

SUBPART 225.4—TRADE AGREEMENTS

(Revised April 8, 2010)

225.401 Exceptions.

(a)(2) If a department or agency considers an individual acquisition of a product to be indispensable for national security or national defense purposes and appropriate for exclusion from the provisions of FAR Subpart 25.4, it may submit a request with supporting rationale to the Director of Defense Procurement and Acquisition Policy (OUSD(AT&L)DPAP). Approval by OUSD(AT&L)DPAP is not required if--

- (A) Purchase from foreign sources is restricted by statute (see Subpart 225.70);
- (B) Another exception in FAR 25.401 applies to the acquisition; or
- (C) Competition from foreign sources is restricted under Subpart 225.71.

225.401-70 End products subject to trade agreements.

Acquisitions of end products in the following Federal supply groups (FSG) are covered by trade agreements if the value of the acquisition is at or above the applicable trade agreement threshold and no exception applies. If an end product is not in one of the listed groups, the trade agreements do not apply. The definition of Caribbean Basin country end products in FAR 25.003 excludes those end products that are not eligible for duty-free treatment under 19 U.S.C. 2703(b). Therefore certain watches, watch parts, and luggage from certain Caribbean Basin countries are not eligible products. However, 225.003 expands the definition of Caribbean Basin country end products to include petroleum and any product derived from petroleum, in accordance with Section 8094 of Pub. L. 103-139.

Include supporting rationale with the request.
