Subpart 6.4 - Sealed Bidding and Competitive Proposals

Parent topic: Part 6 - Competition Requirements

6.401 Sealed bidding and competitive proposals.

Sealed bidding and competitive proposals, as described in <u>parts 14</u> and <u>15</u>, are both acceptable procedures for use under <u>subparts 6.1,6.2</u>; and, when appropriate, under <u>subpart 6.3</u>.

- (a) Sealed bids. (See part 14 for procedures.) Contracting officers shall solicit sealed bids if-
- (1) Time permits the solicitation, submission, and evaluation of sealed bids;
- (2) The award will be made on the basis of price and other price-related factors;
- (3) It is not necessary to conduct discussions with the responding offerors about their bids; and
- (4) There is a reasonable expectation of receiving more than one sealed bid.
- (b) Competitive proposals. (See part 15 for procedures.)
- (1) Contracting officers may request competitive proposals if sealed bids are not appropriate under paragraph (a) of this section.
- (2) Because of differences in areas such as law, regulations, and business practices, it is generally necessary to conduct discussions with *offerors* relative to proposed contracts to be made and performed outside the *United States* and its *outlying areas*. Competitive proposals will therefore be used for these contracts unless discussions are not required and the use of sealed bids is otherwise appropriate.
