

16.404 Fixed-price contracts with award fees.

Award-fee provisions *may* be used in fixed-price contracts when the Government wishes to motivate a contractor and other incentives cannot be used because contractor performance cannot be measured objectively. Such contracts *shall* establish a fixed price (including normal profit) for the effort. This price will be paid for satisfactory contract performance. Award fee earned (if any) will be paid in addition to that fixed price. See [16.401](#)(e) for the requirements relative to utilizing this contract type.
