

14.304 Submission, modification, and withdrawal of bids.

(a) Bidders are responsible for submitting bids, and any modifications or withdrawals, so as to reach the Government office designated in the invitation for bid (IFB) by the time specified in the IFB. They *may* use any transmission method authorized by the IFB (i.e., regular mail, *electronic commerce*, or facsimile). If no time is specified in the IFB, the time for receipt is 4:30 p.m., local time, for the designated Government office on the date that bids are due.

(b)

(1) Any bid, modification, or withdrawal of a bid received at the Government office designated in the IFB after the exact time specified for receipt of bids is "late" and will not be considered unless it is received before award is made, the *contracting officer* determines that accepting the late bid would not unduly delay the *acquisition*; and-

(i) If it was transmitted through an *electronic commerce* method authorized by the IFB, it was received at the initial point of entry to the Government infrastructure not later than 5:00 p.m. on a working day prior to the date specified for receipt of bids; or

(ii) There is acceptable evidence to establish that it was received at the Government installation designated for receipt of bids and was under the Government's control prior to the time set for receipt of bids.

(2) However, a late modification of an otherwise successful bid, that makes its terms more favorable to the Government, will be considered at any time it is received and *may* be accepted.

(c) Acceptable evidence to establish the time of receipt at the Government installation includes the time/date stamp of that installation on the bid wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of Government personnel.

(d) If an *emergency* or unanticipated event interrupts normal Government processes so that bids cannot be received at the Government office designated for receipt of bids by the exact time specified in the IFB, and urgent Government requirements preclude amendment of the bid opening date, the time specified for receipt of bids will be deemed to be extended to the same time of day specified in the IFB on the first work day on which normal Government processes resume.

(e) Bids *may* be withdrawn by written notice received at any time before the exact time set for receipt of bids. If the IFB authorizes facsimile bids, bids *may* be withdrawn via facsimile received at any time before the exact time set for receipt of bids, subject to the conditions specified in the provision at [52.214-31](#), Facsimile Bids. A bid *may* be withdrawn in person by a bidder or its authorized representative if, before the exact time set for receipt of bids, the identity of the person requesting withdrawal is established and the person signs a receipt for the bid. Upon withdrawal of an electronically transmitted bid, the data received *must* not be viewed and, where practicable, *must* be purged from primary and backup data storage systems.

(f) The *contracting officer* *must* promptly notify any bidder if its bid, modification, or withdrawal was received late, and *must* inform the bidder whether its bid will be considered, unless contract award is imminent and the notices prescribed in [14.409](#) would suffice.

(g) Late bids and modifications that are not considered *must* be held unopened, unless opened for identification, until after award and then retained with other unsuccessful bids. However, any bid bond or guarantee *must* be returned.

(h) If available, the following *must* be included in the contract files for each late bid, modification, or withdrawal:

(1) The date and hour of receipt.

(2) A statement, with supporting rationale, regarding whether the bid was considered for award.

(3) The envelope, wrapper, or other evidence of the date of receipt.
