14.502 Conditions for use.

- (a) Unless other factors require the use of sealed bidding, two-step sealed bidding *may* be used in preference to negotiation when all of the following conditions are present:
- (1) Available specifications or purchase descriptions are not definite or complete or *may* be too restrictive without technical evaluation, and any necessary discussion, of the technical aspects of the requirement to ensure mutual understanding between each source and the Government.
- (2) Definite criteria exist for evaluating technical proposals
- (3) More than one technically qualified source is expected to be available.
- (4) Sufficient time will be available for use of the two-step method.
- (5) A firm-fixed-price contract or a fixed-price contract with economic price adjustment will be used.
- (b) None of the following precludes the use of two-step sealed bidding:
- (1) Multi-year contracting.
- (2) Government property to be made available to the successful bidder.
- (3) A total small business set-aside (see 19.502-2).
- (4) The use of a set-aside or price evaluation preference for *HUBZone* small business concerns (see subpart 19.13).
- (5) The use of a set-aside for service-disabled veteran-owned small business concerns (see <u>subpart</u> 19.14).
- (6) The use of a set-aside for economically disadvantaged *women-owned small business concerns* and *women-owned small business concerns* eligible under the Women-Owned Small Business Program (see <u>subpart 19.15</u>).
- (7) A first or subsequent production quantity is being acquired under a performance specification.
