5832.703-2 Contracts Conditioned Upon Availability of Funds

(S-90) The standard DISA practice for awarding a contract action Subject to Availability of Funds (SAF) is based upon receipt of a SAF funding document from the mission partner. In the event an external mission partner cannot provide a SAF funding document, the Contracting Officer may accept a "Notice of Subject to Availability of Funds" memorandum in accordance with template provided at DARS PGI 5832.
