) Separate Maintenance Allowance	Section 260.
(9) Danger Pay Allowance	Section 650.
(10) Education Travel	Section 280.

(1) *Post differential*. Post differential is an additional compensation for service at places in foreign areas where conditions of environment differ substantially from conditions of environment in the continental United States and warrant additional compensation as a recruitment and retention incentive. In areas where post differential is paid to USAID direct-hire employees, post differential not to exceed the percentage of salary as is provided such USAID employees in accordance with the Standardized Regulations (Government Civilians, Foreign Areas) Chapter 500 (except the limitation contained in Section 552, "Ceiling on Payment") Tables—Chapter 900, as from time to time amended, will be reimbursable hereunder for employees in respect to amounts earned during the time such employees actually spend overseas on work under this contract. When such post differential is provided to the contractor, it shall be payable beginning on the date of arrival at the post of assignment and continue, including periods away from post on official business, until the close of business on the day of departure from post of assignment enroute to the United States. Sick or annual leave taken at or away from the post of assignment will not interrupt the continuity of the assignment or require a discontinuance of such post differential payments, provided such leave is not taken within the United States or the territories of the United States. Post differential will not be payable while the employee is away from his/her post of assignment for purposes of home leave. Short-term employees shall be entitled to pose differential beginning with the forty-third (43rd) day

at post.

(2) *Living quarters allowance.* Living quarters allowance is an allowance granted to reimburse an employee for substantially all of his/her cost for either temporary or residence quarters whenever Government-owned or Government-rented quarters are not provided to him/her at his/her post without charge. Such costs are those incurred for temporary lodging (temporary lodging allowance) or one unit of residence quarters (living quarters allowance) and include rent, plus any costs not included therein for heat, light, fuel, gas, electricity and water. The temporary lodging allowance and the living quarters allowance are never both payable to an employee for the same period of time. The contractor will receive living quarters allowance for payment of rent and utilities if such facilities are not supplied. Such allowance shall not exceed the amount paid USAID employees of equivalent rank in the Cooperating Country, in accordance with either the Standardized Regulations (Government Civilians, Foreign Areas), Chapter 130, as from time to time amended, or other rates approved by the Mission Director. Subject to the written approval of the Mission Director, short-term employees may be paid per diem (in lieu of living quarters allowance) at rates prescribed by the Federal Travel Regulations, as from time to time amended, during the time such short-term employees spend at posts of duty in the Cooperating Country under this contract. In authorizing such per diem rates, the Mission Director shall consider the particular circumstances involved with respect to each such short-term employee including the extent to which meals and/or lodging may be made available without charge or at nominal cost by an agency of the United States Government or of the Cooperating Government, and similar factors.

(3) *Temporary lodging allowance.* Temporary lodging allowance is a quarters allowance granted to an employee for the reasonable cost of temporary quarters incurred by the employee and his/her family for a period not in excess of

(i) three months after first arrival at a new post in a foreign area or a period ending with the occupation of residence (permanent) quarters, if earlier, and (ii) one month immediately preceding final departure from the post subsequent to the necessary vacating of residence quarters. The contractor will receive temporary lodging allowance for himself/herself and authorized dependents, in lieu of living quarters allowance, not to exceed the amount set forth in the Standardized Regulations (Government Civilians, Foreign Areas), Chapter 120, as from time to time amended.

(4) *Post allowance.* Post allowance is a cost-of-living allowance granted to an employee officially stationed at a post where the cost of living, exclusive of quarters cost, is substantially higher than in Washington, DC. The contractor will receive post allowance payments not to exceed those paid USAID employees in the Cooperating Country, in accordance with the Standardized Regulations (Government Civilians, Foreign Areas), Chapter 220, as from time to time amended.

(5) *Supplemental post allowance.* Supplemental post allowance is a form of post allowance granted to an employee at his/her post when it is determined that assistance is necessary to defray extraordinary subsistence costs. The contractor will receive supplemental post allowance payments not to exceed the amount set forth in the Standardized Regulations (Government Civilians, Foreign Areas), Chapter 230, as from time to time amended.

(6) *Payments during evacuation.* The Standardized Regulations (Government Civilians, Foreign Areas) provide the authority for efficient, orderly, and equitable procedure for the payment of compensation, post differential and allowances in the event of an emergency evacuation of employees or their dependents, or both, from duty stations for military or other reasons or because of imminent danger to their lives. If evacuation has been authorized by the Mission Director, the contractor will receive payments during evacuation for himself/herself and authorized dependents evacuated from their post of assignment in accordance with the Standardized Regulations

(Government Civilians, Foreign Areas), Chapter 600, and the Federal Travel Regulations, as from time to time amended.

(7) *Educational allowance.* Educational allowance is an allowance to assist the contractor in meeting the extraordinary and necessary expenses, not otherwise compensated for, incurred by reason of his/her service in a foreign area in providing adequate elementary and secondary education for his/her children. The contractor will receive educational allowance payments for his/her dependent children in amounts not to exceed those set forth in Standardized Regulations (Government Civilians, Foreign Areas), Chapter 270, as from time to time amended.

(8) *Separate maintenance allowance.* Separate maintenance allowance is an allowance to assist an employee who is compelled by reason of dangerous, notably unhealthful, or excessively adverse living conditions at his/her post of assignment in a foreign area, or for the convenience of the Government, to meet the additional expense of maintaining his/her dependents elsewhere than at such post. The contractor will receive separate maintenance allowance payments not to exceed that made to USAID employees in accordance with the Standardized Regulations (Government Civilians, Foreign Areas), Chapter 260, as from time to time amended.

(9) *Danger pay allowance.* Danger pay allowance is an allowance to provide additional compensation above basic compensation to employees in foreign areas where civil insurrection, civil war, terrorism or wartime conditions threaten physical harm or imminent danger to the health or well-being of the employee. The danger pay allowance is in lieu of that part of the post differential which is attributable to political violence. Consequently, the post differential may be reduced while danger pay is in effect to avoid dual crediting for political violence. The contractor shall be allowed danger pay allowance not to exceed that paid USAID employees in the Cooperating Country, in accordance with the Standardized Regulations (Government Civilians, Foreign Areas), Chapter 650, as from time to time amended.

(10) *Educational travel.* Educational travel is travel to and from a school in the United States for secondary education (in lieu of an educational allowance) and for college education. The contractor will receive educational travel payments for his/her dependent children provided such payment does not exceed that which would be payable in accordance with the Standardized Regulations (Government Civilians, Foreign Areas), Chapter 280, as from time to time amended. Educational travel shall not be authorized for contractors whose assignment is less than two years.

(b) The allowances provided in paragraphs (a)

(1) through (10) of this provision shall be paid to the contractor in dollars or in the currency of the Cooperating Country in accordance with practice prevailing at the Mission, or the Mission Director may direct that the contractor be paid a per diem in lieu thereof as prescribed by the Standardized Regulations (Government Civilians, Foreign Areas), as from time to time amended.

7. Social Security, Federal Income Tax, and Foreign Earned Income (June 1990)

(a) Since the contractor is an employee, F.I.C.A. contributions and U.S. Federal Income Tax withholding shall be deducted in accordance with regulations and rulings of the Social Security Administration and the U.S. Internal Revenue Service, respectively.

(b) As an employee, the contractor is not eligible for the "foreign earned income" exclusion under the IRS Regulations (see 26 CFR 1.911-3(c)(3)).

8. Advance of Dollar Funds (APR 1997)

If requested by the contractor and authorized in writing by the Contracting Officer, USAID will arrange for an advance of funds to defray the initial cost of travel, travel allowances, authorized precontract expenses, and shipment of personal property. The advance shall be granted on the same basis as to a USAID U.S.-citizen direct-hire employee in accordance with USAID Handbook 22, Chapter 4 or superseding ADS Chapter.

9. Insurance (APR 1997)

(a) *Worker's compensation benefits.* The contractor shall be provided worker's compensation benefits in accordance with the Federal Employees' Compensation Act.

(b) *Health and life insurance.*

(1) The contractor shall be provided a maximum contribution of up to 50% against the actual costs of the contractor's annual health insurance costs, provided that such costs may not exceed the maximum U.S. Government contribution for direct-hire personnel as announced annually by the Office of Personnel Management.

(2) The contractor shall be provided a contribution of up to 50% against the actual costs of annual life insurance not to exceed \$500.00 per year.

(3) Retired U.S. Government employees shall not be paid additional contributions for health or life insurance under their contracts. The Government will normally have already paid its contribution for the retiree unless the employee can prove to the satisfaction of the Contracting Officer that his/her health and life insurance does not provide or specifically excludes coverage overseas. In such case, the contractor would be eligible for contributions under paragraphs (b) (1) or (2) as appropriate.

(4) Proof of health and life insurance coverage shall be submitted to the Contracting Officer before any contribution is paid. On assignments of less than one year, costs for health and life insurance shall be prorated and paid accordingly.

(5) A contractor who is a spouse of a current or retired Civil Service, Foreign Service, or Military Service member and who is covered by their spouse's Government health or life insurance policy is ineligible for the contribution under paragraphs (b)(1) or (b)(2) of this provision.

(c) *Insurance on private automobiles.* If the contractor or his/her dependents transport, or cause to be transported, privately owned automobile(s) to the Cooperating Country, or any of them purchase an automobile within the Cooperating Country, the contractor agrees to ensure that all such automobile(s) during such ownership within the Cooperating Country will be covered by a current, i.e., not in arrears, insurance policy issued by a reliable company providing the following minimum coverage, or such other minimum coverage as may be set by the Mission Director, payable in U.S. dollars or its equivalent in the currency of the Cooperating Country: injury to persons, \$10,000/\$20,000; property damage, \$5,000. The contractor further agrees to deliver, or cause to be delivered to the Mission Director, the insurance policies required by this clause or satisfactory proof of the existence thereof, before such automobile(s) operated within the Cooperating Country. The premium costs for such insurance shall not be a reimbursable cost under this contract.

10. Travel and Transportation Expenses (July 1993)

(a) *General.*

(1) USAID/Washington Office of Administrative Services, or such other office as may be designated by that office, may furnish Transportation Requests (TR's) to the contractor for transportation

authorized by this contract originating in the United States, and the executive or administrative officer at the Mission may furnish TR's for such authorized transportation which is payable in local currency or is to originate overseas. When transportation is not provided by the Government-issued TR, the contractor shall procure his/her own transportation, the costs of which will be reimbursed in accordance with the terms of this contract.

(2) The contractor will be reimbursed for reasonable, allocable and allowable travel and transportation expenses incurred under and for the performance of this contract. Determination of reasonableness, allocability and allowability will be made by the Contracting Officer in accordance with USAID's established policies and procedures for USAID direct-hire employees, and the particular needs of the activity being implemented by this contract. The following paragraphs provide specific guidance and limitations on particular items of cost.

(b) *U.S. travel and transportation.* The contractor shall be reimbursed for actual transportation costs and travel allowances in the United States as authorized in the Contract Schedule or approved in advance by the Contracting Officer or the Mission Director. Transportation costs and travel allowances shall not be reimbursed in any amount greater than the cost of, and time required for, economy-class commercially scheduled air travel by the most expeditious route except as otherwise provided in paragraph (g) of this provision unless economy air travel is not available and the contractor certifies to this in his/her voucher or other documents submitted for reimbursement.

(c) *International travel.* For travel to and from post of assignment, the contractor shall be reimbursed for travel costs and travel allowances from place of residence in the United States (or other location provided that the cost of such travel does not exceed the cost of the travel from the contractor's residence in the United States) to the post of duty in the Cooperating Country and return to place of residence in the United States (or other location provided that the cost of such travel does not exceed the cost of travel from the post of duty in the Cooperating Country to the contractor's residence) upon completion of services by the individual. Reimbursement for travel will be in accordance with USAID's established policies and procedures for its direct-hire employees and the provisions of this contract, and will be limited to the cost of travel by the most direct and expeditious route. If the contract is for longer than one year and the contractor does not complete one full year at post of duty (except for reasons beyond his/her control), the costs of going to and from the post of duty for the contractor and his/her dependents are not reimbursable hereunder. If the contractor serves more than one year but less than the required service in the Cooperating Country (except for reasons beyond his/her control) the costs of going to the post of duty are reimbursable hereunder but the costs of going from post of duty to the contractor's permanent, legal place of residence at the time he or she was employed for work under this contract, or other location as approved by the Contracting Officer, are not reimbursable under this contract for the contractor and his/her dependents. When travel is by economy class accommodations, the contractor will be reimbursed for the cost of transporting up to 10 kilograms/22 pounds of accompanied personal baggage per traveler in addition to that regularly allowed with the economy ticket provided that the total number of pounds of baggage does not exceed that regularly allowed for first class travelers. Travel allowances for travelers shall not be in excess of the rates authorized in the Standardized Regulations (Government Civilians, Foreign Areas)-hereinafter referred to as the Standardized Regulations—as from time to time amended, for not more than the travel time required by scheduled commercial air carrier using the most expeditious route. One stopover enroute for a period of not to exceed 24 hours is allowable when the traveler uses economy class accommodations for a trip of 14 hours or more of scheduled duration. Such stopover shall not be authorized when travel is by indirect route or is delayed for the convenience of the traveler. Per diem during such stopover shall be paid in accordance with the Federal Travel Regulations as from time to time amended.

(d) *Local travel.* Reimbursement for local travel in connection with duties directly referable to the

contract shall not be in excess of the rates established by the Mission Director for the travel costs of travelers in the Cooperating Country. In the absence of such established rates the contractor shall be reimbursed for actual travel costs in the Cooperating Country or the Mission, including travel allowances at rates not in excess of those prescribed by the Standardized Regulations.

(e) *Indirect travel for personal convenience.* When travel is performed by an indirect route for the personal convenience of the traveler, the allowable costs of such travel will be computed on the basis of the cost of allowable air fare via the direct usually traveled route. If such costs include fares for air or ocean travel by foreign flag carriers, approval for indirect travel by such foreign flag carriers must be obtained from the Contracting Officer or the Mission Director before such travel is undertaken, otherwise only that portion of travel accomplished by the United States-flag carriers will be reimbursable within the above limitation of allowable costs.

(f) *Limitation on travel by dependents.* Travel costs and allowances will be allowed for authorized dependents of the contractor and such costs shall be reimbursed for travel from place of abode to assigned station in the Cooperating Country and returned, only if the dependent remains in the Cooperating Country for at least 9 months or one-half of the required tour of duty of the contractor, whichever is greater, except as otherwise authorized hereunder for education, medical or emergency visitation travel. If the dependent is eligible for educational travel pursuant to the "Differential and Allowances" clause of this contract, time spent away from post resulting from educational travel will be counted as time at post.

(g) *Delays enroute.* The contractor may be granted reasonable delays enroute while in travel status when such delays are caused by events beyond the control of the contractor and are not due to circuitous routine. It is understood that if delay is caused by physical incapacitation, he/she shall be eligible for such sick leave as provided under the "Leave and Holidays" clause of this contract.

(h) *Travel by Privately Owned Automobile (POV).* If travel by POV is authorized in the contract schedule or approved by the Contracting Officer, the contractor shall be reimbursed for the cost of travel performed in his/her POV at a rate not to exceed that authorized in the Federal Travel Regulations plus authorized per diem for the employee and for each of the authorized dependents traveling in the POV, if the POV is being driven to or from the Cooperating Country as authorized under the contract, provided that the total cost of the mileage and the per diem paid to all authorized travelers shall not exceed the total constructive cost of fare and normal per diem by all authorized travelers by surface common carrier or authorized air fare, whichever is less.

(i) *Emergency and Irregular Travel and Transportation.* Emergency transportation costs and travel allowances while enroute, as provided in this section, will be reimbursed not to exceed amounts authorized by the Foreign Service Travel Regulations for USAID-direct hire employees in like circumstances under the following conditions:

(1) The costs of going from post of duty in the Cooperating Country to the employee's permanent, legal place of residence at the time he or she was employed for work under this contract or other location for contractor employees and dependents and returning to the post of duty, subject to the prior written approval of the Mission Director that such travel is necessary for one of the following reasons.

(i) Need for medical care beyond that available within the area to which the employee is assigned, or serious effect on physical or mental health if residence is continued at assigned post of duty. The Mission Director may authorize a medical attendant to accompany the employee at contract expense if, based on medical opinion, such an attendant is necessary.

(ii) Death, or serious illness or injury of a member of the immediate family of the employee or the immediate family of the employee's spouse.

(2) When, for any reason, the Mission Director determines it is necessary to evacuate the contractor or contractor's dependents, the contractor will be reimbursed for travel and transportation expenses and travel allowance while enroute, for the cost of the individuals going from post of duty in the Cooperating Country to the employee's permanent, legal place of residence at the time he or she was employed for work under this contract or other approved location. The return of such employees and dependents may also be authorized by the Mission Director when, in his/her discretion, he/she determines it is prudent to do so.

(3) The Mission Director may also authorize emergency or irregular travel and transportation in other situations, when in his/her opinion, the circumstances warrant such action. The authorization shall include the kind of leave to be used and appropriate restrictions as to time away from post, transportation of personal and household effects, etc.

(j) *Home Leave Travel.* To the extent that home leave has been authorized as provided in the "Leave and Holidays" clause of this contract, the cost of travel for home leave is reimbursable for travel costs and travel allowances of travelers from the post of duty in the Cooperating Country to place of residence in the United States (or other location provided that the cost of such travel does not exceed the cost of travel to the contractor's residence in the United States) and return to the post of duty in the Cooperating Country. Reimbursement for travel will be in accordance with the Uniform State/USAID/USIA Foreign Service Travel Regulations, as from time to time amended, and will be limited to the cost of travel by the most direct and expeditious route. Travel allowances for travelers shall be in accordance with the rates authorized in the Standardized Regulations as from time to time amended, for not more than the travel time required by scheduled commercial air carrier using the most expeditious route using economy class. One stopover enroute for a period of not to exceed 24 hours is allowable when the traveler uses economy class accommodations for a trip of 14 hours or more of scheduled duration. Such stopover shall not be authorized when travel is by indirect route or is delayed for the convenience of the traveler or the traveler uses other than economy class. Per diem during such stopover shall be paid in accordance with the Standardized Regulations.

(k) *Rest and Recuperations Travel.* If approved in writing by the Mission Director, the contractor and his/her dependents shall be allowed rest and recuperation travel on the same basis as authorized USAID direct-hire Mission employees and their dependents.

(l) *Transportation of Motor Vehicles, Personal Effects and Household Goods.*

(1) Transportation costs will be paid on the same basis as for USAID direct-hire employees serving the same length tour of duty, as authorized in the schedule. Transportation, including packing and crating costs, will be paid for shipping from the point of origin in the United States (or other location as approved by the Contracting Officer) to post of duty in the Cooperating Country and return to point of origin in the United States (or other location as approved by the Contracting Officer) of one privately-owned vehicle for the contractor, personal effects of the contractor and authorized dependents, and household goods of the contractor not to exceed the limitations in effect for such shipments for USAID direct-hire employees in accordance with the Foreign Service Travel Regulations in effect at the time shipment is made. These limitations may be obtained from the Contracting Officer.

(2) The cost of transporting motor vehicles and household goods shall not exceed the cost of packing, crating, and transportation by surface common carrier. In the event that the carrier does not require boxing or crating of motor vehicles for shipment to the Cooperating Country, the cost of

boxing or crating is not reimbursable. The transportation of a privately owned motor vehicle for a contractor may be authorized as a replacement of the last such motor vehicle shipped under this contract for such contractor when the Mission Director determines, in advance, and so notifies the contractor in writing, that the replacement is necessary for reasons not due to the negligence or malfeasance of the contractor. The determination shall be made under the same rules and regulations that apply to authorized Mission U.S. citizen direct-hire employees.

(m) *Unaccompanied Baggage*. Unaccompanied baggage is considered to be those personal belongings needed by the traveler immediately upon arrival of the contractor and dependents, and consideration should be given to advance shipments of unaccompanied baggage. The contractor will be reimbursed for costs of shipment of unaccompanied baggage (in addition to the weight allowance for household effects) not to exceed the limitations in effect for USAID direct-hire employees in accordance with the Foreign Service Travel Regulations as in effect when shipment is made. These limitations are available from the Contracting Officer. This unaccompanied baggage may be shipped as air freight by the most direct route between authorized points of origin and destination regardless of the modes of travel used. This provision is applicable to home leave travel when authorized by the terms of this contract.

(n) *International Ocean Transportation*—(1)(i) *Transportation of things*. Where U.S. flag vessels are not available, or their use would result in a significant delay, the contractor may obtain a release from the requirement to use U.S. flag vessels from the Transportation Division, Office of Acquisition and Assistance, U.S. Agency for International Development, Washington, D.C. 20523-1419, or the Mission Director, as appropriate, giving the basis for the request.

(ii) *Transportation of persons*. Where U.S. flag vessels are not available, or their use would result in a significant delay, the contractor may obtain a release from the requirement to use U.S. flag vessels from the Contracting Officer or the Mission Director, as appropriate.

(2) *Transportation of foreign-made vehicles*. Reimbursement of the costs of transporting a foreign-made motor vehicle will be made in accordance with the provisions of the Foreign Service Travel Regulations.

(3) Reduced rates on U.S.-flag carriers are in effect for shipments of household goods and personal effects of USAID contractors between certain locations. These reduced rates are available provided the shipper furnishes to the carrier at the time of the issuance of the Bill of Lading documentary evidence that the shipment is for the account of USAID. The Contracting Officer will, on request, furnish to the contractor current information concerning the availability of a reduced rate with respect to any proposed shipment. The contractor will not be reimbursed for shipments of household goods or personal effects in amounts in excess of the reduced rates which are available in accordance with the foregoing.

(o) *Storage of household effects*. The cost of storage charges (including packing, crating, and drayage costs) in the U.S. of household goods of the contractor will be permitted in lieu of transportation of all or any part of such goods to the Cooperating Country under paragraph (l) above provided that the total amount of effects shipped to the Cooperating Country or stored in the U.S. shall not exceed the amount authorized for USAID direct-hire employees under the Uniform Foreign Service Travel Regulations. These amounts are available from the Contracting Officer.

11. Payment (AUG 1996)

(a) Once each month, or at more frequent intervals, if approved by the paying office indicated on the Cover Page, the contractor may submit to such office form SF 1034 "Public Voucher for Purchases

and Services Other Than Personal” (original) and SF 1034-A (three copies), or whatever other form is locally required or accepted. Each voucher shall be identified by the USAID contract number and properly executed in the amount of dollars claimed during the period covered. The voucher forms shall be supported by:

(1) The contractor's detailed invoice, in original and two copies, indicating for each amount claimed the paragraph of the contract under which payment is to be made, supported when applicable as follows:

(i) For compensation—a statement showing period covered, days worked, and days when contractor was in authorized travel, leave, or stopover status for which compensation is claimed. All claims for compensation will be accompanied by, or will incorporate, a certification signed by the Project Officer covering days or hours worked, or authorized travel or leave time for which compensation is claimed.

(ii) For travel and transportation—a statement of itinerary with attached carrier's receipt and/or passenger's coupons, as appropriate.

(iii) For reimbursable expenses—an itemized statement supported by original receipts.

(2) The first voucher submitted shall account for, and liquidate the unexpended balance of any funds advanced to the contractor.

(b) A final voucher shall be submitted by the contractor promptly following completion of the duties under this contract but in no event later than 120 days (or such longer period as the Contracting Officer may in his/her discretion approve in writing) from the date of such completion. The contractor's claim, which includes his/her final settlement of compensation, shall not be paid until after the performance of the duties required under the terms of this contract has been approved by USAID. On receipt and approval of the voucher designated by the contractor as the “final voucher” submitted on Form SF 1034 (original) and SF 1034-A (three copies), together with a refund check for the balance remaining on hand of any funds which may have been advanced to the contractor, the Government shall pay any amounts due and owing the contractor.

(c) If approved by the paying office time and attendance may be submitted for PSCs in the same manner as is approved for direct-hire personnel.

12. Conversion of U.S. Dollars to Local Currency (DEC 1985)

Upon arrival in the Cooperating Country, and from time to time as appropriate, the contractor shall consult with the Mission Director or his/her authorized representative who shall provide, in writing, the policy the contractor shall follow in the conversion of U.S. dollars to local currency. This may include, but not be limited to the conversion of said currency through the cognizant U.S. Disbursing Officer, or Mission Controller, as appropriate.

13. Post of Assignment Privileges (JUL 1993)

Privileges such as the use of APO, PX's, commissaries and officers clubs are established at posts abroad under agreements between the U.S. and host governments. These facilities are intended for and usually limited to members of the official U.S. establishment including the Embassy, USAID Mission, U.S. Information Service and the Military. Normally, the agreements do not permit these facilities to be made available to non-official Americans. However, in those cases where facilities are open to non-official Americans, they may be used.

14. Security Requirements (June 1990)

(a) This entire provision shall apply to the extent that this contract involves access to classified information ("Confidential", "Secret", or "Top Secret") or access to administratively controlled information ("Limited Official Use"). Contractors that are not U.S. citizens shall not have access to classified or administratively controlled information.

(b) The contractor

(1) shall be responsible for safeguarding all classified or administratively controlled information in accordance with appropriate instructions furnished by the USAID Office of Security (IG/SEC), as referenced in paragraph (d) of this provision and shall not supply, disclose, or otherwise permit access to classified information or administratively controlled information to any unauthorized person; (2) shall not make or permit to be made any reproductions of classified information or administratively controlled information except with the prior written authorization of the Contracting Officer or Mission Director; (3) shall submit to the Contracting Officer, at such times as the Contracting Officer may direct, an accounting of all reproductions of classified or administratively controlled information; and (4) shall not incorporate in any other project any matter which will disclose classified and/or administratively controlled information except with the prior written authorization of the Contracting Officer.

(c) The contractor shall follow the procedures for classifying, marking, handling, transmitting, disseminating, storing, and destroying official material in accordance with the regulations in the Foreign Affairs Manual, Chapter 5 (5 FAM 900), a copy of which will be furnished by the Contracting Officer or Mission Director.

(d) The contractor agrees to submit immediately to the Mission Director or Contracting Officer a complete detailed report, appropriately classified, of any information which the contractor may have concerning existing or threatened espionage, sabotage, or subversive activity.

(e) The Government agrees that, when necessary, it shall indicate by security classification or administratively controlled designation, the degree of importance to the national defense of information to be furnished by the contractor to the Government or by the Government to the contractor, and the Government shall give written notice of such security classification or administratively controlled designation to the contractor and of any subsequent changes thereof. The contractor is authorized to rely on any letter or other written instrument signed by the Contracting Officer changing a security classification or administratively controlled designation of information.

(f) The contractor agrees to certify after completion of his/her assignment under this contract that he/she has surrendered or disposed of all classified and/or administratively controlled information in his/her custody in accordance with applicable security instructions.

15. Contractor-Mission Relationships (DEC 1985)

(a) The contractor acknowledges that this contract is an important part of the U.S. Foreign Assistance Program and agrees that his/her duties will be carried out in such a manner as to be fully commensurate with the responsibilities which this entails.

(b) While in the Cooperating Country, the contractor is expected to show respect for the conventions, customs, and institutions of the Cooperating Country and not interfere in its political affairs.

(c) If the contractor's conduct is not in accordance with paragraph (b) of this provision, the contract may be terminated under General Provision 16 of this contract. The Contractor recognizes the right of the U.S. Ambassador to direct his/her immediate removal from any country when, in the discretion of the Ambassador, the interests of the United States so require.

(d) The Mission Director is the chief representative of USAID in the Cooperating Country. In this capacity, he/she is responsible for the total USAID Program in the Cooperating Country including certain administrative responsibilities set forth in this contract and for advising USAID regarding the performance of the work under the contract and its effect on the U.S. Foreign Assistance Program. The contractor will be responsible for performing his/her duties in accordance with the statement of duties called for by the contract. However, he/she shall be under the general policy guidance of the Mission Director, and shall keep the Mission Director or his/her designated representative currently informed of the progress of the work under this contract.

16. Termination (NOV 2020)

(This is an approved deviation to be used in place of the clause specified in FAR 52.249-12.)

(a) The Government may terminate performance of work under this contract in whole or, from time to time, in part:

(1) For cause, which may be effected immediately after establishing the facts warranting the termination, by giving written notice and a statement of reasons to the contractor in the event

(i) the Contractor commits a breach or violation of any obligations herein contained, (ii) a fraud was committed in obtaining this contract, or (iii) the contractor is guilty (as determined by USAID) of misconduct in the Cooperating Country. Upon such a termination, the contractor's right to compensation shall cease when the period specified in such notice expires or the last day on which the contractor performs services hereunder, whichever is earlier. No costs of any kind incurred by the contractor after the date such notice is delivered shall be reimbursed hereunder except the cost of return transportation (not including travel allowances), if approved by the Contracting Officer. If any costs relating to the period subsequent to such date have been paid by USAID, the contractor shall promptly refund to USAID any such prepayment as directed by the Contracting Officer.

(2) For the convenience of USAID, by giving not less than 15 calendar days advance written notice to the contractor. Upon such a termination, contractor's right to compensation shall cease when the period specified in such notice expires except that the contractor shall be entitled to any unused annual leave, return transportation costs and travel allowances and transportation of unaccompanied baggage costs at the rate specified in the contract and subject to the limitations which apply to authorized travel status.

(3) For the convenience of USAID, when the contractor is unable to complete performance of his/her services under the contract by reason of sickness or physical or emotional incapacity based upon a certification of such circumstances by a duly qualified doctor of medicine approved by the Mission. The contract shall be deemed terminated upon delivery to the Contractor of a termination notice. Upon such a termination, the contractor shall not be entitled to compensation except to the extent of any unused annual or sick leave but shall be entitled to return transportation, travel allowances, and unaccompanied baggage costs at rates specified in the contract and subject to the limitations which apply to authorized travel status.

(b) The contractor, with the written consent of the Contracting Officer, may terminate this contract upon at least 15 days' written notice to the Contracting Officer.

17. Release of Information (DEC 1985)

All rights in data and reports shall become the property of the U.S. Government. All information gathered under this contract by the Contractor and all reports and recommendations hereunder shall be treated as confidential by the Contractor and shall not, without the prior written approval of the Contracting Officer, be made available to any person, party, or government, other than USAID, except as otherwise expressly provided in this contract.

18. Notices (DEC 1985)

Any notice, given by any of the parties hereunder, shall be sufficient only if in writing and delivered in person or sent by telegraph, telegram, registered, or regular mail as follows:

To USAID: Administrator, U.S. Agency for International Development, Washington, D.C. 20523-0001, Attention: Contracting Officer.

(name of the cognizant Contracting Officer with a copy to the appropriate Mission Director).

To Contractor:

At his/her post of duty while in the Cooperating Country and at the Contractor's address shown on the Cover Page of this contract or to such other address as either of such parties shall designate by notice given as herein required. All documents should be mailed to:

PPC/CDIE/DI, Acquisitions, Room 209, SA-18, U.S. Agency for International Development, Washington, D.C. 20523-1802.

The title page of all reports forwarded to PPC/CDIE/DI pursuant to this paragraph shall include a descriptive title, the author's name(s), contract number, project number and title, contractor's name, name of the USAID project office, and the publication or insurance date of the report.

(b) When preparing reports, the contractor shall refrain from using elaborate art work, multicolor printing and expensive paper/binding, unless it is specifically authorized in the Contract Schedule. Wherever possible, pages should be printed on both sides using single spaced type.

20. Use of Pouch Facilities (July 1993)

(a) Use of diplomatic pouch is controlled by the Department of State. The Department of State has authorized the use of pouch facilities for USAID contractors and their employees as a general policy, as detailed in paragraphs (a)

(1) through (a)(6) of this provision. However, the final decision regarding use of pouch facilities rests with the Embassy or USAID Mission. In consideration of the use of pouch facilities as hereinafter stated, the Contractor agrees to indemnify and hold harmless the Department of State and USAID for loss or damage occurring in pouch transmission.

(1) Contractors are authorized use of the pouch for transmission and receipt of up to a maximum of 0.90 kilogram/2 pounds per shipment of correspondence and documents needed in the administration of foreign assistance programs.

(2) U.S. citizen contractors are authorized use of the pouch for personal mail up to a maximum of 0.45 kilogram/one pound per shipment (but see (a)(3) below). Non-U.S. citizen Contractors are not permitted use of the pouch for personal mail except to the extent that such use may be authorized by the Chief of Mission.

(3) Merchandise, parcels, magazines, or newspapers are not considered to be personal mail for purpose of this clause, and are not authorized to be sent or received by pouch.

(4) Official and personal mail under paragraphs (a) (1) and (2) of this provision, sent by pouch, should be addressed as follows:

Individual's Name (C), U.S. Agency for International Development, Washington, D.C. 20523-0001.

(5) Mail sent via the diplomatic pouch may not be in violation of U.S. Postal laws and may not contain material ineligible for pouch transmission.

(6) Use of military postal facilities (APO/FPO) is authorized to U.S. contractors on the same basis as approved for direct-hire employees at the USAID Mission. Posts having access to APO/FPO facilities and using such for diplomatic pouch dispatch, may, however, accept official and personal mail for the pouch provided, of course, adequate postage is affixed when onward transmission (mail to other than USAID/W) through U.S. postal channels is required.

(b) The contractor shall be responsible for compliance with these guidelines and limitations on use of pouch facilities.

(c) Specific additional guidance on use of pouch facilities in accordance with this clause is available from the Post Communication Center at the Embassy or USAID Mission.

21. Biographical Data (June 1990)

(a) The contractor agrees to furnish biographical information to the Contracting Officer on forms (SF 171 and 171As) provided for that purpose.

22. U.S. Resident Hire Personal Services Contractor (June 1990)

A contractor meeting the definition of a U.S. Resident Hire PSC contained in Section 12, General Provisions, Clause 1, Definitions, shall be subject to U.S. Federal Income Tax, but shall not be eligible for any fringe benefits (except contributions for FICA, health insurance and life insurance), allowances, or differentials, including but not limited to travel and transportation, medical, orientation, home leave, etc., unless such individual can demonstrate to the satisfaction of the Contracting Officer that he/she has received similar benefits/allowances from their immediately previous employer in the Cooperating Country, or the Mission Director determines that payment of such benefits would be consistent with the Mission's policy and practice and would be in the best interest of the U.S. Government.

23. Orientation and Language Training (July 1993)

(a) Except as set forth in paragraph (b)(4) below, the Contractor shall receive a maximum of 2 weeks USAID orientation before travel overseas. The dates of orientation shall be selected by the Contractor and approved by the Contracting Officer from the orientation schedule provided by USAID.

(b) As either set forth in the Contract Schedule, or provided in writing by the Contracting Officer, the following may be authorized taking into consideration specific job requirements, contractor's prior overseas experience, or unusual circumstances, in connection with orientation of individual Contractors:

(1) Modified orientation,

(2) Language training,

(3) Orientation for Contractor's dependents at contract expense.

(4) Waiver of orientation for individual contractor.

(c) Transportation costs and travel allowances not to exceed one round trip from the Contractor's residence to place of orientation and return will be reimbursed, pursuant to Clause 10 of the General Provisions, entitled "Travel and Transportation Expenses," if the orientation is more than 80 kilometers/50 miles from the contractor's residence.

Allowable salary costs during the period of orientation are also reimbursable.

24. Conditions for Contracting Prior to Receipt of Security Clearance (July 1993)

(a) U.S. Resident Hire PSC. The contractor may commence work prior to the completion of the security clearance. However, until such time as clearance is received, the contractor shall have no access to classified or administratively controlled materials. Further, failure to obtain clearance will constitute cause for contract termination in accordance with paragraph (a)(2) of General Provision 16 of this contract.

(b) U.S. PSC—Non-Resident Hire. The contractor may elect to commence travel to post immediately to begin work prior to completion of the security clearance. However, until such time as security clearance is received, the contractor shall:

(1) Have no access to classified or administratively controlled materials;

(2) Be authorized to travel to post himself/herself only; and

(3) Be authorized no entitlements other than those normally authorized for short term (less than a year) employees at post. Even if the contract is for one year or more, dependents may not accompany contractor unless at his/her expense, and transportation/storage of household/personal effects and motor vehicle will not be financed by USAID prior to the receipt of the security clearance. Upon receipt of clearance, the Contracting Officer will authorize reimbursement of any such costs borne at contractor's expense prior to clearance provided they are reasonable, allocable and allowable. If appropriate given the length of time remaining, the Contracting Officer will authorize dependent travel and shipment/storage of motor vehicle and effects. Allowances which would not be provided to short term employees will be authorized after clearance is received provided that the contractor is otherwise entitled to such benefits. Failure to obtain the security clearance will constitute cause for contract termination in accordance with paragraph (a)(2) of General Provision 16 of this contract.

25. Medical Evacuation (MEDEVAC) Services (JUL 2007)

(a) The PSC must obtain MEDEVAC service coverage including coverage for authorized dependents while performing personal services abroad.

(b) *Exceptions.*

(1) A PSC and authorized dependents with a health insurance program that includes sufficient MEDEVAC coverage as approved by the Contracting Officer are not required to obtain MEDEVAC service coverage.

(2) The Mission Director at the post of assignment may make a written determination to waive the requirement for such coverage. The determination must be based on findings that the quality of local medical services or other circumstances obviate the need for such coverage for PSCs and their dependents located at post.

26. Governing Law (NOV 1996)

This contract is established under the procurement authorities of the United States Government and shall be interpreted in accordance with the body of Federal Procurement Law in the United States.
