# 5815.406-3 Documenting the Negotiation

The Standard Operating Procedure for Obtaining Access to the Contract Business Analysis Repository (CBAR) is located in DARS PGI 5815.406-3(S-90).

(S-90) *Price Negotiation Memorandum*. A Price Negotiation Memorandum (PNM) shall be prepared for contracting actions as described below and included in the official contract file.

A PNM is not required for any actions at or below the micro-purchase threshold, nor is a PNM required for orders under single award indefinite delivery contracts, when established priced line items are being ordered and the established pricing was deemed fair and reasonable in the base contract. The PNM fulfills the documentation requirements in FAR 15.406-3 and provides the determination of fair and reasonable pricing. The PNM templates are located in https://disa.deps.mil/org/PL2/Pages/DITCORefs.aspx?RootFolder=%2Forg%2FPL2%2FOther%2FPR OCEDURES%20GUIDES%20AND%20INSTRUCTIONS%20%28PGI%29&FolderCTID=0x012000175 D246D4A108E42B091C3F17BE4BDFE&View=%7B998EB6D7%2DDD02%2D4224%2D9626%2D13F 9934F7F4C%7D DARS PGI 5815.406-3(S-90). See DARS 5813.106-3 (S-90) for PNM requirements for the I/Q/O process or the North Atlantic Treaty Organization (NATO) Allied Long Lines Agency (ALLA)/National Allied Long Lines Agency (NALLA) circuit demand process under the threshold for certain commercial items identified at FAR 13.500(a).

## (S-91) DITCO Cost/Price Analyst Involvement

(1) PNMs for actions valued over \$10M shall be routed electronically to the Cost and Pricing Branch for review/coordination prior to approval (See <u>Contract Document Approval Signature Routing Procedures</u>). Routing to the Cost and Pricing Branch or assigned Contract Price/Cost Analyst is not required when pricing is based on prices/rates are established in base contracts/agreements, when prices are set by law or regulation, or a fair and reasonable price determination can be made by the contracting officer by comparing prices or rates against an existing or previous Government contract where prices are recent and based on an adequately supported fair and reasonable price determination.

(2) ENs for actions valued over \$10M, shall be prepared in collaboration with a DITCO Cost/Price Analyst. The Cost/Price Analyst shall assist the contracting officer in evaluation of the pricing proposal and aid in the development of the pre-negotiation objectives issued as ENs; the Contract Price/Cost Analyst shall also support negotiations and review of the PNM, prior to approval, as requested by the contracting officer.

(3) In all instances where the Cost and Pricing Branch has provided assistance in development of the PNM—including but not limited to, the evaluation of cost/price proposals and calculation of the Government negotiation position, a copy of the signed/approved PNM shall be provided to the Cost and Pricing Branch Chief via <u>DITCO Scott - Cost and Pricing Branch Mailbox</u>. In situations where the recommendations provided by the C/P Branch and the negotiation objectives are not achieved during negotiations, the contracting officer shall include an explanation in the PNM. The explanation shall contain detailed information on recommendations not achieved and the alternative rationale utilized in the contractor officer's determination of fair and reasonable pricing.

(S-92) *PNM Approval Authority*. The approval authority for all PNMs and negotiation objectives is the contracting officer.
