

# **SUBPART 5801.6 - CAREER DEVELOPMENT, CONTRACTING AUTHORITY, AND RESPONSIBILITIES**

**Parent topic:** [PART 5801 - Federal Acquisition Regulations System](#)

## **5801.602-2 Responsibilities**

(d)(S-90) *Policy.* The contracting officer shall designate and manage Contracting Officer's Representatives (CORs) in accordance with the DoD and DISA COR Handbooks located at <https://www.ditco.disa.mil/hq/Cor>. The authority to designate CORs shall not be further delegated.

(S-91) The contracting officer must designate the COR in the Joint Appointment Module (JAM) as part of the award process, inserting DISA specific instructions as applicable. The JAM module is located at <https://piee.eb.mil/>. Within JAM, a COR may self-nominate or the contracting officer may appoint a COR.

(S-92) The mission partner may indicate on Enclosure 1, Requirements Checklist that a COR appointment is not necessary because it meets the exemption criteria in DFARS PGI 201.602-2(d)(v)(A) (1) and (2). The contracting officer shall review the requirement to confirm the criteria are met. The contracting officer may request additional information to support the exemption, as necessary. Filing Enclosure 1, Requirements Checklist in the contract file meets the requirement in DFARS PGI 201.602-2(d)(v)(A)(3) to document the file in writing.

(S-93) *Contracting Officer responsibilities:*

(1) Electronic Document Management System (EDMS) Tab 52 shall contain a copy of the approved designation letter from the JAM module.

(2) A *Technical Representative* (TR) is distinctly different from a COR. A TR is not authorized to perform contract administration functions and is generally located at a contractor's facility to provide program technical oversight. The program manager (see DARS Part 5807 for definition) appoints the TR. See DFARS 242.74 for TR procedures.

## **5801.602-3 Ratification of Unauthorized Commitments**

(a) Definitions.

*Ratifying Official.* Ratifying Official as used here means the Senior Procurement Executive, (SPE) or the Head of the Contracting Activity (HCA), as specified in (b)(2) below.

(b)(2) The ratifying official for all DISA unauthorized commitments (UC) of any dollar value and non-DISA UCs valued at or above \$1M is the SPE. The ratifying official for all non-DISA UCs valued below \$1M is the HCA. Coordination of the ratification request shall flow from the individual that made the unauthorized commitment as follows: 1) Cognizant contracting officer to prepare the Determination and Findings portion of the Ratification Approval Form, 2) General Counsel for a legal

opinion, 3) DITCO HCO for review and concurrence and 4) PS22 for review and processing. PS22 will log the complete package into the PS22 Ratification Log, assign a tracking number, review the package to provide any findings or comments to the contracting officer, and coordinate the final package for submission to the ratifying official for approval. The CoCO will notify the HCA when an UC has occurred, to include Center/Directorate/Division and D-Code, individual who committed the UC, dollar value, and the general facts of the UC. The HCA will notify the cognizant Center/Directorate SES(s).

(S-90) For all offices aligned under DISA, to include ADCON offices, the individual who made the UC serves as the Action Officer for the ratification request and prepares the package using the PSD Request for 'Approval of Unauthorized Commitment' form, to include documents specified to be provided to develop a complete record of the UC. If the individual who committed the UC is no longer available for any reason (e.g., left government service, retirement, on extend leave) then the next person in the individual's chain-of-command within the organization is responsible for requesting the ratification, completing the Approval of Unauthorized Commitment form, and providing all required information and evidence to the Contracting Officer. For external offices, the individual who made the UC serves as the Action Officer for the ratification request and prepares the package or an individual within the chain-of-command.

The Ratification Approval Form and further guidance regarding ratification of unauthorized commitments is located in the [DARS PGI 5801.602-3](#).

(S-91) Timelines for Processing Ratification Packages can be found in DARS PGI 5801.602-3(b)(2)(S-91)
