## 15.304 Evaluation factors and significant subfactors.

- (a) The award decision is based on evaluation factors and significant subfactors that are tailored to the *acquisition*.
- (b) Evaluation factors and significant subfactors must-
- (1) Represent the key areas of importance and emphasis to be considered in the source selection decision; and
- (2) Support meaningful comparison and discrimination between and among competing proposals.
- (c) The evaluation factors and significant subfactors that apply to an *acquisition* and their relative importance, are within the broad discretion of agency *acquisition* officials, subject to the following requirements:

(1)

- (i) Price or cost to the Government *shall* be evaluated in every source selection ( $\underline{10~U.S.C.}$   $\underline{3206(c)(1)(B)}$  and  $\underline{41~U.S.C.3306(c)(1)(B)}$  (also see part 36 for architect-engineer contracts), subject to the exception listed in paragraph (c)(1)(ii)(A) of this section for use by DoD, NASA, and the Coast Guard.
- (ii) In accordance with 10 U.S.C. 3206(c), for DoD, NASA, and the Coast Guard—
- (A) The *contracting officer may* choose not to include price or cost as an evaluation factor for award when a *solicitation*—
- (1) Has an estimated value above the simplified acquisition threshold;
- (2) Will result in *multiple-award contracts* (see subpart <u>16.5</u>) that are for the same or similar services; and
- (3) States that the Government intends to make an award to each and all *qualifying offerors* (see 2.101).
- (B) If the *contracting officer* chooses not to include price or cost as an evaluation factor for the contract award, in accordance with paragraph (c)(1)(ii)(A) of this section, the *contracting officer* shall consider price or cost as one of the factors in the selection decision for each order placed under the contract.
- (C) The exception in paragraph (c)(1)(ii)(A) of this section *shall* not apply to *solicitations* for *multiple-award contracts* that provide for sole source orders pursuant to section 8(a) of the Small Business Act (15 U.S.C. 637(a)).
- (2) The quality of the product or service *shall* be addressed in every source selection through consideration of one or more non-cost evaluation factors such as *past performance*, compliance with *solicitation* requirements, technical excellence, management capability, personnel qualifications, and

(3)

- (i) Past performance, except as set forth in paragraph (c)(3)(iii) of this section, shall be evaluated in all source selections for negotiated competitive acquisitions expected to exceed the simplified acquisition threshold.
- (ii) For solicitations that are not set aside for small business concerns, involving consolidation or bundling, that offer a significant opportunity for subcontracting, the contracting officer shall include a factor to evaluate past performance indicating the extent to which the offeror attained applicable goals for small business participation under contracts that required subcontracting plans (15 U.S.C. 637(d)(4)(G)(ii)).
- (iii) *Past performance* need not be evaluated if the *contracting officer* documents the reason *past performance* is not an appropriate evaluation factor for the *acquisition*.
- (4) For *solicitations*, that are not set aside for small business concerns, involving consolidation or *bundling*, that *offer* a significant opportunity for subcontracting, the *contracting officer shall* include proposed small business subcontracting participation in the subcontracting plan as an evaluation factor (15 U.S.C. 637(d)(4)(G)(i)).
- (5) If telecommuting is not prohibited, agencies *shall* not unfavorably evaluate an *offer* that includes telecommuting unless the *contracting officer* executes a written determination in accordance with FAR 7.108(b).
- (d) All factors and significant subfactors that will affect contract award and their relative importance *shall* be stated clearly in the *solicitation* (10 U.S.C. 3206(b)(1) and 41 U.S.C. 3306(b)(1)) (see 15.204-5(c)). The rating method need not be disclosed in the *solicitation*. The general approach for evaluating *past performance* information *shall* be described.
- (e) Unless the exception at paragraph (c)(1)(ii)(A) of this section applies, the *solicitation shall* also state, at a minimum, whether all evaluation factors other than cost or price, when combined, are—
- (1) Significantly more important than cost or price;
- (2) Approximately equal to cost or price; or
- (3) Significantly less important than cost or price (10 U.S.C. 3206(c)(1)(C) and 41 U.S.C. 3306(c)(1)(C)).
