13.500 General.

Parent topic: Federal Acquisition Regulation

13.000 Scope of part.

This part prescribes policies and procedures for the *acquisition of supplies* and services, including *construction*, *research and development*, *commercial products*, and *commercial services*, the aggregate amount of which does not exceed the *simplified acquisition threshold* (see [2.101](#)). [subpart 13.5](#) provides special authority for *acquisitions of commercial products and commercial services* exceeding the *simplified acquisition threshold* but not exceeding \$9 million (\$15 million for *acquisitions* as described in [13.500 \(c\)](#)), including *options*. See [part 12](#) for policies applicable to the *acquisition of commercial products and commercial services* exceeding the *micro-purchase threshold*. See [36.602-5](#) for simplified procedures to be used when acquiring *architect-engineer services*.

13.001 Definitions.

As used in this part-

Authorized individual means a person who has been granted authority, in accordance with agency procedures, to acquire *supplies* and services in accordance with this part.

Governmentwide commercial purchase card means a purchase card, similar in nature to a commercial credit card, issued to authorized agency personnel to use to acquire and to pay for *supplies* and services.

Imprest fund means a cash fund of a fixed amount established by an advance of funds, without charge to an appropriation, from an agency finance or disbursing officer to a duly appointed cashier, for disbursement as needed from time to time in making payment in cash for relatively small amounts.

Third party draft means an agency bank draft, similar to a check, that is used to acquire and to pay for *supplies* and services. (See Treasury Financial Management Manual, Section 3040.70.)

13.002 Purpose.

The purpose of this part is to prescribe *simplified acquisition procedures* in order to-

- (a) Reduce administrative costs;
- (b) Improve opportunities for small, small disadvantaged, women-owned, veteran-owned, *HUBZone*, and service-disabled veteran-owned small business concerns to obtain a fair proportion of Government contracts;
- (c) Promote efficiency and economy in *contracting*; and
- (d) Avoid unnecessary burdens for agencies and contractors.

13.003 Policy.

(a) Agencies *shall* use *simplified acquisition procedures* to the maximum extent practicable for all purchases of *supplies* or services not exceeding the *simplified acquisition threshold* (including purchases at or below the *micro-purchase threshold*). This policy does not apply if an agency can meet its requirement using-

- (1) Required sources of supply under part 8 (e.g., Federal Prison Industries, Committee for Purchase from People Who are Blind or Severely Disabled, and Federal Supply Schedule contracts);
- (2) Existing indefinite delivery/indefinite quantity contracts; or
- (3) Other established contracts.

(b)

(1) *Acquisitions* of *supplies* or services that have an anticipated dollar value above the *micro-purchase threshold*, but at or below the *simplified acquisition threshold*, *shall* be set aside for small business concerns (see 19.000, 19.203, and subpart 19.5).

(2) The *contracting officer* *may* make an award to a small business concern under the-

- (i) 8(a) Program (see subpart 19.8);
- (ii) Historically Underutilized Business Zone (*HUBZone*) Program (but see 19.1305);
- (iii) *Service-Disabled Veteran-Owned Small Business (SDVOSB) Program* (see subpart 19.14); or
- (iv) Women-Owned Small Business (WOSB) Program (see subpart 19.15).

(3) The following *contracting officer's* decisions for *acquisitions* at or below the *simplified acquisition threshold* are not subject to review under subpart 19.4:

- (i) A decision not to make an award under the 8(a) Program.
- (ii) A decision not to set aside an *acquisition* for *HUBZone* small business concerns, service-disabled veteran-owned small business concerns, or EDWOSB concerns and WOSB concerns eligible under the WOSB Program.
- (4) Each written *solicitation* under a set-aside *shall* contain the appropriate provisions prescribed by part 19. If the *solicitation* is oral, however, information substantially identical to that in the provision *shall* be given to potential quoters.

(c)

(1) The *contracting officer* *shall* not use *simplified acquisition procedures* to acquire *supplies* and services if the anticipated award will exceed-

- (i) The *simplified acquisition threshold*; or
- (ii) \$9 million (\$15 million for *acquisitions* as described in 13.500(c)), including *options*, for

acquisitions of commercial products or commercial services using subpart 13.5.

(2) Do not break down requirements aggregating more than the *simplified acquisition threshold* (or for *commercial products* and *commercial services*, the threshold in subpart 13.5) or the *micro-purchase threshold* into several purchases that are less than the applicable threshold merely to-

(i) Permit use of *simplified acquisition procedures*; or

(ii) Avoid any requirement that applies to purchases exceeding the *micro-purchase threshold*.

(d) An agency that has specific statutory authority to acquire personal services (see 37.104) *may* use *simplified acquisition procedures* to acquire those services.

(e) Agencies *shall* use the *Governmentwide commercial purchase card* and electronic purchasing techniques to the maximum extent practicable in conducting simplified *acquisitions* (but see 32.1108(b)(2)).

(f) Agencies *shall* maximize the use of *electronic commerce* when practicable and cost-effective (see subpart 4.5). Drawings and lengthy specifications can be provided off-line in hard copy or through other appropriate means.

(g) *Authorized individuals shall* make purchases in the simplified manner that is most suitable, efficient, and economical based on the circumstances of each *acquisition*. For *acquisitions* not expected to exceed-

(1) The *simplified acquisition threshold* when acquiring other than *commercial products* or *commercial services*, use any appropriate combination of the procedures in parts 13, 14, 15, 35, or 36, including the use of Standard Form 1442, Solicitation, Offer, and Award (Construction, Alteration, or Repair), for *construction contracts* (see 36.701(a)); or

(2) \$9 million (\$15 million for *acquisitions* as described in 13.500(c)), for *commercial products* or *commercial services*, use any appropriate combination of the procedures in parts 12, 13, 14, and 15 (see paragraph (d) of this section).

(h) In addition to other considerations, *contracting officers shall*-

(1) Promote competition to the maximum extent practicable (see 13.104);

(2) Establish deadlines for the submission of responses to *solicitations* that afford suppliers a reasonable opportunity to respond (see 5.203);

(3) Consider all quotations or *offers* that are timely received. For evaluation of quotations or *offers* received electronically, see 13.106-2(b)(4); and

(4) Use innovative approaches, to the maximum extent practicable, in awarding contracts using *simplified acquisition procedures*.

13.004 Legal effect of quotations.

(a) A quotation is not an *offer* and, consequently, cannot be accepted by the Government to form a binding contract. Therefore, issuance by the Government of an order in response to a supplier's

quotation does not establish a contract. The order is an *offer* by the Government to the supplier to buy certain *supplies* or services upon specified terms and conditions. A contract is established when the supplier accepts the *offer*.

- (b) When appropriate, the *contracting officer* *may* ask the supplier to indicate acceptance of an order by notification to the Government, preferably *in writing*, as defined at [2.101](#). In other circumstances, the supplier *may* indicate acceptance by furnishing the *supplies* or services ordered or by proceeding with the work to the point where substantial performance has occurred.
- (c) If the Government issues an order resulting from a quotation, the Government *may* (by written notice to the supplier, at any time before acceptance occurs) withdraw, amend, or cancel its *offer*. (See [13.302-4](#) for procedures on termination or cancellation of *purchase orders*.)

13.005 List of laws inapplicable to contracts and subcontracts at or below the simplified acquisition threshold.

- (a) The following laws are inapplicable to all contracts and subcontracts (if otherwise applicable to subcontracts) at or below the *simplified acquisition threshold* pursuant to [41 U.S.C. 1905](#):
 - (1) [10 U.S.C. 983](#), Institutions of Higher Education that Prevent ROTC Access or Military Recruiting on Campus: Denial of Grants and Contracts from Department of Defense, Department of Education, and Certain Other Departments and Agencies (see [9.110](#)).
 - (2) [10 U.S.C. 3321\(b\)](#) and [41 U.S.C. 3901\(b\)](#) (*contract clause* regarding contingent fees).
 - (3) [10 U.S.C. 3841](#) and [41 U.S.C. 4706](#) (authority to examine books and records of (contractors)).
 - (4) [10 U.S.C. 4655](#) and [41 U.S.C. 4704](#) (prohibition on limiting subcontractors direct sales to the *United States*).
 - (5) [22 U.S.C. 2593e](#) Measures Against Persons Involved in Activities that Violate Arms Control Treaties or Agreements with the *United States*. (The requirement at [22 U.S.C. 2593e\(c\)\(3\)\(B\)](#) to provide a certification does not apply.)
 - (6) [31 U.S.C. 1354\(a\)](#) Limitation on Use of Appropriated Funds for Contracts with Entities Not Meeting Veterans' Employment Reporting Requirements (see [22.1302](#)).
 - (7) [41 U.S.C. 8102\(a\)\(1\)](#) (*Drug-Free Workplace*), except for individuals.
- (b) The Federal *Acquisition* Regulatory Council (FAR Council) will include any law enacted after October 13, 1994, that sets forth policies, procedures, requirements, or restrictions for the *acquisition* of property or services, on the list set forth in paragraph (a) of this section. The FAR Council *may* make exceptions when it determines *in writing* that it is in the best interest of the Government that the enactment *should* apply to contracts or subcontracts not greater than the *simplified acquisition threshold*.
- (c) The provisions of paragraph (b) of this section do not apply to laws that-
 - (1) Provide for criminal or civil penalties; or

(2) Specifically state that notwithstanding the language of 41 U.S.C. 1905, the enactment will be applicable to contracts or subcontracts in amounts not greater than the *simplified acquisition threshold*.

(d) Any individual *may* petition the Administrator, Office of Federal Procurement Policy (OFPP), to include any applicable provision of law not included on the list set forth in paragraph (a) of this section unless the FAR Council has already determined *in writing* that the law is applicable. The Administrator, OFPP, will include the law on the list in paragraph (a) of this section unless the FAR Council makes a determination that it is applicable within 60 days of receiving the petition.

13.006 Inapplicable provisions and clauses.

While certain statutes still apply, pursuant to Public Law 103-355, the following provisions and clauses are inapplicable to contracts and subcontracts at or below the *simplified acquisition threshold*:

- (a) 52.203-5, Covenant Against Contingent Fees.
- (b) 52.203-6, Restrictions on Subcontractor Sales to the Government.
- (c) 52.203-7, Anti-Kickback Procedures.
- (d) 52.215-2, Audits and Records-Negotiation, except as used with its *Alternate I*, when using funds appropriated or otherwise made available by the American Recovery and Reinvestment Act of 2009 (Pub. L. 111-5).
- (e) 52.222-4, Contract Work Hours and Safety Standards-Overtime Compensation.
- (f) 52.226-7, *Drug-Free Workplace*, except for individuals.
- (g) 52.223-9, Estimate of Percentage of *Recovered Material* Content for EPA-Designated Items.

Subpart 13.1 - Procedures

13.101 General.

- (a) In making purchases, *contracting officers shall*-
 - (1) Comply with the policy in 7.202 relating to economic purchase quantities, when practicable;
 - (2) Satisfy the procedures described in subpart 19.6 with respect to Certificates of Competency before rejecting a quotation, oral or written, from a small business concern determined to be nonresponsible (see subpart 9.1); and
 - (3) Provide for the *inspection* of *supplies* or services as prescribed in 46.404.
- (b) In making purchases, *contracting officers should*-
 - (1) Include related items (such as small hardware items or spare parts for vehicles) in one

solicitation and make award on an "all-or-none" or "multiple award" basis provided suppliers are so advised when quotations or *offers* are requested;

(2) Incorporate provisions and clauses by reference in *solicitations* and in awards under requests for quotations, provided the requirements in 52.102 are satisfied;

(3) Make maximum effort to obtain trade and prompt payment discounts (see 14.408-3). Prompt payment discounts *shall* not be considered in the evaluation of quotations; and

(4) Use bulk funding to the maximum extent practicable. Bulk funding is a system whereby the *contracting officer* receives authorization from a fiscal and accounting officer to obligate funds on purchase documents against a specified lump sum of funds reserved for the purpose for a specified period of time rather than obtaining individual obligational authority on each purchase document. Bulk funding is particularly appropriate if numerous purchases using the same type of funds are to be made during a given period.

13.102 Source list.

(a) *Contracting officers should* use the *System for Award Management* (see subpart 4.11) via <https://www.sam.gov> as their primary sources of vendor information. Offices maintaining additional vendor source files or listings *should* identify the status of each source (when the status is made known to the *contracting office*) in the following categories:

(1) Small business.

(2) Small disadvantaged business.

(3) *Women-owned small business concern*, including economically disadvantaged *women-owned small business concerns* and *women-owned small business concerns* eligible under the Women-owned Small Business (WOSB) Program.

(4) *HUBZone* small business.

(5) Service-disabled veteran-owned small business.

(6) Veteran-owned small business.

(b) The status information *may* be used as the basis to ensure that small business concerns are provided the maximum practicable opportunities to respond to *solicitations* issued using *simplified acquisition procedures*.

13.103 Use of standing price quotations.

Authorized individuals do not have to obtain individual quotations for each purchase. Standing price quotations *may* be used if-

(a) The *pricing* information is current; and

(b) The Government obtains the benefit of maximum discounts before award.

13.104 Promoting competition.

The *contracting officer must* promote competition to the maximum extent practicable to obtain *supplies* and services from the source whose *offer* is the most advantageous to the Government, considering the administrative cost of the purchase.

(a) The *contracting officer must* not-

(1) Solicit quotations based on personal preference; or

(2) Restrict *solicitation* to suppliers of well-known and widely distributed makes or brands.

(b) If using *simplified acquisition procedures* and not providing access to the notice of proposed contract action and *solicitation* information through the *Governmentwide point of entry (GPE)*, maximum practicable competition ordinarily can be obtained by soliciting quotations or *offers* from sources within the local trade area. Unless the contract action requires synopsis pursuant to [5.101](#) and an exception under [5.202](#) is not applicable, consider *solicitation* of at least three sources to promote competition to the maximum extent practicable. Whenever practicable, request quotations or *offers* from two sources not included in the previous *solicitation*.

(c) When conducting a *reverse auction*, see [subpart 17.8](#).

13.105 Synopsis and posting requirements.

(a) The *contracting officer must* comply with the public display and synopsis requirements of [5.101](#) and [5.203](#) unless an exception in [5.202](#) applies.

(b) When acquiring *commercial products* or *commercial services*, or *supplies* or services procured in accordance with [12.102\(f\)\(1\)](#), the *contracting officer may* use a combined synopsis and *solicitation*. In these cases, a separate *solicitation* is not required. The *contracting officer must* include enough information to permit suppliers to develop quotations or *offers*.

(c) See [5.102\(a\)\(6\)](#) for the requirement to post a brand name justification or documentation required by [13.106-1\(b\)](#) or [13.501](#).

(d) When publicizing contract actions funded in whole or in part by the American Recovery and Reinvestment Act of 2009 (Pub. L. 111-5):

(1) Notices of proposed contract actions *shall* follow the procedures in [5.704](#) for posting orders.

(2) Award notices *shall* follow the procedures in [5.705](#).

13.106 Soliciting competition, evaluation of quotations or offers, award and documentation.

13.106-1 Soliciting competition.

(a) *Considerations.* In soliciting competition, the *contracting officer shall* consider the guidance in

13.104 and the following before requesting quotations or *offers*:

- (1)
 - (i) The nature of the article or service to be purchased and whether it is highly competitive and readily available in several makes or brands, or is relatively noncompetitive.
 - (ii) An *electronic commerce* method that employs widespread electronic public notice is not available; and
 - (iii) The urgency of the proposed purchase.
 - (iv) The dollar value of the proposed purchase.
 - (v) Past experience concerning specific dealers' prices.
- (2)
 - (i) When soliciting quotations or *offers*, the *contracting officer shall* notify potential quoter or *offerors* of the basis on which award will be made (price alone or price and other factors, *e.g.*, *past performance* and quality).
 - (ii) *Contracting officers* are encouraged to use *best value*.
 - (iii) *Solicitations* are not required to state the relative importance assigned to each evaluation factor and subfactor, nor are they required to include subfactors.
 - (iv) In accordance with 10 U.S.C. 3206(c), for DoD, NASA, and the Coast Guard—
 - (A) The *contracting officer may* choose not to include price or cost as an evaluation factor for award when a *solicitation*—
 - (1) Has an estimated value above the *simplified acquisition threshold*;
 - (2) Will result in *multiple-award contracts* (see subpart 16.5) that are for the same or similar services; and
 - (3) States that the Government intends to make an award to each and all *qualifying offerors* (see 2.101).
 - (B) If the *contracting officer* chooses not to include price or cost as an evaluation factor for the contract award, in accordance with paragraph (a)(2)(iv)(A) of this section, the *contracting officer shall* consider price or cost as one of the factors in the selection decision for each order placed under the contract.
 - (C) The exception in paragraph (a)(2)(iv)(A) of this section *shall* not apply to *solicitations* for *multiple-award contracts* that provide for sole source orders pursuant to section 8(a) of the Small Business Act (15 U.S.C. 637(a)).

(vi) Except for DoD, avoid using the lowest price technically acceptable source selection process to acquire certain *supplies* and services in accordance with 15.101-2(d).

(b) Soliciting from a single source.

(1) For purchases not exceeding the *simplified acquisition threshold*.

(i) *Contracting officers* may solicit from one source if the *contracting officer* determines that the circumstances of the contract action deem only one source reasonably available (e.g., urgency, exclusive licensing agreements, brand-name or industrial mobilization).

(ii) Where a single source is identified to provide a portion of a purchase because that portion of the purchase specifies a particular brand-name item, the documentation in paragraph (b)(1)(i) of this section only applies to the portion of the purchase requiring the brand-name item. The documentation *should* state it is covering only the portion of the *acquisition* which is brand-name.

(2) For purchases exceeding the *simplified acquisition threshold*. The requirements at 13.501(a) apply to sole-source (including brand-name) *acquisitions of commercial products and commercial services* conducted pursuant to subpart 13.5.

(3) See 5.102(a)(6) for the requirement to post the brand-name justification or documentation.

(c) Soliciting orally.

(1) The *contracting officer* *shall* solicit quotations orally to the maximum extent practicable, if-

(i) The *acquisition* does not exceed the *simplified acquisition threshold*;

(ii) Oral *solicitation* is more efficient than soliciting through available *electronic commerce* alternatives; and

(iii) Notice is not required under 5.101.

(2) However, an oral *solicitation* *may* not be practicable for contract actions exceeding \$25,000 unless covered by an exception in 5.202.

(d) *Written solicitations*. If obtaining electronic or oral quotations is uneconomical or impracticable, the *contracting officer* *should* issue paper *solicitations* for contract actions likely to exceed \$25,000. The *contracting officer* *shall* issue a written *solicitation for construction* requirements exceeding \$2,000.

(e) *Use of options*. *Options* *may* be included in *solicitations*, provided the requirements of subpart 17.2 are met and the aggregate value of the *acquisition* and all *options* does not exceed the dollar threshold for use of *simplified acquisition procedures*.

(f) *Inquiries*. An agency *should* respond to inquiries received through any medium (including *electronic commerce*) if doing so would not interfere with the efficient conduct of the *acquisition*.

13.106-2 Evaluation of quotations or offers.

(a) General.

(1) The *contracting officer shall* evaluate quotations or *offers*-

(i) In an impartial manner; and

(ii) Inclusive of transportation charges from the shipping point of the supplier to the delivery destination.

(2) Quotations or *offers shall* be evaluated on the basis established in the *solicitation*.

(3) All quotations or *offers shall* be considered (see paragraph (b) of this subsection).

(b) Evaluation procedures.

(1) The *contracting officer* has broad discretion in fashioning suitable evaluation procedures. The procedures prescribed in parts 14 and 15 are not mandatory. At the *contracting officer's* discretion, one or more, but not necessarily all, of the evaluation procedures in part 14 or 15 *may* be used.

(2) If telecommuting is not prohibited, agencies *shall* not unfavorably evaluate an *offer* because it includes telecommuting unless the *contracting officer* executes a written determination in accordance with FAR 7.108(b).

(3) If using price and other factors, ensure that quotations or *offers* can be evaluated in an efficient and minimally burdensome fashion. Formal evaluation plans and establishing a competitive range, conducting discussions, and scoring quotations or *offers* are not required. *Contracting offices may* conduct comparative evaluations of *offers*. Evaluation of other factors, such as *past performance*-

(i) Does not require the creation or existence of a formal data base; and

(ii) *May* be based on one or more of the following:

(A) The *contracting officer's* knowledge of and previous experience with the supply or service being acquired;

(B) Customer surveys, and *past performance* questionnaire replies;

(C) The Contractor Performance Assessment Reporting System (CPARS) at <https://www.cpars.gov>; or

(D) Any other reasonable basis.

(4) For *acquisitions* conducted using a method that permits electronic response to the *solicitation*, the *contracting officer may*-

(i) After preliminary consideration of all quotations or *offers*, identify from all quotations or *offers* received one that is suitable to the user, such as the lowest priced brand name product, and quickly screen all lower priced quotations or *offers* based on readily discernible value indicators, such as *past performance*, *warranty* conditions, and maintenance availability; or

(ii) Where an evaluation is based only on price and *past performance*, make an award based on whether the lowest priced of the quotations or *offers* having the highest *past performance* rating possible represents the *best value* when compared to any lower priced quotation or *offer*.

13.106-3 Award and documentation.

(a) *Basis for award.* Before making award, the *contracting officer* *must* determine that the proposed price is fair and reasonable.

(1) Whenever possible, base price reasonableness on competitive quotations or *offers*.
(2) If only one response is received, include a statement of price reasonableness in the contract file. The *contracting officer* *may* base the statement on-

- (i) *Market research*;
- (ii) Comparison of the proposed price with prices found reasonable on previous purchases;
- (iii) Current price lists, catalogs, or advertisements. However, inclusion of a price in a price list, catalog, or advertisement does not, in and of itself, establish fairness and reasonableness of the price;
- (iv) A comparison with similar items in a related industry;
- (v) The *contracting officer*'s personal knowledge of the item being purchased;
- (vi) Comparison to an independent Government estimate; or
- (vii) Any other reasonable basis.

(3) Occasionally an item can be obtained only from a supplier that quotes a minimum order price or quantity that either unreasonably exceeds stated quantity requirements or results in an unreasonable price for the quantity required. In these instances, the *contracting officer* *should* inform the requiring activity of all facts regarding the quotation or *offer* and ask it to confirm or alter its requirement. The file *shall* be documented to support the final action taken.

(b) *File documentation and retention.* Keep documentation to a minimum. Purchasing offices *shall* retain data supporting purchases (paper or electronic) to the minimum extent and duration necessary for management review purposes (see subpart 4.8). The following illustrate the extent to which quotation or *offer* information *should* be recorded:

(1) *Oral solicitations.* The *contracting office* *should* establish and maintain records of oral price quotations in order to reflect clearly the propriety of placing the order at the price paid with the supplier concerned. In most cases, this will consist merely of showing the names of the suppliers contacted and the prices and other terms and conditions quoted by each.

(2) *Written solicitations* (see 2.101). For *acquisitions* not exceeding the *simplified acquisition threshold*, limit written records of *solicitations* or *offers* to notes or abstracts to show prices, delivery, references to printed price lists used, the supplier or suppliers contacted, and other pertinent data.

(3) *Special situations.* Include additional statements, when applicable—

(i) Explaining the absence of competition (see 13.106-1 for brand name purchases) if only one source is solicited and the *acquisition* does not exceed the *simplified acquisition threshold* (does not apply to an *acquisition* of utility services available from only one source);

- (ii) Supporting the award decision if other than price-related factors were considered in selecting the supplier; and
- (iii) Except for DoD, when using lowest price technically acceptable source selection process, justifying the use of such process.

(c) *Notification.* For *acquisitions* that do not exceed the *simplified acquisition threshold* and for which automatic notification is not provided through an *electronic commerce* method that employs widespread electronic public notice, notification to unsuccessful suppliers *shall* be given only if requested or required by 5.301.

(d) *Request for information.* If a supplier requests information on an award that was based on factors other than price alone, a brief explanation of the basis for the contract award decision *shall* be provided (see 15.503(b)(2)).

(e) *Taxpayer Identification Number.* If an oral *solicitation* is used, the *contracting officer* *shall* ensure that the copy of the award document sent to the payment office is annotated with the contractor's *Taxpayer Identification Number (TIN)* and type of organization (see 4.203), unless this information will be obtained from some other source (e.g., centralized database). The *contracting officer* *shall* disclose to the contractor that the TIN *may* be used by the Government to collect and report on any delinquent amounts arising out of the contractor's relationship with the Government (31 U.S.C. 7701(c)(3)).

Subpart 13.2 - Actions At or Below the Micro-Purchase Threshold

13.201 General.

- (a) *Agency heads* are encouraged to delegate *micro-purchase* authority (see 1.603-3).
- (b) The *Governmentwide commercial purchase card* *shall* be the preferred method to purchase and to pay for *micro-purchases* (see 2.101).
- (c) Purchases at or below the *micro-purchase threshold* *may* be conducted using any of the methods described in subpart 13.3, provided the purchaser is authorized and trained, pursuant to agency procedures, to use those methods.
- (d) *Micro-purchases* do not require provisions or clauses, except as provided at 13.202 and 32.1110. This paragraph takes precedence over any other FAR requirement to the contrary, but does not prohibit the use of any clause.
- (e) The requirements in part 8 apply to purchases at or below the *micro-purchase threshold*.
- (f) The *procurement* requirements in 23.1 apply to purchases at or below the *micro-purchase threshold*.
- (g)
 - (1) For *acquisitions* of *supplies* or services that, as determined by the *head of the agency*, are to be

used to support a *contingency operation*; to facilitate defense against or recovery from cyber, nuclear, biological, chemical, or radiological attack; to support a request from the Secretary of State or the Administrator of the *United States* Agency for International Development to facilitate provision of international disaster assistance pursuant to 22 U.S.C. 2292 et seq; or to support response to an *emergency* or *major disaster* (42 U.S.C. 5122), the *micro-purchase threshold* is—

(i) \$25,000 in the case of any contract to be awarded and performed, or purchase to be made, inside the *United States*; and

(ii) \$40,000 in the case of any contract to be awarded and performed, or purchase to be made, outside the *United States*.

(2) Purchases using this authority *must* have a clear and direct relationship to the support of a *contingency operation*; or the defense against or recovery from cyber, nuclear, biological, chemical, or radiological attack; international disaster assistance; or an *emergency* or *major disaster*.

(h) When using the *Governmentwide commercial purchase card* as a method of payment, purchases at or below the *micro-purchase threshold* are exempt from verification in the *System for Award Management* as to whether the contractor has a delinquent debt subject to collection under the Treasury Offset Program (TOP).

(i) Do not purchase any hardware, software, or services developed or provided by Kaspersky Lab that the Government will use on or after October 1, 2018. (See 4.2002).

(j)

(1) On or after August 13, 2019, do not procure or obtain, or extend or renew a contract to procure or obtain, any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential *component* of any system, or as critical technology as part of any system, unless an exception applies or a waiver is granted. (See subpart 4.21.)

(2) On or after August 13, 2020, agencies are prohibited from entering into a contract, or extending or renewing a contract, with an entity that uses any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential *component* of any system, or as critical technology as part of any system, unless an exception applies or a waiver is granted (see subpart 4.21). This prohibition applies to the use of covered telecommunications equipment or services, regardless of whether that use is in performance of work under a Federal contract.

(k) The prohibition in subpart 4.22 on use of a covered application (“TikTok”) applies to purchases at or below the *micro-purchase threshold* where the performance of the contract *may* require the presence or use of a covered application, (e.g., where social media advertising services might be part of the *procurement*), unless an exception is granted in accordance with Office of Management and Budget Memorandum M-23-13 (see 4.2202).

(l) Do not procure or obtain, or extend or renew a contract to procure or obtain, any covered article, or any *products* or services produced or provided by a source, including contractor use of covered articles or sources, if prohibited from doing so by an applicable Federal Acquisition Supply Chain Security Act (FASCSA) order issued by the Director of National Intelligence, Secretary of Defense, or Secretary of Homeland Security (see 4.2303).

(m) The prohibitions on unmanned aircraft systems (e.g., drones) in 40.202 apply to purchases at or below the *micro-purchase threshold*.

13.202 Unenforceability of unauthorized obligations in micro-purchases.

Many *supplies* or services are acquired subject to supplier license agreements. These are particularly common in *information technology acquisitions*, but they *may* apply to any supply or service. For example, *computer software* and services delivered through the internet (web services) are often subject to license agreements, referred to as End User License Agreements (EULA), Terms of Service (TOS), or other similar legal instruments or agreements. Many of these agreements contain indemnification clauses that are inconsistent with Federal law and unenforceable, but which could create a violation of the Anti-Deficiency Act ([31 U.S.C. 1341](#)) if agreed to by the Government. The clause at [52.232-39](#), Unenforceability of Unauthorized Obligations, automatically applies to any *micro-purchase*, including those made with the Governmentwide purchase card. This clause prevents such violations of the Anti-Deficiency Act ([31 U.S.C. 1341](#)).

13.203 Purchase guidelines.

(a) *Solicitation*, evaluation of quotations, and award.

- (1) To the extent practicable, *micro-purchases shall* be distributed equitably among qualified suppliers.
- (2) *Micro-purchases may* be awarded without soliciting competitive quotations if the *contracting officer* or individual appointed in accordance with [1.603-3\(b\)](#) considers the price to be reasonable.
- (3) The administrative cost of verifying the reasonableness of the price for purchases *may* more than offset potential savings from detecting instances of overpricing. Therefore, action to verify price reasonableness need only be taken if:
 - (i) The *contracting officer* or individual appointed in accordance with [1.603-3\(b\)](#) suspects or has information to indicate that the price *may* not be reasonable (*e.g.*, comparison to the previous price paid or personal knowledge of the supply or service); or
 - (ii) Purchasing a supply or service for which no comparable *pricing* information is readily available (*e.g.*, a supply or service that is not the same as, or is not similar to, other *supplies* or services that have recently been purchased on a competitive basis).
- (b) *Documentation*. If competitive quotations were solicited and award was made to other than the low quoter, documentation to support the purchase *may* be limited to identification of the solicited concerns and an explanation for the award decision.

Subpart 13.3 - Simplified Acquisition Methods

13.301 Governmentwide commercial purchase card.

- (a) Except as provided in [32.1108\(b\)\(2\)](#), the *Governmentwide commercial purchase card* is authorized for use in making and/or paying for purchases of *supplies*, services, or *construction*. The *Governmentwide commercial purchase card* *may* be used by *contracting officers* and other

individuals designated in accordance with [1.603-3](#). The card *may* be used only for purchases that are otherwise authorized by law or regulation.

(b) Agencies using the *Governmentwide commercial purchase card shall* establish procedures for use and control of the card that comply with the Treasury Financial Manual for Guidance of Departments and Agencies (TFM 4-4500) and that are consistent with the terms and conditions of the current GSA credit card contract. Agency procedures *should* not limit the use of the *Governmentwide commercial purchase card to micro-purchases*. Agency procedures *should* encourage use of the card in greater dollar amounts by *contracting officers* to place orders and to pay for purchases against contracts established under [part 8](#) procedures, when authorized; and to place orders and/or make payment under other contractual instruments, when agreed to by the contractor. See [32.1110\(d\)](#) for instructions for use of the appropriate clause when payment under a written contract will be made through use of the card.

(c) The *Governmentwide commercial purchase card may* be used to-

- (1) Make *micro-purchases*;
- (2) Place a task or *delivery order* (if authorized in the basic contract, basic ordering agreement, or blanket purchase agreement); or
- (3) Make payments, when the contractor agrees to accept payment by the card (but see [32.1108\(b\)\(2\)](#)).

13.302 Purchase orders.

13.302-1 General.

(a) Except as provided under the unpriced *purchase order* method (see [13.302-2](#)), *purchase orders* generally are issued on a fixed-price basis. See [12.207](#) for *acquisition of commercial products and commercial services*.

(b) *Purchase orders shall-*

- (1) Specify the quantity of *supplies* or scope of services ordered;
- (2) Contain a determinable date by which delivery of the *supplies* or performance of the services is required;
- (3) Provide for *inspection* as prescribed in [part 46](#). Generally, *inspection* and acceptance *should* be at destination. Source *inspection* *should* be specified only if required by [part 46](#). When *inspection* and acceptance will be performed at destination, advance copies of the *purchase order* or equivalent notice *shall* be furnished to the consignee(s) for material receipt purposes. *Receiving reports shall* be accomplished immediately upon receipt and acceptance of *supplies*;
- (4) Specify *f.o.b. destination* for *supplies* to be delivered within the *United States*, except Alaska or Hawaii, unless there are valid reasons to the contrary; and
- (5) Include any trade and prompt payment discounts that are offered, consistent with the applicable principles at [14.408-3](#).

(c) The *contracting officer's signature* on *purchase orders* shall be in accordance with 4.101 and the definitions at 2.101. Facsimile and electronic *signature* may be used in the production of *purchase orders* by automated methods.

(d) Limit the distribution of copies of *purchase orders* and related forms to the minimum deemed essential for administration and transmission of contractual information.

(e) In accordance with 31 U.S.C.3332, *electronic funds transfer (EFT)* is required for payments except as provided in 32.1110. See subpart 32.11 for instructions for use of the appropriate clause in *purchase orders*. When obtaining oral quotes, the *contracting officer* shall inform the quoter of the EFT clause that will be in any resulting *purchase order*.

13.302-2 Unpriced purchase orders.

(a) An unpriced *purchase order* is an order for *supplies* or services, the price of which is not established at the time of issuance of the order.

(b) An unpriced *purchase order* may be used only when-

(1) It is impractical to obtain *pricing* in advance of issuance of the *purchase order*; and

(2) The purchase is for-

(i) Repairs to equipment requiring disassembly to determine the nature and extent of repairs;

(ii) Material available from only one source and for which cost cannot readily be established; or

(iii) *Supplies* or services for which prices are known to be competitive, but exact prices are not known (e.g., miscellaneous repair parts, maintenance agreements).

(c) Unpriced *purchase orders* may be issued on paper or electronically. A realistic monetary limitation, either for each *line item* or for the total order, shall be placed on each unpriced *purchase order*. The monetary limitation shall be an obligation subject to adjustment when the firm price is established. The *contracting office* shall follow up on each order to ensure timely *pricing*. The *contracting officer* or the *contracting officer's* designated representative shall review the *invoice* price and, if reasonable (see 13.106-3(a)), process the *invoice* for payment.

13.302-3 Obtaining contractor acceptance and modifying purchase orders.

(a) When it is desired to consummate a binding contract between the parties before the contractor undertakes performance, the *contracting officer* shall require written (see 2.101) acceptance of the *purchase order* by the contractor.

(b) Each *purchase order* modification shall identify the order it modifies and shall contain an appropriate modification number.

(c) A contractor's written acceptance of a *purchase order* modification may be required only if-

(1) Determined by the *contracting officer* to be necessary to ensure the contractor's compliance with the *purchase order* as revised; or

(2) Required by agency regulations.

13.302-4 Termination or cancellation of purchase orders.

(a) If a *purchase order* that has been accepted *in writing* by the contractor is to be terminated, the *contracting officer shall* process the termination in accordance with-

- (1) 12.403 and 52.212-4(l) or (m) for *commercial products* and *commercial services*; or
- (2) part 49 or 52.213-4 for other than *commercial products* or *commercial services*.

(b) If a *purchase order* that has not been accepted *in writing* by the contractor is to be canceled, the *contracting officer shall* notify the contractor *in writing* that the *purchase order* has been canceled, request the contractor's written acceptance of the cancellation, and proceed as follows:

- (1) If the contractor accepts the cancellation and does not *claim* that costs were incurred as a result of beginning performance under the *purchase order*, no further action is required (*i.e.*, the *purchase order shall* be considered canceled).
- (2) If the contractor does not accept the cancellation or *claims* that costs were incurred as a result of beginning performance under the *purchase order*, the *contracting officer shall* process the action as a termination prescribed in paragraph (a) of this subsection.

13.302-5 Clauses.

(a) Each *purchase order* (and each *purchase order* modification (see 13.302-3)) *shall* incorporate all clauses prescribed for the particular *acquisition*.

(b) The *contracting officer shall* insert the clause at 52.213-2, Invoices, in *purchase orders* that authorize advance payments (see 31 U.S.C. 3324(d)(2)) for subscriptions or other charges for newspapers, magazines, periodicals, or other publications (*i.e.*, any publication printed, microfilmed, photocopied, or magnetically or otherwise recorded for auditory or visual usage).

(c) The *contracting officer shall* insert the clause at 52.213-3, Notice to Supplier, in unpriced *purchase orders*.

(d)

(1) The *contracting officer may* use the clause at 52.213-4, Terms and Conditions-Simplified Acquisitions (Other Than Commercial Products and Commercial Services;), in simplified *acquisitions* exceeding the *micro-purchase threshold* that are for other than *commercial products* or *commercial services* (see 12.301).

(2) The clause-

- (i) Is a compilation of the most commonly used clauses that apply to simplified *acquisitions*; and
- (ii) *May* be modified to fit the individual *acquisition* to add other needed clauses, or those clauses *may* be added separately. Modifications (*i.e.*, additions, deletions, or substitutions) *must* not create a

void or internal contradiction in the clause. For example, do not add an *inspection* and acceptance or *termination for convenience* requirement unless the existing requirement is deleted. Also, do not delete a paragraph without providing for an appropriate substitute.

(3)

(i) When an *acquisition* for *supplies* for use within the *United States* cannot be set aside for small business concerns and trade agreements apply (see subpart 25.4), substitute the clause at 52.225-3, Buy American-Free Trade Agreements-Israeli Trade Act, used with the appropriate *Alternate* (see 25.1101(b)(1)), instead of the clause at 52.225-1, Buy American-*Supplies*.

(ii) When acquiring *supplies* for use outside the *United States*, delete clause 52.225-1 from the clause list at 52.213-4(b).

(4) When the *senior procurement executive* allows for application of an *alternate* domestic content test for the contract in accordance with 25.101(d), so that the initial domestic content threshold will apply to the entire period of performance, the *contracting officer shall* fill in the 52.213-4(b)(1)(xviii)(B) for 52.225-1 *Alternate* I as follows: For contracts that the *contracting officer* estimates will be awarded in calendar year 2022 or 2023, the *contracting officer shall* insert "60" in paragraph (1)(ii)(A) of the definition of domestic *end product*. For contracts that the *contracting officer* estimates will be awarded in calendar year 2024, 2025, 2026, 2027, or 2028, the *contracting officer shall* insert "65". For contracts that the *contracting officer* estimates will be awarded after calendar year 2028 the *contracting officer shall* insert "75".

13.303 Blanket purchase agreements (BPAs).

13.303-1 General.

(a) A blanket purchase agreement (BPA) is a simplified method of filling anticipated repetitive needs for *supplies* or services by establishing "charge accounts" with qualified sources of supply (see subpart 16.7 for additional coverage of agreements).

(b) BPAs *should* be established for use by an organization responsible for providing *supplies* for its own operations or for other offices, installations, projects, or functions. Such organizations, for example, *may* be organized supply points, separate independent or detached field parties, or one-person posts or activities.

(c) The use of BPAs does not exempt an agency from the responsibility for keeping obligations and expenditures within available funds.

13.303-2 Establishment of BPAs.

(a) The following are circumstances under which *contracting officers may* establish BPAs:

(1) There is a wide variety of items in a broad class of *supplies* or services that are generally purchased, but the exact items, quantities, and delivery requirements are not known in advance and *may* vary considerably.

(2) There is a need to provide commercial sources of supply for one or more offices or projects in a given area that do not have or need authority to purchase otherwise.

(3) The use of this procedure would avoid the writing of numerous *purchase orders*.

(4) There is no existing requirements contract for the same supply or service that the *contracting activity* is required to use.

(b) After determining a BPA would be advantageous, *contracting officers shall*-

(1) Establish the parameters to limit purchases to individual items or commodity groups or classes, or permit the supplier to furnish unlimited *supplies* or services; and

(2) Consider suppliers whose *past performance* has shown them to be dependable, who *offer* quality *supplies* or services at consistently lower prices, and who have provided numerous purchases at or below the *simplified acquisition threshold*.

(c) BPAs *may* be established with-

(1) More than one supplier for *supplies* or services of the same type to provide maximum practicable competition;

(2) A single firm from which numerous individual purchases at or below the *simplified acquisition threshold* will likely be made in a given period; or

(3) Federal Supply Schedule contractors, if not inconsistent with the terms of the applicable schedule contract.

(d) BPAs *should* be prepared without a purchase requisition and only after contacting suppliers to make the necessary arrangements for-

(1) Securing maximum discounts;

(2) Documenting individual purchase transactions;

(3) Periodic billings; and

(4) Incorporating other necessary details.

13.303-3 Preparation of BPAs.

Prepare BPAs on the forms specified in [13.307](#). Do not cite accounting and appropriation data (see [13.303-5\(e\)\(4\)](#)).

(a) The following terms and conditions are mandatory:

(1) *Description of agreement.* A statement that the supplier *shall* furnish *supplies* or services, described in general terms, if and when requested by the *contracting officer* (or the authorized representative of the *contracting officer*) during a specified period and within a stipulated aggregate amount, if any.

(2) *Extent of obligation.* A statement that the Government is obligated only to the extent of

authorized purchases actually made under the BPA.

(3) *Purchase limitation.* A statement that specifies the dollar limitation for each individual purchase under the BPA (see 13.303-5(b)).

(4) *Individuals authorized to purchase under the BPA.* A statement that a list of individuals authorized to purchase under the BPA, identified either by title of position or by name of individual, organizational *component*, and the dollar limitation per purchase for each position title or individual *shall* be furnished to the supplier by the *contracting officer*.

(5) *Delivery tickets.* A requirement that all *shipments* under the agreement, except those for newspapers, magazines, or other periodicals, *shall* be accompanied by delivery tickets or sales slips that *shall* contain the following minimum information:

(i) Name of supplier.

(ii) BPA number.

(iii) Date of purchase.

(iv) Purchase number.

(v) Itemized list of *supplies* or services furnished.

(vi) Quantity, unit price, and extension of each item, less applicable discounts (unit prices and extensions need not be shown when incompatible with the use of automated systems, provided that the *invoice* is itemized to show this information).

(vii) Date of delivery or *shipment*.

(6) *Invoices.* One of the following statements *shall* be included (except that the statement in paragraph (a)(6)(iii) of this subsection *should* not be used if the accumulation of the individual *invoices* by the Government materially increases the administrative costs of this purchase method):

(i) A summary *invoice* *shall* be submitted at least monthly or upon expiration of this BPA, whichever occurs first, for all deliveries made during a billing period, identifying the delivery tickets covered therein, stating their total dollar value, and supported by receipt copies of the delivery tickets.

(ii) An itemized *invoice* *shall* be submitted at least monthly or upon expiration of this BPA, whichever occurs first, for all deliveries made during a billing period and for which payment has not been received. These *invoices* need not be supported by copies of delivery tickets.

(iii) When billing procedures provide for an individual *invoice* for each delivery, these *invoices* *shall* be accumulated, provided that-

(A) A consolidated payment will be made for each specified period; and

(B) The period of any discounts will commence on the final date of the billing period or on the date of receipt of *invoices* for all deliveries accepted during the billing period, whichever is later.

(iv) An *invoice* for subscriptions or other charges for newspapers, magazines, or other periodicals *shall* show the starting and ending dates and *shall* state either that ordered subscriptions have been placed in effect or will be placed in effect upon receipt of payment.

(b) If the fast payment procedure is used, include the requirements stated in 13.403.

13.303-4 Clauses.

(a) The *contracting officer shall* insert in each BPA the clauses prescribed elsewhere in this part that are required for or applicable to the particular BPA.

(b) Unless a clause prescription specifies otherwise (e.g., see 22.305(a), 22.605(a)(5), or 22.1006), if the prescription includes a dollar threshold, the amount to be compared to that threshold is that of any particular order under the BPA.

13.303-5 Purchases under BPAs.

(a) Use a BPA only for purchases that are otherwise authorized by law or regulation.

(b) Individual purchases *shall* not exceed the *simplified acquisition threshold*. However, agency regulations *may* establish a higher threshold consistent with the following:

(1) The *simplified acquisition threshold* and the \$9 million limitation for individual purchases (\$15 million for purchases entered into under the authority of 12.102(f)(1)) do not apply to BPAs established in accordance with 13.303-2(c)(3).

(2) The limitation for individual purchases for *commercial products* and *commercial services acquisitions* conducted under subpart 13.5 is \$9 million (\$15 million for *acquisitions* as described in 13.500(c)).

(c) The existence of a BPA does not justify purchasing from only one source or avoiding small business set-asides. The requirements of 13.003(b) and subpart 19.5 also apply to each order.

(d) If, for a particular purchase greater than the *micro-purchase threshold*, there is an insufficient number of BPAs to ensure maximum practicable competition, the *contracting officer shall*-

(1) Solicit quotations from other sources (see 13.105) and make the purchase as appropriate; and

(2) Establish additional BPAs to facilitate future purchases if-

(i) Recurring requirements for the same or similar *supplies* or services seem likely;

(ii) Qualified sources are willing to accept BPAs; and

(iii) It is otherwise practical to do so.

(e) Limit documentation of purchases to essential information and forms as follows:

(1) Purchases generally *should* be made electronically, or orally when it is not considered economical or practical to use electronic methods.

(2) A paper purchase document *may* be issued if necessary to ensure that the supplier and the purchaser agree concerning the transaction.

(3) Unless a paper document is issued, record essential elements (e.g., date, supplier, *supplies* or

services, price, delivery date) on the purchase requisition, in an informal memorandum, or on a form developed locally for the purpose.

(4) Cite the pertinent purchase requisitions and the accounting and appropriation data.

(5) When delivery is made or the services are performed, the supplier's sales document, delivery document, or *invoice may* (if it reflects the essential elements) be used for the purpose of recording receipt and acceptance of the *supplies* or services. However, if the purchase is assigned to another activity for administration, the authorized Government representative *shall* document receipt and acceptance of *supplies* or services by signing and dating the agency specified form after verification and after notation of any exceptions.

13.303-6 Review procedures.

(a) The *contracting officer* placing orders under a BPA, or the designated representative of the *contracting officer*, *shall* review a sufficient random sample of the BPA files at least annually to ensure that authorized procedures are being followed.

(b) The *contracting officer* that entered into the BPA *shall*–

(1) Ensure that each BPA is reviewed at least annually and, if necessary, updated at that time; and

(2) Maintain awareness of changes in market conditions, sources of supply, and other pertinent factors that *may* warrant making new arrangements with different suppliers or modifying existing arrangements.

(c) If an office other than the purchasing office that established a BPA is authorized to make purchases under that BPA, the agency that has jurisdiction over the office authorized to make the purchases *shall* ensure that the procedures in paragraph (a) of this subsection are being followed.

13.303-7 Completion of BPAs.

An individual BPA is considered complete when the purchases under it equal its total dollar limitation, if any, or when its stated time period expires.

13.303-8 Optional clause.

The clause at 52.213-4, Terms and Conditions-Simplified Acquisitions (Other Than Commercial Products and Commercial Services;), *may* be used in BPAs established under this section.

13.304 [Reserved]

13.305 Imprest funds and third party drafts.

13.305-1 General.

Imprest funds and third party drafts may be used to acquire and to pay for *supplies* or services. Policies and regulations concerning the establishment of and accounting for *imprest funds* and *third party drafts*, including the responsibilities of designated cashiers and *alternates*, are contained in Part IV of the Treasury Financial Manual for Guidance of Departments and Agencies, Title 7 of the GAO Policy and Procedures Manual for Guidance of *Federal Agencies*, and the agency implementing regulations. Agencies also *shall* be guided by the Manual of Procedures and Instructions for Cashiers, issued by the Financial Management Service, Department of the Treasury.

13.305-2 Agency responsibilities.

Each agency using *imprest funds* and *third party drafts* *shall* -

- (a) Periodically review and determine whether there is a continuing need for each fund or *third party draft* account established, and that amounts of those funds or accounts are not in excess of actual needs;
- (b) Take prompt action to have *imprest funds* or *third party draft* accounts adjusted to a level commensurate with demonstrated needs whenever circumstances warrant such action; and
- (c) Develop and issue appropriate implementing regulations. These regulations *shall* include (but are not limited to) procedures covering -
 - (1) Designation of personnel authorized to make purchases using *imprest funds* or *third party drafts*; and
 - (2) Documentation of purchases using *imprest funds* or *third party drafts*, including documentation of -
 - (i) Receipt and acceptance of *supplies* and services by the Government;
 - (ii) Receipt of cash or *third party draft* payments by the suppliers; and
 - (iii) Cash advances and reimbursements.

13.305-3 Conditions for use.

Imprest funds or *third party drafts* may be used for purchases when -

- (a) The *imprest fund* transaction does not exceed \$500 or such other limits as have been approved by the *agency head*;
- (b) The *third party draft* transaction does not exceed \$2,500, unless authorized at a higher level in accordance with Treasury restrictions;
- (c) The use of *imprest funds* or *third party drafts* is considered to be advantageous to the Government; and

(d) The use of *imprest funds* or *third party drafts* for the transaction otherwise complies with any additional conditions established by agencies and with the policies and regulations referenced in [13.305-1](#).

13.305-4 Procedures.

(a) Each purchase using *imprest funds* or *third party drafts* shall be based upon an authorized purchase requisition, *contracting officer* verification statement, or other agency approved method of ensuring that adequate funds are available for the purchase.

(b) Normally, purchases should be placed orally and without soliciting competition if prices are considered reasonable.

(c) Since there is, for all practical purposes, simultaneous placement of the order and delivery of the items, clauses are not required for purchases using *imprest funds* or *third party drafts*.

(d) Forms prescribed at [13.307\(e\)](#) may be used if a written order is considered necessary (e.g., if required by the supplier for discount, tax exemption, or other reasons). If a *purchase order* is used, endorse it "Payment to be made from *Imprest Fund*" (or "Payment to be made from *Third Party Draft*," as appropriate).

(e) The individual authorized to make purchases using *imprest funds* or *third party drafts* shall-

(1) Furnish to the *imprest fund* or *third party draft* cashier a copy of the document required under paragraph (a) of this subsection annotated to reflect-

(i) That an *imprest fund* or *third party draft* purchase has been made;

(ii) The unit prices and extensions; and

(iii) The supplier's name and address; and

(2) Require the supplier to include with delivery of the *supplies* an *invoice*, packing slip, or other sales instrument giving-

(i) The supplier's name and address;

(ii) List and quantity of items supplied;

(iii) Unit prices and extensions; and

(iv) Cash discount, if any.

13.306 SF 44, Purchase Order-Invoice-Voucher.

The [SF 44](#), *Purchase Order-Invoice-Voucher*, is a multipurpose pocket-size *purchase order* form designed primarily for on-the-spot, over-the-counter purchases of *supplies* and nonpersonal services while away from the purchasing office or at isolated activities. It also can be used as a *receiving report*, *invoice*, and public voucher.

(a) This form *may* be used if all of the following conditions are satisfied:

- (1) The amount of the purchase is at or below the *micro-purchase threshold*, except for purchases made under unusual and compelling urgency or in support of *contingency operations*. Agencies *may* establish higher dollar limitations for specific activities or items.
- (2) The *supplies* or services are immediately available.
- (3) One delivery and one payment will be made.
- (4) Its use is determined to be more economical and efficient than use of other *simplified acquisition procedures*.

(b) General procedural instructions governing the form's use are printed on the form and on the inside front cover of each book of forms.

(c) Since there is, for all practical purposes, simultaneous placement of the order and delivery of the items, clauses are not required for purchases using this form.

(d) Agencies *shall* provide adequate safeguards regarding the control of forms and accounting for purchases.

13.307 Forms.

(a) *Commercial products and commercial services*. For use of the SF 1449, *Solicitation/Contract/Order for Commercial Products and Commercial Services*, see 12.204.

(b) *Other than commercial products and commercial services*.

- (1) Except when quotations are solicited electronically or orally, the SF 1449; SF 18, Request for Quotations; or an agency form/automated format *may* be used. Each agency request for quotations form/automated format *should* conform with the SF 18 or SF 1449 to the maximum extent practicable.
- (2) Both SF 1449 and OF 347, Order for *Supplies* or Services, are multipurpose forms used for negotiated purchases of *supplies* or services, delivery or *task orders*, *inspection* and *receiving reports*, and *invoices*. An agency form/automated format also *may* be used.

Subpart 13.4 - Fast Payment Procedure

13.401 General.

(a) The fast payment procedure allows payment under limited conditions to a contractor prior to the Government's verification that *supplies* have been received and accepted. The procedure provides for payment for *supplies* based on the contractor's submission of an *invoice* that constitutes a certification that the contractor-

(1) Has delivered the *supplies* to a post office, common carrier, or point of first receipt by the Government; and

(2) *Shall* replace, repair, or correct *supplies* not received at destination, damaged in transit, or not conforming to purchase agreements.

(b) The *contracting officer shall* be primarily responsible for determining the amount of debts resulting from failure of contractors to properly replace, repair, or correct *supplies* lost, damaged, or not conforming to purchase requirements (see 32.602 and 32.603).

13.402 Conditions for use.

If the conditions in paragraphs (a) through (f) of this section are present, the fast payment procedure *may* be used, provided that use of the procedure is consistent with the other conditions of the purchase. The conditions for use of the fast payment procedure are as follows:

(a) Individual purchasing instruments do not exceed \$45,000, except that *executive agencies may* permit higher dollar limitations for specified activities or items on a case-by-case basis.

(b) Deliveries of *supplies* are to occur at locations where there is both a geographical separation and a lack of adequate communications facilities between Government receiving and disbursing activities that will make it impractical to make timely payment based on evidence of Government acceptance.

(c) Title to the *supplies* passes to the Government-

(1) Upon delivery to a post office or common carrier for mailing or *shipment* to destination; or

(2) Upon receipt by the Government if the *shipment* is by means other than Postal Service or common carrier.

(d) The supplier agrees to replace, repair, or correct *supplies* not received at destination, damaged in transit, or not conforming to purchase requirements.

- (e) The purchasing instrument is a firm-fixed-price contract, a *purchase order*, or a *delivery order* for *supplies*.
- (f) A system is in place to ensure-
 - (1) Documentation of evidence of contractor performance under fast payment purchases;
 - (2) Timely feedback to the *contracting officer* in case of contractor deficiencies; and
 - (3) Identification of suppliers that have a current history of abusing the fast payment procedure (also see subpart 9.1).

13.403 Preparation and execution of orders.

Priced or unpriced contracts, *purchase orders*, or BPAs using the fast payment procedure *shall* include the following:

- (a) A requirement that the *supplies* be shipped transportation or postage prepaid.
- (b) A requirement that *invoices* be submitted directly to the finance or other office designated in the order, or in the case of unpriced *purchase orders*, to the *contracting officer* (see 13.302-2(c)).
- (c) The following statement on the consignee's copy:

Consignee's Notification to Purchasing Activity of Nonreceipt, Damage, or Nonconformance

The consignee *shall* notify the purchasing office promptly after the specified date of delivery of *supplies* not received, damaged in transit, or not conforming to specifications of the *purchase order*. Unless extenuating circumstances exist, the notification *should* be made not later than 60 days after the specified date of delivery.

13.404 Contract clause.

The *contracting officer* *shall* insert the clause at 52.213-1, Fast Payment Procedure, in *solicitations* and contracts when the conditions in 13.402 are applicable and it is intended that the fast payment procedure be used in the contract (in the case of BPAs, the *contracting officer* *may* elect to insert the clause either in the BPA or in orders under the BPA).

Subpart 13.5 - Simplified Procedures for Certain Commercial Products and Commercial Services

13.500 General.

- (a) This subpart authorizes the use of simplified procedures for the *acquisition* of *supplies* and services in amounts greater than the *simplified acquisition threshold* but not exceeding \$9 million (\$15 million for *acquisitions* as described in 13.500(c)), including *options*, if the *contracting officer* reasonably expects, based on the nature of the *supplies* or services sought, and on *market research*,

that *offers* will include only *commercial products* or *commercial services*. *Contracting officers* may use any simplified *acquisition* procedure in this part, subject to any specific dollar limitation applicable to the particular procedure. The purpose of these simplified procedures is to vest *contracting officers* with additional procedural discretion and flexibility, so that *commercial acquisitions* in this dollar range *may* be solicited, offered, evaluated, and awarded in a simplified manner that maximizes efficiency and economy and minimizes burden and administrative costs for both the Government and industry ([10 U.S.C. 3205-3208](#) and chapter 241 and [41 U.S.C.3305](#), 3306, and chapter 37, Awarding of Contracts).

(b) When acquiring *commercial products* or *commercial services* using the procedures in this part, the requirements of part 12 apply subject to the order of precedence provided at 12.102(c). This includes use of the provisions and clauses in subpart 12.3.

(c) Under [41 U.S.C. 1903](#), the *simplified acquisition procedures* authorized in this subpart *may* be used for *acquisitions* that do not exceed \$15 million when-

(1) The *acquisition* is for *commercial products* or *commercial services* that, as determined by the *head of the agency*, are to be used in support of a *contingency operation*; to facilitate the defense against or recovery from cyber, nuclear, biological, chemical, or radiological attack; to support a request from the Secretary of State or the Administrator of the *United States Agency for International Development* to facilitate provision of international disaster assistance; or to support response to an *emergency* or *major disaster*, or

(2) The *acquisition* will be treated as an *acquisition* of *commercial products* or *commercial services* in accordance with 12.102(f)(1).

13.501 Special documentation requirements.

(a) Sole source (including brand name) *acquisitions*.

(1) *Acquisitions* conducted under *simplified acquisition procedures* are exempt from the requirements in part 6. However, *contracting officers* must-

(i) Conduct *sole source acquisitions*, as defined in 2.101, (including brand name) under this subpart only if the need to do so is justified *in writing* and approved at the levels specified in paragraph (a)(2) of this section;

(ii) Prepare sole source (including brand name) justifications using the format at 6.303-2, modified to reflect that the procedures in FAR subpart 13.5 were used in accordance with [41 U.S.C.1901](#) or the authority of [41 U.S.C. 1903](#);

(iii) Make publicly available the justifications (excluding brand name) required by 6.305(a) within 14 days after contract award or in the case of unusual and compelling urgency within 30 days after contract award, in accordance with 6.305 procedures at paragraphs (b), (d), (e), and (f); and

(iv) Make publicly available brand name justifications with the *solicitation*, in accordance with 5.102(a)(6).

(2) Justifications and approvals are required under this subpart for sole-source (including brand-name) *acquisitions* or portions of an *acquisition* requiring a brand-name. If the justification is to

cover only the portion of the *acquisition* which is brand-name, then it *should* so state; the approval level requirements will then only apply to that portion.

- (i) For a proposed contract exceeding the *simplified acquisition threshold*, but not exceeding \$900,000, the *contracting officer*'s certification that the justification is accurate and complete to the best of the *contracting officer*'s knowledge and belief will serve as approval, unless a higher approval level is established in accordance with agency procedures.
- (ii) For a proposed contract exceeding \$900,000 or the thresholds in paragraph (1) of the definition of *simplified acquisition threshold* in 2.101, but not exceeding \$20 million, the advocate for competition for the *procuring activity*, designated pursuant to 6.501; or an official described in 6.304(a)(3) or (a)(4) *must* approve the justification and approval. This authority is not delegable.
- (iii) For a proposed contract exceeding \$20 million but not exceeding \$90 million or, for DoD, NASA, and the Coast Guard, not exceeding \$150 million, the head of the *procuring activity* or the official described in 6.304(a)(3) or (a)(4) *must* approve the justification and approval. This authority is not delegable.
- (iv) For a proposed contract exceeding \$90 million or, for DoD, NASA, and the Coast Guard, \$150 million, the official described in 6.304(a)(4) *must* approve the justification and approval. This authority is not delegable except as provided in 6.304(a)(4).

(b) *Contract file documentation.* The contract file *must* include-

- (1) A brief written description of the procedures used in awarding the contract, including the fact that the procedures in FAR subpart 13.5 were used;
- (2) The number of *offers* received;
- (3) An explanation, tailored to the size and complexity of the *acquisition*, of the basis for the contract award decision; and
- (4) Any justification approved under paragraph (a) of this section.
