

DEPARTMENT OF THE TREASURY  
WASHINGTON, D.C.

Acquisition Bulletin No. 25-03  
Deviation No. 2025-00003

Date: July 7, 2025

## MEMORANDUM FOR TREASURY ACQUISITION PERSONNEL

**FROM:** Alan J. Monico Jr.  
Acting Senior Procurement Executive

**SUBJECT:** Class Deviation No. 2025-00003 — Implementing the Class Deviation from the Federal Acquisition Regulation (FAR) Part 1, in accordance with Executive Order (EO) 14275, “Restoring Common Sense to Federal Procurement,”

1. **PURPOSE:** This Acquisition Bulletin (AB) approves a class deviation to Federal Acquisition Regulation (FAR) part 1 for purposes of implementing the Federal Acquisition Regulatory Council’s (the Council’s) model deviation text to FAR Part 1.
2. **BACKGROUND:** On April 15, 2025, [EO 14275, Restoring Common Sense to Federal Procurement](#) was signed. Section 2 of the EO establishes the policy that the FAR “should only contain provisions required by statute or essential sound procurement, and any FAR provisions that do not advance these objectives should be removed.”

The FAR is being updated to:

- Remove language that is not required by statute
- Remove duplicative or outdated language
- Clarify or provide more plain language
- Revise language for the new FAR framework
- Retain language necessary for governmentwide acquisition standards.

This project is referred to as the [Revolutionary FAR Overhaul \(RFO\) initiative](#). This class deviation is issued under the authority of EO 14275, OMB M-25-25, and 48 CFR 1.4

3. **AUTHORITY:** This class deviation is issued under the authority of E.O. 14275, [OMB M-25-25](#), and 48 CFR 1.4.
4. **DEVIATION SUMMARY:** In explaining the Federal Acquisition System, the RFO FAR part 1 model deviation text establishes bedrock principles. Most centrally, it sets a “mission first” message at the top of guiding principles. The RFO FAR part 1 model deviation also increases the emphasis on the best use of taxpayer dollars and calls out the value of time as another guiding principle. Additionally, it retains a focus on satisfying the customer, maximizing use of commercial products and services, promoting competition, and encouraging innovation.

Statutory requirements retained in the RFO FAR part 1 model deviation include, but are not limited to, the following:

- 31 U.S.C. 3702, Authority to Settle Claims
- 41 U.S.C. 13 et seq, Acquisition Councils
- 41 U.S.C. 17 et seq, Agency Responsibilities and Procedures
- 41 U.S.C. 1908, Inflation Adjustment of Acquisition Thresholds
- 41 U.S.C. 3102, Delegation and Assignment of Powers, Functions, and Responsibilities

Non-statutory requirements removed from FAR part 1 include, but are not limited to, the following:

- The list of OMB approved control numbers contained in subpart 1.1. These controls numbers are now listed on [Acquisition.gov](https://www.acquisition.gov).
- Subpart 1.2 - Administration Subpart 1.5 - Agency and Public Participation procedures.

Other key changes include:

- Class deviations require approval by the FAR Council except where required to implement agency-specific executive or statutory direction. More guidance will follow on GSA's internal process for routing class deviation requests.

5. **CORRESPONDING AGENCY DEVIATION SUMMARY:** Bureaus may deviate from any Department of Treasury Acquisition Regulations (DTAR) requirements that conflict with the rewritten FAR part 1.
6. **EFFECTIVE DATE:** This class deviation is effective immediately and remains in effect until rescinded or incorporated into the FAR.
7. **GUIDANCE:** Contracting officers shall follow the RFO Part 1 model deviation text instead of FAR Part 1 as codified at 48 CFR Chapter 1. The Council's RFO part 1 model deviation text is available at [Acquisition.gov/far-overhaul/far-part-deviation-guide/far-overhaul-part-1](https://www.acquisition.gov/far-overhaul/far-part-deviation-guide/far-overhaul-part-1), and is incorporated into this class deviation.
8. **ADDITIONAL INFORMATION:** The point of contact for this AB is Mr. Steve Kvalevog who can be reached at [Steven.Kvalevog@treasury.gov](mailto:Steven.Kvalevog@treasury.gov)
